Saint Nicholas Bishop Of Myra The Life And Times Of The Original Father Christmas:

Saint Nicholas, Bishop of Myra David L. Cann, 2002 This fascinating never before told story of Saint Nicholas follows him from childhood in Patara to his heroic years as Bishop of Myra Cann guides readers through modern Turkey walking the streets that Nicholas walked meeting people of the region today but also imagining the experiences of a resident of the 4th century A great gift book

The True Saint Nicholas William J. Bennett, 2009-10-27 Former secretary of education and New York Times bestselling author William Bennett blends his historical expertise with his gift for storytelling into a heartwarming book about the man who ultimately became known as Santa Claus Beloved writer and speaker William Bennett brings the legendary Saint Nicholas to life in this fascinating and faith affirming book that will change the way you think about Santa Claus and the meaning of Christmas Bennett reflects on Saint Nicholas s storied life which has spanned seventeen centuries across Europe Asia and Africa and reveals an inspiring tale of devotion to God and an example of eternal goodness The True Saint Nicholas Why He Matters to Christmas focuses on three aspects of Saint Nicholas historical facts from his life his legacy in the centuries following his death and the legendary status that transformed his likeness into the present day jolly toy bearing Santa Claus The book vividly captures the heart and life of someone who lived long ago and yet whose life remains an inspiration for everyone to aspire to a higher order of generosity giving and devotion to others An instant classic by one of America s most respected thinkers The True Saint Nicholas is a memorable keepsake to be shared with family and friends every year to evoke the true spirit of Christmas

Saint Nicholas Joe L. Wheeler, 2010-10-10 You know him as the rotund merry maker in the red suit But set aside the childhood myth In this portrait you ll encounter the true St Nicholas a figure revered for his astonishing miracles and a humility that redirected all attention to God s glory You ll be amazed to find St Nicholas always turning up at just the right time rescuing sailors from the certain death of a violent sea saving three young women from a life of prostitution and guarding an infant from the burns of a boiling bath A tireless defender of God s truth and His people St Nicholas s wonderful and mysterious deeds illustrate time and again a heart for the weak the poor and the endangered truly the patron saint of practically everybody and one of the most fascinating figures in all of Christian history We learn about life through the lives of others Their experiences their trials their adventures become our schools our chapels our playgrounds Christian Encounters a series of biographies from Thomas Nelson Publishers highlights important lives from all ages and areas of the Church through prose as accessible and concise as it is personal and engaging Some are familiar faces Others are unexpected guests Whether the person is D L Moody Sergeant York Saint Nicholas John Bunyan or William F Buckley we are now living in the world that they created and understand both it and ourselves better in the light of their lives Their relationships struggles prayers and desires uniquely illuminate our shared experience

,1956 *Saint Nicholas of Myra* Charles River Editors,2018-12-24 Includes pictures Includes ancient accounts Includes online resources and a bibliography for further reading Christmas is the most important holiday of the year After the corresponding days that exalt the national pride of each country such as Independence Day in the United States Victory Day in Russia or Bastille Day in France it s December 25 that articulates the life the work and the economy in much of the world including many non Christian countries Since ancient times the beginning of winter has been the occasion for most people to eat drink dance and get together to beat the drum and take a break One of the most important figures constantly brought up during the Christmas season is Saint Nicholas despite the fact most people know little about him In the 21st century Saint Nicholas or as people often refer to him Jolly Old Saint Nick has been reduced to a pretend adorably portly grandfather type a visual often accompanied by a fleet of magical reindeer and a bustling workshop staffed by endlessly cheerful elves Most assume quite understandably that Saint Nicholas was the fount of inspiration that Santa Claus myth weavers steadily drank from over the centuries While this is accurate to some extent it is important to remember that the parallels between Saint Nicholas and the present day Santa Claus marketed by mass media are actually quite limited Santa Claus is a man with many monikers Kris Kringle Father Christmas Papai Noel among others and is perhaps the most iconic and internationally recognized personality in recent history Pop culture enthusiasts know to trace Santa s roots to Saint Nicholas and it s widely accepted that Coke manufactured the contemporary image of Santa embraced by the world today On both counts they are only partially correct because in reality Santa is a colorful amalgamation of different figures who appear in various countries folk stories across a wide range of centuries For starters despite centuries of unabashed whitewashing science has confirmed that Saint Nicholas as his birthplace should suggest was not white nor was he excessively overweight In the early 2000s teams of researchers acquired copies of x rays and logs of measurements originally compiled by scientists of Nicholas s skull in 1950 in the hopes of examining its framework in further detail In 2004 a facial anthropologist at the University of Manchester Dr Caroline Wilkinson succeeded in producing a forensically reconstructed 3D model of Nicholas s face the reconstruction was refined in 2014 In both reconstructions which captured Nicholas around the time of his death his skin is olive toned It seems that he did sport a full beard but it was untamed scraggly and silvery He was balding and had benign but forgettable features with slightly protruding ears brown eyes the shape of almonds and small sunken cheeks And whereas Santa is to most young ones deceptively tremendous in both height and girth more so when pictured with his tiny elves Nicholas was roughly 5 6 Then there are the scientists who insist that he was shorter and that his height was considerably below average at just about 5 0 **The Modern Christmas in America** William Waits,1994-10-01 In days of old Christmas was defined by the custom of exchanging simple handmade gifts Today it has become a multi billion industry synonymous with commercialism and consumption How did this transformation occur In this incisive and engaging examination of how Christmas has evolved since 1880 Waits chronicles the history of the holiday from its origin to its current form The book is

illustrated with dozens of historical photographs and will be of interest to cultural and social historians alike Christmas was a relatively modest occasion in the English speaking world celebrated by the exchange of modest handmade gifts until the Victorians invested the holiday with immense significance as part of a larger effort to celebrate home family and a mythic past of well ordered communities By the late 19th century Christmas had become a major American festival Today it is a multi billion dollar industry and easily the most important seasonal event of the year In this survey of the modern American Christmas William Waits shows us how this holiday emerged tracing its evolution from the days prior to 1880 when people presented one another with simple crafted presents to the turn of the century when industrialization brought with it waves of inexpensive tawdry gimcracks In the early twentieth century reform minded Americans reflecting on the new Christmas prompted a backlash against this cheapening of the Yule tradition and the Christmas card was born Henceforth family members and close friends exchanged useful costly items while cards were sent to acquaintances and distant relatives These reformers also persuaded retail stores to keep their regular hours of business during the holiday rather than lengthening them to give trade workers the opportunity to join in the celebration They also rationalized the collection and distribution of holiday charity resulting in the Christmas celebration we have today Waits s book clearly illustrates that the notion that Christmas is uncontrollable is simply untrue An incisive and engaging history of giftgiving *The Modern Christmas in America* also examines the differing traditions of giftgiving to friends employees the poor and among entire communities Handsomely illustrated with dozens of historical photographs this book is not only the perfect holiday gift but will also be of interest to any student of American history and culture

The story of Santa Klaus : Told for children of all ages from six to sixty William S. Walsh, 2023-07-11 In *The Story of Santa Klaus Told for Children of All Ages from Six to Sixty* William S Walsh weaves a rich narrative that explores the enchanting folklore surrounding Santa Claus drawing upon various cultural traditions and historical anecdotes The literary style is both whimsical and didactic appealing to a broad audience while simultaneously imparting moral lessons that resonate with the spirit of generosity and kindness Walsh s synthesis of myth and storytelling not only entertains but also invites readers to reflect on the deeper meanings embedded in the Christmas lore highlighting the evolution of the Santa Claus figure from St Nicholas to the modern icon we recognize today William S Walsh an accomplished author and historian was deeply influenced by his own childhood experiences and the folklore passed down through generations His scholarly approach to storytelling reflects a keen interest in cultural narratives and their implications on societal values Walsh s background in literature and his familiarity with the traditions surrounding Christmas provide a rich context for this delightful retelling ensuring that the spirit of Santa Klaus is presented with both reverence and creativity I highly recommend this charming book to readers of all ages who wish to rediscover the magic of Christmas through the eyes of a master storyteller Whether for families looking to share holiday traditions or individuals seeking a deeper understanding of Santa Claus s cultural significance Walsh s engaging narrative serves as a delightful reminder of the
