## **Shaping Modern Liberalism Herbert Croly And Progressive Thought:**

**Shaping Modern Liberalism** Edward A. Stettner, 2021-10-08 American ideals liberty equality democracy national unity are bandied about by liberal politicians as a package deal inseparably intertwined But the words often flow together better as rhetoric than they mold together in theory But as Herbert Croly and his turn of the century contemporaries found jelling these appealing yet often conflicting concepts into a liberal philosophy was not nearly as easy as embracing them in a campaign speech In this first full length study of Herbert Croly s political theory Edward Stettner analyzes Croly s writings and examines the events experiences and people who influenced Croly s thinking In the process he reveals Croly s significant influence on modern liberalism as classical liberal theory merged with progressive philosophy Croly founder of The New Republic expounded on issues from the nationalization of railroads to the Espionage Act in his search for a middle way between socialism and capitalism Stettner illustrates how Croly s political theory influenced the editorial position of one of the leading liberal journals and how his thought in turn was modified in reaction to national and world events such as presidential elections and World War I Stettner portrays Croly as a modest and conscientious intellectual who wholeheartedly came to embrace the progressive movement and consequently helped establish the framework for modern liberalism In doing so Stettner emphasizes how Croly s philosophy evolved and how Croly was drawn to the conclusion that a strong national government and individual rights could indeed coexist if not always serenely in a democratic society

*Shaping Modern Liberalism* Edward A. Stettner, 1993 A well researched and pertinent discussion of one of American liberalism s most important exponents Choice A concise intelligent and highly readable study What is fresh and extremely valuable is the flesh that Stettner puts on the bones of the old generalization about Croly and liberalism This is a worthy addition to the literature on this important and influential American thinker American Historical Review **Herbert Croly's The Promise of American Life at Its Centenary** John Allphin Moore, 2009-05-27 As of 2005 Herbert Croly s *The Promise of American Life* first published in 1909 had gone through eleven different printings from a variety of publishing houses suggesting its enduring stature as an American classic The book had an acknowledged influence on early to mid twentieth century American politics and political thought Theodore Roosevelt read the book after he left the White House and when he decided to run for another term as president in 1912 used Croly s themes in his campaign After Willard and Dorothy Straight read the book they contacted Croly and brought him together with Walter Lippmann and Walter Weyl to edit the journal they founded in 1914 *The New Republic* In 1961 Charles Forcey announced in *The Crossroads of Liberalism* that Croly s *Promise of American Life* of 1909 has become the prevailing political faith of most Americans Following Franklin Roosevelt s Croly inspired New Deal the New Frontier and the Great Society of John Kennedy and Lyndon Johnson seemed by the 1960s to have confirmed Forcey s assessment and thus Croly s ascendant place in American politics While the rise of a notable conservative backlash to American liberalism dimmed Croly s reputation by the end of the century his book has continued to

be part of the canon often studied in college seminars and even today his name surfaces in public policy discussions This anthology analyzing The Promise at its 100th birthday presents essays by historians political scientists an economist and an international relations scholar discussing the impact of Croly s book on twentieth century America and opining on the suitability of The Promise s ideas for the twenty first century

**Statesmanship and Progressive Reform: An Assessment of Herbert Croly's Abraham Lincoln** J. Alvis, J. Jividen, 2013-08-01 A critical assessment of Herbert Croly s influential account of Abraham Lincoln in his 1909 book The Promise of American Life which argued that Progressivism was a continuation of the spirit of Lincoln s political thought This book argues for the first time that Croly s praise of Lincoln is highly problematic

**A Pragmatist's Progress?** John Pettegrew, 2000 In this volume a host of distinguished scholars examine Richard Rorty s influence on twentieth century American pragmatism and its commitment to achieving social democracy Rorty s reclaiming of the pragmatist tradition and his contribution to the discipline of intellectual history are highlighted at the same time each essay finds Rorty s pragmatism most fully enunciated in Contingency Irony and Solidarity lacking in its privatist vision of the good life This criticism is drawn out through explicit comparisons between Rorty and his grandfather Walter Rauschenbusch William James John Dewey Randolph Bourne Richard J Bernstein and other twentieth century pragmatist thinkers This volume offers the most complete historical treatment of this controversial intellectual to date

*Progressives, Pluralists, and the Problems of the State* Marc Stears, 2002-06-13 In the first three decades of the twentieth century two groups of radical political theorists one American and one British were bound together in a unique ideological relationship Pluralists Progressives and the Problems of the State provides the first comprehensive examination of the intellectual dialogue that constituted that bond Drawing on extensive original archival research and employing conceptual institutional and historical analysis the book examines the efforts of these two initially distinctive political movements to forge a single ideology capable of motivating far reaching reform in both of their countries In so doing it challenges traditional narratives emphasizing the exceptional development of American progressivism and British socialism arguing instead that the intellectual aspirations and political programmes of both were constantly shaped and reshaped by international ideological exchange Such an analysis transforms our understanding of the complex political demands of these movements and enables the works of their leading protagonists including G D H Cole Herbert Croly Harold Laski and Walter Lippmann to emerge as rich and sophisticated contributions to modern political thought

**The Lost History of Liberalism** Helena Rosenblatt, 2020-02-04 The Lost History of Liberalism challenges our most basic assumptions about a political creed that has become a rallying cry and a term of derision in today s increasingly divided public square Taking readers from ancient Rome to today Helena Rosenblatt traces the evolution of the words liberal and liberalism revealing the heated debates that have taken place over their meaning In this timely and provocative book Rosenblatt debunks the popular myth of liberalism as a uniquely Anglo American tradition centered on individual rights It was only during the Cold War and

America's growing world hegemony that liberalism was refashioned into an American ideology focused so strongly on individual freedoms

**Liberalism Versus Conservatism** François B. Gérard, 2000 Everyone eschews labels yet we all seem to possess them in the minds of legions of politicians marketers and even the ever peering government We are being targeted daily by flaming liberals left wing liberals right wing conservatives compassionate conservatives religious conservatives and liberals pinko liberals middle of the road liberals conservatives and liberals pinko liberals middle of the road liberals and conservatives and of course by neoconservatives and neoliberals The search is on for kindred souls the types who will open their wallets to support whatever it is the hucksters are peddling But what do these concepts mean and do their torchbearers grasp the underlying philosophies or do they care This bibliography lists over hundreds of entries under each category which are then indexed by title an author

**The Progressives' Century** Stephen Skowronek, Stephen M. Engel, Bruce A. Ackerman, 2016-01-01 Chapter 20 How the Progressives Became the Tea Party's Mortal Enemy Networks Movements and the Political Currency of Ideas Chapter 21 What Is to Be Done A New Progressivism for a New Century List of Contributors Index A B C D E F G H I J K L M N O P R S T U V W Y Z

**American Ideal** Paul M. Rego, 2008-01-01 This book takes Theodore Roosevelt seriously as a man of ideas a thinker who was deeply committed to addressing the problems of his generation It also is a study of TR as a leader one who used rhetoric and example to convince his fellow citizens that it was possible to reconcile the American tradition of individualism with a Progressive inspired concern for the social good

The Long Gilded Age Leon Fink, 2014-12-10 From the end of the nineteenth century through the first decades of the twentieth the United States experienced unprecedented structural change Advances in communication and manufacturing technology brought about a revolution for major industries such as railroads coal and steel The still growing nation established economic political and cultural entanglements with forces overseas Local strikes in manufacturing urban transit and construction placed labor issues front and center in political campaigns legislative corridors church pulpits and newspapers of the era The Long Gilded Age considers the interlocking roles of politics labor and internationalism in the ideologies and institutions that emerged at the turn of the twentieth century Presenting a new twist on central themes of American labor and working class history Leon Fink examines how the American conceptualization of free labor played out in iconic industrial strikes and how freedom in the workplace became overwhelmingly tilted toward individual property rights at the expense of larger community standards He investigates the legal and intellectual centers of progressive thought situating American policy actions within an international context In particular he traces the development of American socialism which appealed to a young generation by virtue of its very un-American roots and influences The Long Gilded Age offers both a transnational and comparative look at a formative era in American political development placing this tumultuous period within a worldwide confrontation between the capitalist marketplace and social transformation

Theodore Roosevelt and the American Political Tradition Jean M. Yarbrough, 2014-01-31 Rough Rider hunter trust buster president and Bull Moose

candidate Biographers have long fastened on TR as man of action while largely ignoring his political thought Now in time for the centennial of his Progressive run for the presidency Jean Yarbrough provides a searching examination of TR s political thought especially in relation to the ideas of Washington Hamilton and Lincoln the statesmen TR claimed most to admire Yarbrough sets out not only to explore Roosevelt s vision for America but also to consider what his political ideas have meant for republican self government She praises TR for his fighting spirit his love of country and efforts to promote republican greatness but faults him for departing from the political principles of the more nationalistic Founders he esteemed With the benefit of hindsight she argues that the progressive policies he came to embrace have over time undermined the very qualities Roosevelt regarded as essential to civic life In particular the social welfare policies he championed have eroded industry and self reliance the expansion of the regulatory state has multiplied the special interests seeking access to political power and the bureaucratic experts in whom he reposed such confidence have all too often turned out to be neither disinterested nor effective Yarbrough argues that TR s early historical studies inspired by Darwinian biology and Hegelian political thought treated westward expansion from an evolutionary and developmental perspective that placed race and conquest at the center of the narrative while relegating individual rights and consent of the governed to the sidelines Although his early career showed him to be a moderate Republican reformer Yarbrough argues that even then he did not share Hamilton s enthusiasm for the commercial republic and substituted an appeal to abstract duty for The Federalist s reliance on self interest As New York governor and first term president TR attempted to strike a just balance between democratic and oligarchic interests but by the end of his presidency he had tipped the balance in favor of progressive policies From the New Nationalism until his death in 1919 Roosevelt continued to claim the mantle of Washington and Lincoln even as he moved further from their political principles Through careful examination of TR s political thought Yarbrough s book sheds new light on his place in the American political tradition while enhancing our understanding of the roots of progressivism and its transformation of the founders Constitution

Whiggish International Law Christopher R. Rossi, 2019-03-25 International law s turn to history in the Americas receives invigorated refreshment with Christopher Rossi s adaptation of the insightful and inter disciplinary teachings of the English School and Cambridge contextualists to problems of hemispheric methodology and historiography Rossi sheds new light on abridgments of history and the propensity to construct and legitimize whiggish understandings of international law based on simplified tropes of liberal and postcolonial treatments of the Monroe Doctrine Central to his story is the retelling of the Monroe Doctrine by its supreme early twentieth century interlocutor Elihu Root and other like minded internationalists Rossi s revival of whiggish international law cautions against the contemporary tendency to re read history with both eyes cast on the ideological present as a justification for misperceived historical sequencing

*The Puritan Origins of American Patriotism* George McKenna, 2008-10-01 In this absorbing book George McKenna ranges across the entire panorama of American history to track the development of

American patriotism That patriotism shaped by Reformation Protestantism and imbued with the American Puritan belief in a providential errand has evolved over 350 years and influenced American political culture in both positive and negative ways McKenna shows The germ of the patriotism an activist theology that stressed collective rather than individual salvation began in the late 1630s in New England and traveled across the continent eventually becoming a national phenomenon Today American patriotism still reflects its origins in the seventeenth century By encouraging cohesion in a nation of diverse peoples and inspiring social reform American patriotism has sometimes been a force for good But the book also uncovers a darker side of the nation s patriotism a prejudice against the South in the nineteenth century for example and a tendency toward nativism and anti Catholicism Ironically a great reversal has occurred and today the most fervent believers in the Puritan narrative are the former outsiders Catholics and Southerners McKenna offers an interesting new perspective on patriotism s role throughout American history and he concludes with trenchant thoughts on its role in the post 9 11 era

**Handbook of Organization Theory and Management** Thomas D. Lynch, Peter L. Cruise, 2005-11-01 Few subjects are more influenced by philosophy than the form of governance that guides and administers public affairs yet much of the literature about public administration remains silent about this connection **Handbook of Organization Theory and Management The Philosophical Approach** Second Edition identifies and discusses many of the mos **Sacred Discourse and American Nationality** Eldon J. Eisenach, 2012-07-16 In the current political climate it is impossible not to speculate about the correlation between American national identity and religious beliefs **Sacred Discourse and American Nationality** analyzes the role of religious rhetoric and politics Eldon J Eisenach explores this relationship along with the interrelationship of political theory political ideology and political change in the story of American political life By addressing sacred stories and American Progressivism **Sacred Discourse and American Nationality** provides historical and current views on American national identity This is the perfect book for scholars and students interested in American political development

*Encyclopedia of U.S. Political History* Andrew Robertson, Michael A. Morrison, William G. Shade, Robert Johnston, Robert Zieger, Thomas Langston, Richard Valelly, 2010-04-01 Unparalleled coverage of U S political development through a unique chronological framework *Encyclopedia of U S Political History* explores the events policies activities institutions groups people and movements that have created and shaped political life in the United States With contributions from scholars in the fields of history and political science this seven volume set provides students researchers and scholars the opportunity to examine the political evolution of the United States from the 1500s to the present day With greater coverage than any other resource the *Encyclopedia of U S Political History* identifies and illuminates patterns and interrelations that will expand the reader s understanding of American political institutions culture behavior and change Focusing on both government and history the *Encyclopedia* brings exceptional breadth and depth to the topic with more than 100 essays for each of the critical time periods covered With each volume covering one of seven time periods that correspond to key eras in American history

**The West** Georgios Varouxakis, 2025-07-08 A comprehensive intellectual history of the idea of the West How did

the West come to be used as a collective self designation signaling political and cultural commonality When did Westerners begin to refer to themselves in this way Was the idea handed down from the ancient Greeks or coined by nineteenth century imperialists Neither writes Georgios Varouxakis in *The West* his ambitious and fascinating genealogy of the idea The West was not used by Plato Cicero Locke Mill or other canonized figures of what we today call the Western tradition It was not first wielded by empire builders It gradually emerged as of the 1820s and was then Varouxakis shows decisively promoted in the 1840s by the French philosopher Auguste Comte whose political project incidentally was passionately anti imperialist The need for the use of the term the West emerged to avoid the confusing or unwanted consequences of the use of Europe The two overlapped but were not identical with the West used to differentiate from certain others within Europe as well as to include the Americas After examining the origins Varouxakis traces the many and often astonishingly surprising changes in the ways in which the West has been understood and the different intentions and consequences related to a series of these contested definitions While other theories of the West consider only particular aspects of the concept and its history if only in order to take aim at its reputation Varouxakis s analysis offers a comprehensive account that reaches to the present day exploring the multiplicity of current and not least prospective future meanings He concludes with an examination of how since 2022 definitions and membership of the West have been reworked to consider Ukraine as the evolution and redefinitions continue

**Demanding Democracy** Marc Stears, 2013-03-03 What today s political thinkers can learn from the radical democratic movements of twentieth century America This is a major work of history and political theory that traces radical democratic thought in America across the twentieth century seeking to recover ideas that could reenergize democratic activism today The question of how citizens should behave as they struggle to create a more democratic society has haunted the United States throughout its history Should citizens restrict themselves to patient persuasion or take to the streets and seek to impose change Marc Stears argues that anyone who continues to wrestle with these questions could learn from the radical democratic tradition that was forged in the twentieth century by political activists including progressives trade unionists civil rights campaigners and members of the student New Left These activists and their movements insisted that American campaigners for democratic change should be free to strike out in whatever ways they thought necessary so long as their actions enhanced the political virtues of citizens and contributed to the eventual triumph of the democratic cause Reevaluating the moral and strategic arguments and the triumphs and excesses of this radical democratic tradition Stears contends that it still offers a compelling account of citizen behavior one that is fairer more inclusive and more truly democratic than those advanced by political theorists today

The Top Books of the Year Shaping Modern Liberalism Herbert Croly And Progressive Thought The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

### **Shaping Modern Liberalism Herbert Croly And Progressive Thought Introduction**

In today's digital age, the availability of Shaping Modern Liberalism Herbert Croly And Progressive Thought books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Shaping Modern Liberalism Herbert Croly And Progressive Thought books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Shaping Modern Liberalism Herbert Croly And Progressive Thought books and manuals

for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Shaping Modern Liberalism Herbert Croly And Progressive Thought versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Shaping Modern Liberalism Herbert Croly And Progressive Thought books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Shaping Modern Liberalism Herbert Croly And Progressive Thought books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Shaping Modern Liberalism Herbert Croly And Progressive Thought books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Shaping Modern Liberalism Herbert Croly And Progressive Thought books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and

self-improvement. So why not take advantage of the vast world of Shaping Modern Liberalism Herbert Croly And Progressive Thought books and manuals for download and embark on your journey of knowledge?

### **FAQs About Shaping Modern Liberalism Herbert Croly And Progressive Thought Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Shaping Modern Liberalism Herbert Croly And Progressive Thought is one of the best book in our library for free trial. We provide copy of Shaping Modern Liberalism Herbert Croly And Progressive Thought in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Shaping Modern Liberalism Herbert Croly And Progressive Thought. Where to download Shaping Modern Liberalism Herbert Croly And Progressive Thought online for free? Are you looking for Shaping Modern Liberalism Herbert Croly And Progressive Thought PDF? This is definitely going to save you time and cash in something you should think about.
