Pomeroy Brewster, 2015-06-30 Excerpt from Saints and Festivals of the Christian Church A considerable part of the matter presented in the following pages was printed a series of articles in the Union and Advertiser of Rochester N Y The absolute truthfulness of these articles from both archeological and historic standpoints as well as their entire freedom from all denominational bias with the knowledge of profane and ecclesiastical history and canon law shown in them at once attracted a wide circle of readers and won the hearty approval of the clergy and laity of both the Protestant and Roman branches of the Christian Church On their completion at the request of many eminent divines the author has carefully revised the entire work adding to the original MSS much valuable material and he has thus produced what is practically a Church Year Book in which is told the origin history and present status of each of the chief festivals of the entire Christian Church as well as of a number of local feasts and festivals which obtain in certain parts of Europe While it is beyond the scope of the present work to attempt to tell the story of every one of the numerous canonized saints whom the Church has chosen to honour the author has each day throughout the year selected a few of the most noted among them and made brief sketches of the lives of those who are remembered on that day But in the Alphabetical Index are given the name and saint day of a far more comprehensive list while in the general index will be found the names of those especially mentioned As the largest number of the feasts fasts and festivals of the Church occur on dates dependant upon the date of Easter these are spoken of at approximate dates to be found in the general index while others like Christmas whose dates are fixed are treated of on their proper days In conclusion we may say that this book is the only one published except those huge tomes extending into from twelve to twenty volumes wherein may be found such complete and tersely told hagiology About the Publisher Forgotten Books publishes hundreds of
