Bring out the best in your teenage son. You know that you need to be involved in your son's life. But just being there physically isn't enough. Parents who enjoy the most success in raising teen boys are present in dramatic, colorful ways. *Teenage Boys* will help you discover how you can develop a clear, doable plan that will significantly impact your teen's life and your own. Every Man's a Mentor Sam Mehaffie, 2005-09 According to Mehaffie, boys need mentors, role models guiding them on their journey to manhood. Through life experiences and practical advice, the author challenges and motivates men to become godly mentors. Christian Religion. [Prayer Changes Teens](#) Janet Holm McHenry, 2011-01-05 Give control back to God and get back to what you enjoy most: loving your teen. Parenting teenagers isn't easy. No matter how much we love our kids and want to protect them, we cannot control them or their circumstances. But God is in control, and particularly when we trust him, he can take care of our kids far better than we ever could. So what else can we do? We can pray. In fact, prayer should be our first response because prayer is the most powerful tool at a parent's disposal. That is what this book is about: releasing our teens to God's control, learning to pray specifically and with confidence for their every need, and recovering the sense of humor that will help us face the situations that now cause us so much stress. This book includes lighthearted stories designed to help take the edge off of parenting your teenager, valuable insights on more than twenty areas of conflict you are likely to experience with your teen, from language grades and clothing to drugs, drinking, and smoking; specific prayer strategies to help you make a difference in your teen's life; perspectives on the hot issues from real teens; what the Bible has to say on each subject; tips from parenting experts; specific prayers to get you started; discussion starters to help open up dialogue with your teen. Whether parents have never prayed for their teens, have prayed sporadically, or have prayed every day, now is the time to pray even more and in whole new ways. *Prayer Changes Teens* will show them how. **21 Life Lessons For Teenage Boys** Ali Welch, 2023-12-10 Navigating Boyhood to Manhood: A Guide for the Teen Years. Man Up Cynthia Miller-Idriss, 2025-09-16 The revelatory and urgent story of how an explosion of misogyny is driving a surge of mass and far-right violence throughout the West from an internationally recognized extremism expert and media commentator What two things do most mass shooters terrorists or violent extremists have in common Most of us know the first they are almost always men or boys But the second They are almost always virulent misogynists homophobes or transphobes even if they are also motivated by racism antisemitism or xenophobia The antigovernment militiamen charged with plotting to kidnap and execute Michigan governor Gretchen Whitmer used language saturated with misogyny with one telling an FBI informant Just grab the bitch The men

who killed scores at Virginia Tech the Pulse nightclub and a Maryland newsroom all had prior reports of stalking domestic violence or harassment of women And in dozens of other incidents from North America to Norway to New Zealand an increasing number of misogynist incel involuntary celibate and male supremacist attackers have explicitly targeted and killed women blaming feminism or sexual frustration with women as motivation for their attacks Yet despite all evidence the bright red thread of misogyny running through these attacks is barely acknowledged by the media or even experts and this failing leaves us powerless to stop the violence In Man Up Cynthia Miller Idriss a leading expert on extremism addresses this crucial oversight head on revealing how an epidemic of misogyny both online and off and a patriarchal backlash are driving an exponential rise in mass and far right violence She also offers essential strategies that all of us including parents teachers and counselors can use to fight the rising tide of violence beginning with recognizing the misogyny that pervades our everyday lives
