Saint Vincent Ferrer Angel Of The Judgement:

St. Vincent Ferrer Rev. Fr. Andrew Pradel, 2001-01-02 Commissioned by Our Lord Himself to preach His Gospel St Vincent began at age 50 an apostolate of preaching that would extend to France Italy Spain Belgium Switzerland Austria Germany and a few other countries as well Travelling with him were as many as 10 000 people including at least 50 priests The throngs that gathered to hear him came from many miles around such that he was forced to preach in the open no church being large enough to hold all the people **Inside Purgatory** Thomas W. Petrisko, 2000 The follow up book to the popular Inside Heaven and Hell comes the equivalent of a guided tour of God s holy penitential world where human spirits are purified and thereby prepared for entry into Paradise Dr Petrisko directs onto his subject many a spotlight coming from various authorities down the Christian centuries popes theologians saints mystics visionaries and the Blessed Mother Together their insights and testimonies present a rounded picture of that mysterious realm of purgatorial pain and prayer which can be likened to Heaven s vestibule lying beyond this world Readers will find an abundance of information about Purgatory while at the same time plenty of inspiration and encouragement to become more Purgatory minded that is generous in offering spiritual succour and support to the Holy Souls Saint Vincent Ferrer, O. P. Stanislaus M. Hogan, 1911 Saint Vincent Ferrer Op Stanislaus M. Hogan, Fr Stanislaus M Hogan Op, Brother Hermenegild, 2013-04-20 THIS life of one of the greatest of the Friar Saints is based on the Histoire de Saint Vincent Ferrier by Pere Fages O P As the Histoire is the best and most critical life of the Saint which has been published we have accepted the conclusions dates etc of the learned author in preference to those of the Bollandists We have tried to put the Missionary journeys of St Vincent as prominently as possible before our readers and this will explain two or three chapters which may seem to be somewhat dry reading But we have not given a detailed history of these journeys by any means for the simple reason that such an account of the travels of this extraordinary man who in his zeal for souls traversed the length and breadth of Europe and visited almost every city town and village of importance in Spain France and Northern Italy would have been impossible in the short space at our disposal We sincerely hope that this short sketch will help to stir up devotion to the Saint who preached the unsearchable riches of Christ in an age that was as blind and indifferent to the things that are of the Spirit of God as is our own The illustrations are reproduced from the volumes by Pere Fages G P so often quoted in these pages We offer him publicly our thanks for his kindness to us in this as in other ways Saint Vincent Ferrer claimed to be the Angel of the Apocalypse and confirmed this claim by a miracle Let us read a little of this story Preaching in the open space now within the garden of the Dominican Convent of St Stephen or San Esteban on a hillock named the Mount of Olives St Vincent solemnly declared that he was the Angel of the Judgment spoken of by St John the Evangelist in his Apocalypse An immense concourse of people was present and the fathers of the Convent many of them theologians of the Inquisition were witnesses of the declaration which caused murmuring amongst the audience Startling as the words of St Vincent assuredly were his

confirmation of his claim was still more startling A dead woman was being brought to the Church of St Paul hard by at the time of the sermon St Vincent ordered the bearers to bring the corpse before him Strong in the strength of God the Saint adjured the dead woman to testify whether his words were true or not and before the eyes of all present the dead woman came to life for a moment bore witness to the truth of the Saint's claim then slept in death once more her mission accomplished A cross was raised on the spot where this occurrence took place *The Sacramentary* Ildefonso Schuster, 1929

The Pilgrim of Our Lady of Martyrs, 1896

Witness of the Saints Milton Walsh, 2012-10-16

The writings of the Fathers of the Church have never been more widely available yet obtaining an exhaustive and user friendly volume of patristics can still be a daunting task Without realizing it many priests seminarians members of religious communities and even laity already own a patristic library their Liturgy of the Hours In the four volumes of the Liturgy of the Hours the official daily prayer of the Catholic Church there are nearly 600 selections from the writings of Fathers and saints Seeing the potential of this vast collection as a theological resource Milton Walsh has organized these selections by topics according to the four pillars of the Catechism of the Catholic Church This topical concordance allows the reader to compare what the various authors have written on the same themes while a chronological timeline of the readings shows their relationship to each other in time Walsh has also provided background on the liturgical celebrations of the Church as well as historical information on each author In addition there is a chapter on how patristic readings can assist in understanding the Bible This fresh and original presentation of material that is literally at the fingertips of anyone praying the Liturgy of the Hours can be a tremendous aid to both religious devotion and theological study

The Stigmata: Those Who Bore the Wounds of Christ Deacon Albert E. Graham, 2023-08-10 Whether you are an atheist an agnostic or a true believer and disciple of Jesus Christ you will be mystified at what you learn from The Stigmata The Stigmata examines such other worldly phenomena one could liken it to a spiritual X files episode Christ s death and resurrection was not the end but the beginning for us all Jesus agonizing suffering sacrifice and surrender of his own life opened the gates of heaven to all those willing to follow Him The stigmatics serve as an earthly human reminder of the Divine Jesus obedient holy and sacrificial offering to us The Stigmata is a compilation of some 657 individuals from the 13th to the 21st centuries who have incomprehensibly borne the wounds suffered by Christ The Stigmata discusses many of the stigmatics in biographical detail Some stigmatics are recognized saints such as St Padre Pio and St Therese Neumann Sainted or not all stigmatics suffer in some way like Christ bearing evidence of nail piercings to the hands and feet the crown of thorns and sword laceration near the heart Have there been fraudulent stigmatics Yes and The Stigmata discusses the fakes separating them like wheat from chaff Aside from the painful and bloody wounds these individuals suffer many stigmatics exhibit other miraculous mysteries from levitation and bi location to reading of souls and other human impossibilities The pain the stigmatics have endured is real the phenomena they ve experienced is mystical and their complete impact on the world is known only to God

The Saint and the Chopped-Up Baby Laura Ackerman Smoller, 2014-01-24 Vincent Ferrer 1350 1419 a celebrated Dominican preacher from Valencia was revered as a living saint during his lifetime receiving papal canonization within fifty years of his death In The Saint and the Chopped Up Baby Laura Ackerman Smoller recounts the fascinating story of how Vincent became the subject of widespread devotion ranging from the saint s tomb in Brittany to cult centers in Spain Italy France Germany and Latin America where Vincent is still venerated today Along the way Smoller traces the long and sometimes contentious process of establishing a stable image of a new saint Vincent came to be epitomized by a singularly arresting miracle tale in which a mother kills chops up and cooks her own baby only to have the child restored to life by the saint s intercession This miracle became a key emblem in the official portrayal of the saint promoted by the papal court and the Dominican order still haunted by the memory of the Great Schism 1378 1414 that had rent the Catholic Church for nearly forty years Vincent however proved to be a potent religious symbol for others whose agendas did not necessarily align with those of Rome Whether shoring up the political legitimacy of Breton or Aragonese rulers proclaiming a new plague saint or trumpeting their own holiness individuals imposed their own meanings on the Dominican saint Drawing on nuanced readings of canonization inquests hagiography liturgical sources art and devotional materials Smoller tracks these various appropriations from the time of Vincent s 1455 canonization through the eve of the Enlightenment In the process she brings to life a long raucous
