Saint Bride And Her Bridge Of Swedens Revelations Focus Library Of Medieval Women:

Saint Bride and Her Book Saint Bridget (of Sweden), Julia Bolton Holloway, 2000 First published in 1992 **Women in the Middle Ages: A-J** Katharina M. Wilson, Nadia Margolis, 2004 The encyclopedia covers the myriad experiences and contributions of women in the medieval world Getting Medieval Carolyn Dinshaw, 1999-09-22 In Getting Medieval Carolyn Dinshaw examines communities dissident and orthodox in late fourteenth and early fifteenth century England to create a new sense of queer history Reaching beyond both medieval and queer studies Dinshaw demonstrates in this challenging work how intellectual inquiry into pre modern societies can contribute invaluable to current issues in cultural studies In the process she makes important connections between past and present cultures that until now have not been realized In her pursuit of historical analyses that embrace the heterogeneity and indeterminacy of sex and sexuality Dinshaw examines canonical Middle English texts such as the Canterbury Tales and The Book of Margery Kempe She examines polemics around the religious dissidents known as the Lollards as well as accounts of prostitutes in London to address questions of how particular sexual practices and identifications were normalized while others were proscribed By exploring contemporary misappropriations of medieval tropes in texts ranging from Quentin Tarantino's Pulp Fiction to recent Congressional debates on U S cultural production Dinshaw demonstrates how such modern media can serve to reinforce constrictive heteronormative values and deny the multifarious nature of history Finally she works with and against the theories of Michel Foucault Homi K Bhabha Roland Barthes and John Boswell to show how deconstructionist impulses as well as historical perspectives can further an understanding of community in both pre and postmodern societies This long anticipated volume will be indispensable to medieval and queer scholars and will be welcomed by a larger cultural studies audience **The Mystical Tradition and the Carthusians** James Hogg, 1995 Analecta Cartusiana, 1970 Birgitta of Sweden and the Voice of Prophecy Claire Lynn Sahlin, 2001 Birgitta's religious authority considered with regard to her prophetic mission and her authenticity as a medium of divine revelation in 14c Europe This book examines the religious authority of St Birgitta of Sweden the charismatic moral reformer and controversial female visionary of the fourteenth century emphasising both representations of her prophetic mission and debates about her authenticity as a medium of divine revelation It illuminates Birgitta's view of herself as a prophet of moral reform by explaining how her Revelations depict her religious mission and place in salvation history going on to reconstruct interactions between Birgitta and her contemporaries including the significance of her prophetic authority vis a vis the priestly authority of her male clerical associates Finally it analyses arguments about women's suitability for mediating the divine word in posthumous attacks and defences of her claims to prophesy Through a close examination of Birgitta's lengthy Revelations canonization documents and texts by her posthumous defenders and detractors this study demonstrates that members of her audience perceived her to be both a vibrant source of supernatural power and a dangerous transgressor of conventional boundaries Informed by sociological studies of prophetic

authority it contributes to our knowledge of Birgitta herself as well as to our understanding of the dynamics of women's spiritual authority Professor CLAIRE SAHLIN teaches at Texas Woman's University Women's Space Virginia Chieffo Raguin, Sarah Stanbury, 2005-03-29 Art historical and literary perspectives on the place of women in the medieval church

included the infant Jesus as lying on the ground and emitting light himself and describes the Virgin as blond haired many depictions followed this and reduced other light sources in the scene to emphasize this effect and the Nativity remained very commonly treated with chiaroscuro through to the Baroque Other details often seen such as a single candle attached to the wall and the presence of God the Father above also come from Bridget's vision This edition contains all that is known today of the visions and prophecies of Saint Bridget and most of her prayers *The Revelations of Saint Birgitta* Saint Birgitta (of Sweden), William Patterson Cumming, 1925 *The Revelations of Saint Birgitta* Birgitta (helgon), Saint Bridget (of Sweden), 1929
