Shakespeares Comedies The Consummation

Carol Thomas Neely

Shakespeare's Comedies The Consummation:

Shakespeare's Comedies Henry Buckley Charlton, 1967 Shakespeare's Comedies Emma Smith, 2008-04-15 This Guide introduces students to critical writing on Shakespeare's comedies over the last four centuries. Guides students through four centuries of critical writing on Shakespeare's history plays. Covers both significant early views and recent critical interventions. Substantial editorial material links the articles and places them in context. Annotated suggestions for further reading allow students to investigate further. **Shakespeare's Plays** Mose Durst, 2002-01-14 Mose Durst Ph.D. is Chairman of The Principled Academy in San Leandro, California. Shakespeare's Comedies Kiernan Ryan, 2020-04-21 In this groundbreaking book, one of the most original and compelling voices in contemporary Shakespeare criticism undertakes a detailed study of the ten extraordinary comedies Shakespeare wrote during his first decade as a dramatist: *The Comedy of Errors*, *The Taming of the Shrew*, *The Two Gentlemen of Verona*, *Love's Labour's Lost*, *A Midsummer Night's Dream*, *The Merchant of Venice*, *The Merry Wives of Windsor*, *Much Ado About Nothing*, *As You Like It*, and *Twelfth Night*. Through close readings of these plays, Kiernan Ryan reveals Shakespeare's deepening disenchantment with his world and his dream of that world transfigured. Ryan engages with each comedy as a unique work of dramatic and poetic art with its own distinctive concerns and critical challenges, paying special attention to its language and form. As the haunting vision shared by the plays emerges from Ryan's acute analysis of each of them, the book transforms our understanding and appreciation of Shakespearean comedy. Written in a lively, accessible style, *Shakespeare's Comedies* is essential reading not only for students and teachers but also for anyone keen to consider these plays from a fresh perspective. The Interpersonal Idiom in Shakespeare, Donne, and Early Modern Culture N. Selleck, 2008-05-29 The *Interpersonal Idiom* offers a timely reformulation of identity in the age of Shakespeare, recovering a rich and now obsolete language that casts selfhood not as subjective experience but as the experience of others. *Unconformities in Shakespeare's Early Comedies* K. Smidt, 2015-12-22

Shakespeare Comedy and Sanskrit Drama Asif Anwer, 2005 *Shakespeare's Romantic Comedies* Peter G. Phialas, 2012-06-01 Phialas provides commentaries on Shakespeare's romantic comedies, treating in detail individual scenes and characters and making illuminating comparisons and contrasts of character with character. The chief concern of the book is with the action of each play, the nature and relationship of its parts, and the meaning that the action dramatizes. Originally published in 1966, a UNC Press Enduring Edition. UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original and are presented in affordable paperback formats, bringing readers both historical and cultural value.

Shakespeare's World: The Comedies John Pendergast, 2019-12-02 With summaries, discussions, and excerpts from primary source documents, this book examines Shakespeare's world through careful consideration of the historical background of four of his comedies. Comedy was popular during the Renaissance, and it was also one of Shakespeare's

specialties The four plays discussed in this book *A Midsummer Night's Dream* *The Merchant of Venice* *Twelfth Night* and *The Tempest* span Shakespeare's career and remind us that Shakespeare more than any of his contemporaries explored the possibilities of comedy consistently developing new approaches to the genre Shakespeare was a fairly traditional playwright well aware of the long tradition of comedy which dates back to the Greeks and Romans This book places Shakespeare's comedies in their historical context It includes dedicated chapters on each of the four comedies with each chapter providing a plot summary a discussion of the play's historical background and significance and excerpts from primary source documents related to the play An introduction surveys the historical background of the plays while a timeline chronicles key events that influenced them Suggestions for further reading direct readers to additional sources of information *Broken Nuptials in Shakespeare's Plays* Carol Thomas Neely, 1985 Providing a feminist interpretation of the plays that has been written this work is aimed at feminists **Shakespearean Comedy** H. B. Charlton, 2013-10-11 First published in 1938 This is a survey of Shakespeare's comedies which illustrates the playwright's increasing grasp on the art and idea of comedy Themes characters and plays covered include Romanticism in Shakespearean comedy Shakespeare's Jew Falstaff *The Taming of the Shrew* *A Midsummer Night's Dream* and *The Dark Comedies* **Shakespeare's Comedies** Bertrand Evans, 1960

Blood and Home in Early Modern Drama Ariane M. Balizet, 2014-04-24 In this volume the author argues that blood was crucially a means by which dramatists negotiated shifting contours of domesticity in 16th and 17th century England Early modern English drama vividly addressed contemporary debates over an expanding idea of the domestic which encompassed the domus as well as sex parenthood household order the relationship between home and state and the connections between family honor and national identity The author contends that the domestic ideology expressed by theatrical depictions of marriage and household order is one built on the simultaneous familiarity and violence inherent to blood The theatrical relation between blood and home is far more intricate than the idealized language of the familial bloodline the home was itself a bloody place with domestic bloodstains signifying a range of experiences including religious worship sex murder birth healing and holy justice Focusing on four bleeding figures the Bleeding Bride Bleeding Husband Bleeding Child and Bleeding Patient the author argues that the household blood of the early modern stage not only expressed the violence and conflict occasioned by domestic ideology but also established the home as a site that alternately reified and challenged patriarchal authority **Twelfth Night** James Schiffer, 2025-05-10 This new volume in the Shakespeare The Critical Tradition increases our knowledge of how *Twelfth Night* was received and understood by critics editors and general readers The volume offers in separate sections both critical opinions about the play across the centuries and an evaluation of their positions within and their impact on the reception of the play The volume features criticism from key literary figures such as Thomas De Quincey Charles Knight Mary Cowden Clarke Charles Lamb George Bernard Shaw and Caroline F E Spurgeon The chronological arrangement of the text excerpts engages the readers in a direct and unbiased dialogue whereas

the introduction offers a critical evaluation from a current stance including modern theories and methods The volume makes a major contribution to our understanding of the Twelfth Night and of the traditions of Shakespearean criticism surrounding it as they have developed from century to century *The Language of Shakespeare's Plays* B. I. Evans, 2013-11-05 First published in 1952 This volume explores the function of verse in drama and the developing way in which Shakespeare controlled the rhetorical and decorative elements of speech for the dramatic purpose The Language of Shakespeare s Plays explores the plays chronologically and so covers all the outstanding problems of Shakespearian language in a way that makes reference easy without any loss of a continuing narrative The Patriarchy of Shakespeare's Comedies Marilyn L. Williamson, 1986 **Shakespeare's Comedy of A Midsummer-night's Dream** William Shakespeare, 1903

Shakespeare's Comedy of Measure for Measure William Shakespeare, 1894 **Shakespeare's Comic Rites** Edward Berry, 1984-10-18 Professor Berry combines social history anthropology and literary criticism to Shakespeare s romantic comedies **Shakespeare's Comedy of Much Ado about Nothing** William Shakespeare, 1905
