**Shaping the Superman** J. A. Mangan, 1999      Shaping the Superman J A Mangan, 2014-02-04 This is a study of masculinity as a metaphor and especially of the muscular male body as a moral symbol It explores the Nazi s preoccupation with the male body as an icon of political power and the ideology and theories which propelled it      Yoga Body Mark Singleton, 2010-02-25 Most people assume that postural yoga is an ancient Indian tradition But in fact as Singleton shows this type of yoga is quite a recent development Singleton presents a study of the origins of postural yoga challenging many current notions about its nature and origins      **Sport in South Asian Society** Boria Majumdar, J A Mangan, 2013-09-13 A detailed study of sports arrival spread and advance in colonial and post colonial South Asia A selection of articles addresses critical issues of nationalism communalism commercialism and gender through the lens of sport This book makes the point that the social histories of South Asian sport cannot be understood by simply looking at the history of the game in one province or region Furthermore it demonstrates that it would be wrong to understand sport in terms of the exigencies of the colonial state Drawing inspiration from C L R James well known epigram What do they know of cricket who only cricket know the findings suggest that South Asian sport makes sense only when it is placed within the broader colonial and post colonial context The book demonstrates that sport not only influences politics and vice versa but that the two are inseparable Sport is not only political it is politics intrigue culture and art To deny this is to denigrate the position of sport in modern South Asian society This volume was previously published as a special issue of The International Journal of the History of Sport      **Sport, Media, Culture** ALINA BERNSTEIN, Neil Blain, 2012-12-06 An examination of the central features of the sport media phenomenon focusing on Europe and the USA The book analyses such issues as new media technology gender ethnicity and local dimensions of collective identity women in American basketball advertising and cult football radio in Scotland      *Law and Sport in Contemporary Society* Steven Greenfield, Guy Osborn, 2013-05-13 As the commercialization of sport grows the need for proper regulation increases In legal terms sport is part of the entertainment and media industries which are subject to rapid change This work brings together experts in many fields to analyze these changes and to discuss the implications of issues such as the B Sky B Manchester United case civil and criminal actions on the playing field the Bosman ruling drugs in sport the legality of boxing and the validity of decisions made by governing bodies This collection should appeal to students of both sports history and sports sociology      *The Tour De France, 1903-2003* Hugh Dauncey, Geoff Hare, 2004-08-02 This book analyses the Tour de France over its long history both as France s most prestigious and famous sporting event and as a European and increasingly a world cycling competition This study provides interdisciplinary and varied perspectives on the sporting cultural social economic and political significance of the Tour within and outside France giving a comprehensive and authoritative investigation of up to the minute thinking on what the Tour means now and in the past to competitors to France to the French public to the cultural history of sport and the sport of cycling itself      **The Tour de France 1903-2002** , 2003

**Freeing the Female Body** Fan Hong, 2013-01-11 This collection records the bravery of these forgotten inspirational figures whose determination challenged and overcame convention custom and prejudice to free women from the ranks of the sexualized controlled and oppressed Militarism, Sport, Europe J A Mangan, 2004-08-02 This collection explores the relationship between sport and war **Gender, Sport, Science** J. A. Mangan, Patricia Vertinsky, 2013-10-18 Roberta J Park has been throughout her distinguished career a scholar with a mission to win academic recognition of the significance of the body in culture and cultures Her scholarship has earned her global esteem in the disciplines of Physical Education and Sports Studies for its penetrating insights This selection of her writings is a well deserved tribute to her interpretive originality her intellectual acuity and her ability to inspire colleagues and students To explore unexplored patterns has been her extraordinary strength The result has been continual originality of insight These writings are thus a unique compilation of scholastic creativity of major interest to scholars and students in Sports Studies Physical Education Health Studies Sociology and Social Psychology This book was published as a special issue of the International Journal of the History of Sport

**Routledge Handbook of Sport History** Murray G. Phillips, Douglas Booth, Carly Adams, 2021-09-19 The Routledge Handbook of Sport History is a new and innovative survey of the discipline of sport history Global in scope it examines the key contemporary issues in sports historiography sheds light on previously ignored topics and sets an intellectual agenda for the future development of the discipline The book explores both traditional and non traditional methodologies in sport history and traces the interface between sport history and other fields of research such as literature material culture and the digital humanities It considers the importance of key issues such as gender race sexuality and politics to our understanding of sport history and focuses on innovative ways that the scholarship around these issues is challenging accepted discourses This is the first handbook to include a full section on Indigenous sport history a topic that has often been ignored in sport history surveys despite its powerful upstream influence on contemporary sport The book also reflects carefully on the central importance of sport history journals in shaping the development of the discipline This book is an essential reference for any student researcher or scholar with an interest in sport history or the relationship between sport and society It will also be fascinating reading for any historians looking for fresh perspectives on contemporary historiography or social and cultural history The Games Ethic and Imperialism J.A. Mangan, 2013-11-05 This is more than a description of the imperial spread of public school games it considers hegemony and patronage ideals and idealism educational values and aspirations cultural assimilation and adaptation and the dissemination of the moralistic ideology of athleticism Contemporary Far-Right Thinkers and the Future of Liberal Democracy A. James McAdams, Alejandro Castrillon, 2021-09-27 This book is the first systematic analysis of the efforts of a broad range of contemporary far right thinkers to popularize their critiques of liberal democratic norms and institutions and make their ideas the subjects of sustained political and academic debate The book focuses on outspoken thinkers in western and eastern Europe Russia the United States Canada and Australia They include

Alain de Benoist Guillaume Faye Gtz Kubitschek Pat Buchanan Fr i Midjord Jason Jorjani contributors to the online magazine Quillette and the elusive personality known as the Bronze Age Pervert The book explores the diverse intellectual foundations of these thinkers positions the similarities and differences in their ideas and their prospects for influencing attitudes about democratic politics within their respective countries It examines diverse movements and schools of thought including the European New Right Paleoconservatism the Alt right Identitarianism White nationalism and antifeminism Providing a much needed global perspective this book will be of considerable interest to students and scholars of populism right wing extremism identity politics fascism racism and conservatism      Soccer, Women, Sexual Liberation Fan Hong,J.A. Mangan,2004-11-23 This is the first in depth global study of women s football across the world This collection considers women s football in fifteen countries worldwide in a global context and analyzes its progress challenges and problems it has faced It shows how women s football has made a significant contribution to the emancipation of women s football in many countries It also traces the evolution of women s football in face of resistance rejection and prejudice and describes women footballer s struggle for equal rights in a male dominated football world      **Africa, Football and FIFA** Paul Darby,2013-10-08 This book explores the role of FIFA in brokering the development of football in Africa and its relationship with that continent s football associations and regional governing body Africa is no longer on the periphery of world football but the economic disparities between the first and the third worlds hinder the development of the game The author shows convincingly how Africa s advance within world football is tied to its national political economy and how the balance of power within FIFA still clearly favours its European members      *Terrace Heroes* Graham Kelly,2005 This original book examines 1930s football in England in its social economic and political context by focusing on ten of the top players of the era It sheds light on the decade that saw players taking on a public persona as terrace heroes      **Sporting Nationalisms** Mike Cronin,David Mayall,2005-07-08 This volume examines the ways in which sport shapes the experiences of various immigrant and minority groups and in particular looks at the relationship between sport ethnic identity and ethnic relations The articles in this volume are concerned primarily with British American and Australian sporting traditions and the themes covered include the consolidation of ethnic identity in host societies through participation immigrant sports and exclusive sporting organizations assimilation into host societies through participation in indigenous national sports and the construction by outsiders of separate ethnic identities according to sporting criteria      **Football, Europe and the Press** Liz Crolley,David Hand,2013-10-18 This book examines the construction of national regional and group identities in the football journalism of five European countries England France Germany Italy and Spain Notions of the respective national stereotypes are explored in each of the countries studied      Serious Sport Scott A. G. M. Crawford,2004 With essays covering all aspects of sports history this volume is a tribute to the scholarship of Professor Tony Mangan Regarded by many as a pioneer and mentor Professor Mangan s foundational work has sustained the field for decades
