ETHICS IN ACADEMIA

STEVEN M. CAHN

Saints And Scamps

Steven M. Cahn

Saints And Scamps:

Saints and Scamps Steven M. Cahn, 1986 An incisive and witty probe into ethics of the academic world *Ethics and the University* Michael Davis, 2002-01-04 Ethics and the University brings together two closely related topics the practice of ethics in the university academic ethics and the teaching of practical or applied ethics in the university This volume is divided into four parts A survey of practical ethics offering an explanation of its recent emergence as a university subject situating that subject into a wider social and historical context and identifying some problems that the subject generates for universities An examination of research ethics including the problem of plagiarism A discussion of the teaching of practical ethics Michael Davis explores how ethics can be integrated into the university curriculum and what part particular cases should play in the teaching of ethics An exploration of sexual ethics Ethics and the University provides a stimulating and provocative analysis of academic ethics which will be useful to students academics and practitioners **The Outrageous Idea of Christian Teaching** Perry Glanzer, Nathan Alleman, 2019-07-29 Hundreds of thousands of professors claim Christian as their primary identity and teaching as their primary vocational responsibility Yet in the contemporary university the intersection of these two identities often is a source of fear misunderstanding and moral confusion How does being a Christian change one's teaching Indeed should it Inspired by George Marsden's 1997 book The Outrageous Idea of Christian Scholarship this book draws on a survey of more than 2 300 Christian professors from 48 different institutions in North America to reveal a wide range of thinking about faith informed teaching Placing these empirical findings alongside the wider scholarly conversation about the role of identity informed teaching Perry L Glanzer and Nathan F Alleman argue that their Christian identity can and should inform professors teaching in the contemporary pluralistic university The authors provide a nuanced alternative to those who advocate for restraining the influence of one's extra professional identity and those who in the name of authenticity promote the full integration of one's primary identity into the classroom The book charts new ground regarding how professors think about Christian teaching specifically as well as how they should approach identity informed teaching more generally *Scamps, Scholars, and Saints* Jill Dyer, Roger Dyer, 1991-01 **A Professor's Duties** Peter J. Markie, 2000-01-01 Professors administrators and trustees talk a lot about education but give little attention to teaching especially at major research universities In A Professor's Duties the distinguished philosopher Peter J Markie adds to the expanding discussion of the ethics of college teaching Part One concentrates on the obligations of individual professors primarily with regard to issues about what and how to teach Part Two expands Professor Markie's views by providing a selection of the most significant previously published writings on the ethics of college teaching **A Teacher's Life** Robert B. Talisse, Maureen Eckert, 2021-08-24 Steven M Cahn belongs to that exclusive class of professors who have not only contributed influentially to the leading debates of their discipline but have also written insightfully about the academic vocation itself This volume comprises thirteen essays authored by Cahn's colleagues and former students presented in his

honor on the occasion of his twenty fifth year as professor of philosophy at the City University of New York Graduate Center The essays focus on topics that have been central to Cahn s philosophical work such as the teaching of philosophy the responsibilities of philosophy professors the nature of happiness and the concept of the good life CONTRIBUTORS Norman Bowie Steven M Cahn Randall Curren Maureen Eckert Alan Goldman Tziporah Kasachkoff Peter Markie John O Connor David Rosenthal David Shatz George Sher Robert Simon Douglas Stalker Robert B Talisse Christine Vitrano *Faculty Misconduct in Collegiate Teaching* John M. Braxton, Alan E. Bayer, 2003-04-30 In *Faculty Misconduct in Collegiate Teaching* higher education researchers John Braxton and Alan Bayer address issues of impropriety and misconduct in the teaching role at the postsecondary level Braxton and Bayer define and examine norms of teaching behavior what they are how they come to exist and how transgressions are detected and addressed Do faculty members across various collegiate settings for example share views about appropriate and inappropriate teaching behaviors as they share expectations regarding actions related to research And what mechanisms are utilized to correct inappropriate behavior on the part of college and university teachers The authors work is based on survey results obtained from faculty members at research universities liberal arts colleges and two year community junior and technical colleges Braxton and Bayer s focus is on undergraduate teaching in four disciplines biology history mathematics and psychology In their analyses the authors examine how individual disciplinary and institutional differences influence professorial behavior In contrast to the more explicitly understood and enforced rules of conduct in research the authors find that teaching norms are informally defined and observed They argue that a formal code of ethics for undergraduate teaching would serve the dual purpose of improving undergraduate education and elevating the status of college teaching A groundbreaking study of contemporary academe *Faculty Misconduct in Collegiate Teaching* is required reading for all university and college instructors and administrators *The Academic Library in the American University* Stephen E. Atkins, 2003 **Values and Education** , 2021-10-25 This book brings together eighteen essays on education and matters of evaluative concern to which it gives rise The essays range from discussions of basic issues on the nature of education and the importance of its two sides teaching and learning to practical issues that bear on curricular development Several of the authors focus on liberal education and its place in a liberal state Some authors take up the topic of moral education while others examine the notion of multicultural education Broad social issues of educational opportunity and affirmative action are also considered A number of authors speak to educational reforms and conditions in particular countries including Italy Canada and the United States For anyone with an interest in formal education or a love of life long learning the essays in this book offer fresh ideas for reflection *Journal of Moral Theology, Volume 8, Special Issue 1* Matthew J. Gaudet, James F. Keenan, 2019-04-12 Introduction Matthew J Gaudet and James F Keenan S J University Ethics and Contingent Faculty James F Keenan S J Saying No to an Economy that Kills Undermining Mission and Exploiting Vocation in Catholic Higher Education Kerry Danner Adjunct Unionization on Catholic Campuses Solidarity Theology and

Is Graduate School Really for You? Amanda I. Seligman, 2012-03-01 Landing a job in today's academic job market is no easy feat. Is graduate school the answer? This informed and candid book provides anyone thinking about pursuing an advanced degree and those who support them with the inside scoop on what to expect in graduate school. Amanda I. Seligman helps potential students navigate graduate study not just how to get in but how to succeed once you are there and what to expect when you leave. She weighs the pros and cons of attending graduate school against achieving a sustainable work-life balance and explains the application process, the culture of graduate school, and employment prospects for academics. This book guides readers through the ins and outs of graduate school and no topic is off-limits, including qualifications and admission guidelines, financial aid, and graduate stipends, meeting expectations and residency requirements, coursework, theses and dissertations, degrees, jobs, and academic careers, tenure, research, and peer review, social life: will you still have one? Written in a question-and-answer format, *Is Graduate School Really for You?* eliminates the guesswork. Whether you are considering applying to graduate school, already enrolled, or would simply like to know more about continuing your education, this is the book for you. *The College Board Review*, 1988

Journal of Moral Theology, Volume 1, Number 1 David M. Cloutier, William C. Mattison, 2013-12-09 Formative Figures of Contemporary American Catholic Moral Theology Volume 1 Number 1 January 2012 Edited by David Cloutier and William C. Mattison III Moral Theology in the Ruins: Introducing the Journal of Moral Theology David Matzko McCarthy Bernard Haring's Influence on American Catholic Moral Theology James F. Keenan S. J. Servais Pinckaers and the Renewal of Catholic Moral Theology Craig Steven Titus Religious Freedom, Morality, and Law John Courtney Murray Today David Hollenbach S. J. James M. Gustafson and Catholic Theological Ethics Lisa Sowle Cahill The Luminous Excess of the Acting Person Assessing the Impact of Pope John Paul II on American Catholic Moral Theology John Grabowski Stanley Hauerwas's Influence on Catholic Moral Theologians Jana Marguerite Bennett Review Essay Method in American Catholic Moral Theology After Veritatis Splendor David Cloutier and William C. Mattison III

Ted Lasso and Philosophy Marybeth Baggett, David Baggett, 2024-01-31 An accessible and engaging journey through the philosophical themes and concepts of Ted Lasso. *Ted Lasso and Philosophy* explores the hidden depths beneath the vibrant veneer of AppleTV's breakout award-winning sitcom. Blending philosophical sophistication with winsome appreciation of this feel-good comedy, the collection features 20 original essays canvassing the breadth of the series and carefully considering the ideas it presents, including the goal of competition, the role of mental health, sportsmanship, revenge versus justice, the importance of friendship, the imperative of respect for persons, humility, leadership, identity, character, growth, courage, journalistic ethics, belief, forgiveness, what love looks like, and just how evil tea is. In a nod to the show's many literary

allusions the compilation concludes with a whimsical appendix that catalogs the books most significant to Ted Lasso's themes and characters. If football is life as Dani Rojas fondly repeats then this book's a fitting primer. Covers the full breadth of the original Ted Lasso series including the third season. Explores every major character and all of the show's significant subplots and elements. Written in the spirit of the show with in-jokes that will appeal to Ted Lasso fans. Features an introduction that guides readers through the book's materials. Includes Beard's Bookshelf a bibliography of the most significant books shown or alluded to in the series. Ted Lasso and Philosophy is for the curious not judgmental. Sport is quite the metaphor and we can't wait to unpack it with you. Yorkshire Notes and Queries: with the Yorkshire Genealogist, Yorkshire Bibliographer, and Yorkshire Folk-lore Journal, 1888

Precision and Soul Robert Musil, 1990. We do not have too much intellect and too little soul but too little precision in matters of the soul. Robert Musil. Best known as author of the novel *The Man without Qualities*. Robert Musil wrote these essays in Vienna and Berlin between 1911 and 1937. Offering a perspective on modern society and intellectual life they are concerned with the crisis of modern culture as it manifests itself in science and mathematics, capitalism and nationalism, the changing roles of women and writers and more. Writing to find his way in a world where moral systems everywhere were seemingly in decay. Musil strives to reconcile the ongoing conflict between functional relativism and the passionate search for ethical values. Robert Musil was born in 1880 and died in 1942. His first novel *Young Tress* is available in English. A new two-volume translation by Burton Pike and Sophie Wilkins of *The Man without Qualities* is forthcoming from Alfred A. Knopf. Now we have these thirty-one invaluable and entertaining pieces from an article on *The Obscene and Pathological in Art* to the equally provocative talk *On Stupidity* which with a new translation of *The Man without Qualities* forthcoming amount to a literary event for the reader of English comparable to Constance Garnett's massive translation of Chekhov's stories. Joseph Coates. Chicago Tribune. Musil is one of the few great moderns, one of the handful who ventured to confront the issues that shape and define our time. He has a range and a striking capacity every bit as great as that of Mann, Joyce or Beckett. Boston Review. These essays are crucial in understanding a writer and critic whose lifelong task was an attempt to resolve the dichotomy between the precision of scientific form and the soul, the matter of life and art. Choice.

Expectations and Demands in Online Teaching: Practical Experiences Walter Gudea, Sorin, 2008-05-30. Despite the considerable growing interest in online education, most studies have focused only on the students' perspective. Merely a handful of studies have attempted to address the teachers' perspectives and little has been published on the online teaching experience itself. *Expectations and Demands in Online Teaching: Practical Experiences* offers a better understanding of how teachers experience the online environment by exploring various dimensions of online teaching including class preparation, process effectiveness and quality and technology utilization. The book assists educational institution administrators supporting online education improve their understanding of how teachers experience online teaching and of the issues these teachers face in their teaching. Yorkshire Notes and Queries, 1888 New Catholic World, 1882
