anyone who has taken an unexpected detour only to find that new roads lead to rich destinations Heatwave John L Williams, 2025-05-08 Grippingly captures the three months that shook Britain's cultural landscape PAULINE BLACK

Scorching seething and scintillating Heatwave conjures a slow burning collage of a country on the brink I lived through those cruel months and Williams recreates them with intense skill SIMON GARFIELD An absolute joy PETE PAPHIDES Engrossing powerful goes way beyond nostalgia DAVID KYNASTON With temperatures soaring to 35°C severe water shortages and a sunburned population queuing at the standpipes the summer of 1976 was always remembered as Britain's hottest But the wave that hit the UK that year was also cultural and political with upheaval on the streets in parliament on the cricket pitch and on the radios and TV sets of a nation at a crossroads Before this blistering summer Britain seemed stuck in the post war era a country where people were all in it together as long as you were white male and straight In July Tom Robinson writes a song called Glad to be Gay and by August bank holiday Black youth are making the police run for their lives in the almighty riot at the Notting Hill Carnival But with the Labour Prime Minister Harold Wilson suddenly quitting the pound sinking and the economy tanking a restless immigrant population and increasing dissatisfaction in the old world order the weather seemed to boil up the country to the point where the lid blows off Weaving a rich tapestry of the news stories of the year with social commentary and dozens of first person interviews with those that were there at the time Williams's reappraisal of the summer of '76 is an evocative sometimes nostalgic but always an unflinching read Heatwave takes us back to relive the events of that summer and asks have we really moved on as much as we would have liked **The McGuire Brothers**

Boomer Women Anne R. Allen, 2019-06-13

The Leaders of the Twenty First Century was the original title for the manuscript that branched into three and became Food of Love The Lady of the Lakewood Diner and The Gatsby Game It s a terrible title of course because it sounds too dry and pretentious for a bunch of comedies But the phrase has excellent comic credentials It comes from Mickey Mouse himself The original Mickey Mouse Club TV program always signed off with the inspiring proclamation that the show was dedicated to you the leaders of the twenty first century When my little girlfriends and I giggled in our basement rec rooms mesmerized by the addictive new show it never occurred to us the announcer wasn t talking to us as much as to our brothers We didn t see any women leaders around us but somehow the magic of Disney was going to propel us all to new heights My best friend planned to be a doctor and I wanted to be a famous writer Or maybe princess of the world The heroines of these three novels Congresswoman Rev Cady Stanton Princess Regina of San Montinaro diner owner Dodie Hannigan Codere rock star Morgan le Fay and sporting goods CEO Nicky Conway are powerful yet vulnerable and I hope funny women who represent those Baby Boomer women who watched the Mickey Mouse Club with me Our mothers who fought WWII on the home front only to be lured out of the workplace to a life of suburban housewifery often saw our generation as entitled and self involved But as my character Dodie Hannigan said in the first version of the manuscript We re called Boomers but it wasn t us that did the booming that was our parents We just showed up nine months later and got plunked in front of those brand new TVs We were born at the dawn of the television age to become Madison Avenue s most coveted target demographic Advertising campaigns and kid centric programming made us the first generation to be given a collective identity separate from family or community And for good or ill they made us who we have become women who have demanded to be treated as equals by the other half of the human race I know it s still something of a taboo to write novels especially romantic comedies about women of a certain age but Boomer women have been breaking rules since the Mickey Mouse Club proclaimed our destiny I hope you ll enjoy their stories Anne R Allen Los Osos CA 2014
