Evans, 2009-07-20 Is the world ready for nuclear Jihad? Evans, who has been working in the Middle East for the last three decades, cuts through the official lies and deceptions of the Iranian government and reveals in terrifying detail how close the radical Islamic republic is to fulfilling its nuclear ambitions. How Iran's president believes he has a divine mission to destroy Israel and cripple the United States in a nuclear holocaust and what America must do to avert this global disaster. With the Middle East poised at the brink, Showdown with Nuclear Iran provides much needed perspective on the current crisis and the dire threat that a nuclear Iran poses to the existence of Israel and global stability.
