*Saints Alive* Jack Hamm, 2012-10-01      **Saints Alive!** Deanna Hurtubise, 2016-11-14 Annie's fourth grade religion class is learning about their patron saints to share in an oral report later on. She has always been fascinated by the lives of the saints especially the miracles they experienced. More than anything she would love to experience a miracle of her own since so many miracles happened to the saints when they were children. When Annie discovers that her patron saint isn't as exciting as those of her classmates she is disappointed and embarrassed to give her report. Learn how prayer, faith, and a little divine intervention during a frightening family crisis changed Annie's feelings about her patron saint. The Living Church, 1942      **Living With History** Fredrica Harris Thompsett, 1999-01-25 Fredrica Harris Thompsett a scholar of the English Reformation introduces us to the role that history has played in creating and shaping the Episcopal Church as we know it today. In giving us the broad lessons of Anglican history she explores in detail both the historian's task and Anglicanism's distinctive history from its roots in Scripture and the English language Bible and prayerbook to its seventeenth century flowering in poetry and prose and the different forms it has assumed in the American landscape from the time of the Revolution right through to the late 20th century. Thompsett begins by discussing the relationship between history, tradition, and change and goes on to outline ten key touchstones or milestones in Christian history that are of particular interest to Anglicans. Since it is the historian's task to write the unwritten as well as the official story of the church, chapter three is a history of ministry in the church especially of lay ministry. Chapter four looks at three ways that Anglicans have handled conflict and controversy throughout its history concentrating on the Elizabethan Settlement, the American Civil War, and the impact of Darwin and the new science. Chapter five discusses how theological insight can be recycled to shed new light on the problems of today focusing on Anglican theology of creation and how it helps us address ecology as a spiritual crisis. Finally, chapter six focuses on how a living historical tradition affects the life and mission of the church today and how we are a part of that history.      **Best Canadian Stories**, 1977      American Book Publishing Record Cumulative, 1950-1977 R.R.
