

Sharing Parenthood

Anne Lise Ellingsæter, Arnlaug Leira

Sharing Parenthood:

Sharing Child Care in Early Parenthood Malcolm Hill, 2023-02-13 Originally published in 1987 Malcolm Hill examines the different ways in which parents share responsibility for looking after their pre school children with other people whether members of their social networks formal groups or paid carers He also looks at the reasons parents give for choosing and changing their particular arrangements In this way he provides insights into a range of ideas which ordinary members of the public have about children s needs the rights and responsibilities of mothers and fathers and how children think and feel Marked differences are described in the social relationships of families and in notions about who is acceptable as a substitute carer for children in what circumstances and for what purpose Several of these contrasts are linked to attitudes and life conditions which are affected by social class The book identifies possible consequences for individual children s social adaptability resulting from these patterns of care It suggests that people working with the under fives could profit from adapting their activities and services to children s previous experiences of shared care and families differing expectations about groups for children Sharing Parenthood After Divorce Ciji Ware, 1982

Shared Parenting: Beyond the Great Divide Frank Leek, 2012-06 It is a challenge for parents to raise children in one home even when everyone is getting along After a divorce when all the mediators attorneys evaluators and judges have moved on to other families parents are left with the most difficult task of all moving past their own conflicts and learning to raise their child in two homes Divorced parents often begin with the best of intentions seeking to protect their children from hurt even so they often feel overwhelmed with the seemingly complex array of tasks and decisions that must be made after the dissolution of a marriage Dr Frank Leek is an experienced clinical and forensic psychologist Now retired who relies on his years of experience working with divorcing and divorced parents to offer parents twenty essential co parenting tasks that encourage joint decisions conflict reduction and a focus on the well being of children While guiding parents through a process that often tests emotion and patience Leek shares practical advice that helps parents effectively deal with the initial transition and the often complicated issues that follow The insight offered in Shared Parenting Beyond the Great Divide leads divorcing parents on a healing journey where they learn to communicate effectively share parenting responsibilities and find workable systems that encourage a peaceful future for everyone

Equally Shared Parenting Marc Vachon, Amy Vachon, 2010-01-05 This Is Parenting on Your Own Terms Chances are you d rather not forfeit your happy rested life the moment you become a parent As a mom you may want to keep your career but aren t sure how to balance it with housework and childcare As a dad you probably want to witness your child s milestones but a demanding job may get in the way And what about time for yourself never mind your sex life Marc and Amy Vachon were determined to beat this scenario when their first child was born They vowed to sidestep the world s expectations of new parents and create a parenthood model that worked for them Their strategy was to share everything the good and the bad They became peers in each area of parenthood childcare housework and breadwinning They

also made time for themselves and for each other They shared the burdens so nobody was overwhelmed and the joys so neither missed out on the fun Drawing on Marc and Amy s experiences as well as those of dozens of ESP couples Equally Shared Parenting shows you how to create a balanced life that is rarely experienced by today s parents It s not just about who vacuums and who does the dishes or who brings in the paycheck and who tends to the kids You ll learn how to look at every aspect of parenthood money careers and your individual needs so you can build a life that works for you both

Family Law and the Indissolubility of Parenthood Patrick Parkinson,2011-02-21 There are few areas of public policy in the Western world where there is as much turbulence as in family law Often the disputes are seen in terms of an endless war between the genders Reviewing developments over the last 30 years in North America Europe and Australasia Patrick Parkinson argues that rather than just being about gender the conflicts in family law derive from the breakdown of the model on which divorce reform was predicated in the late 1960s and early 1970s Experience has shown that although marriage may be freely dissoluble parenthood is not Dealing with the most difficult issues in family law this book charts a path for law reform that recognizes that the family endures despite the separation of parents while allowing room for people to make a fresh start and prioritizing the safety of all concerned when making decisions about parenting after separation

Politicising Parenthood in Scandinavia Anne Lise Ellingsæter,Arnlaug Leira,2006-06-07 Talks about the politicising of parenthood in the Scandinavian welfare states This book focuses on the relationship between parents and the state and the renegotiations between the public and the private It explores policy discourses scrutinises outcomes and presents the similarities and differences between Nordic countries

The Routledge International Handbook of Shared Parenting and Best Interest of the Child José Manuel de Torres Perea,Edward Kruk,Margarita Ortiz-Tallo,2021-05-26 This multidisciplinary volume offers an essential comprehensive study of perspectives on the scope and application of the best interests of the child and focuses mainly on its application in relation to child custody With expert contributions from psychological sociological and legal perspectives it offers scientific analysis and debate on whether it should be the primary consideration in deciding child custody cases in cases of divorce or separation or whether it should be one of several primary considerations It explores complex dilemmas inherent in shared parenting and whether the advantages it offers children are sufficient when compared to attributing custody to one parent and limiting visitation rights of the other Offering a comprehensive analysis of this complex topic chapters provide detailed insight into the current state of research in this area as well as expert guidelines aimed at resolving the controversies when parents agree or disagree over their children s living arrangements Cutting edge topics explored include transnational shared parenting alternative dispute resolution breastfeeding parents religious disputes between parents and the psychological social and economic factors that affect shared parenting The Routledge International Handbook of Shared Parenting and Best Interest of the Child will be essential reading for scholars and graduate students in law psychology sociology and economics interested in shared parenting and

family law **Family Law** Rob George, Joanna Miles, Sharon Thompson, 2023-07-13 An unrivalled collection placing key judgments and expert commentary at your fingertips Family Law Text Cases and Materials presents everything the undergraduate student needs in one volume The authors offer a detailed and authoritative exposition of family law illustrated by materials carefully selected from a wide range of sources Key features Combines a wide range of cases and materials with insightful explanation commentary and analysis creating a complete resource for students of family law Features authoritative author commentary which engages with a range of theoretical and critical perspectives Accompanying online resources provide regular updates on recent developments in family law further reading suggestions questions and additional legal coverage Also available as an e book with functionality navigation features and links that offer extra learning support New to this edition Developments including the Domestic Abuse Act 2021 Divorce Dissolution and Separation Act 2020 and the advent of mixed sex civil partnership Consideration of the Law Commission's proposed reform of weddings law particularly in relation to non qualifying ceremonies A revised analysis of the Gillick competence and children's autonomy rights in light of recent case law Updated case law including HM Attorney General v Akhter and Khan 2020 Guest v Guest 2022 Bell v Tavistock and Portman NHS Trust 2021 and Re H W Care Proceedings 2022 Digital formats and resources The fifth edition is available for students and institutions to purchase in a variety of formats and is supported by online resources The e book offers a mobile experience and convenient access along with functionality tools navigation features and links that offer extra learning support www.oxfordtextbooks.co.uk/ebooks The online resources that support the book include regular updates on the law further reading suggestions and questions for students to consider **Infants, Children, and Adolescents** Laura E. Berk, 2022-07-26 A best selling chronologically organized child development text Laura E Berk's Infants Children and Adolescents takes an integrated approach to presenting development in the physical cognitive emotional and social domains emphasizing the complex interchanges between heredity and environment providing exceptional multicultural and cross cultural focus and offering research based practical applications that students can relate to their personal and professional lives **Infants and Children** Laura E. Berk, 2022-07-26 In the Ninth Edition of Infants and Children Prenatal Through Middle Childhood renowned professor researcher and author Laura E Berk takes an integrated approach to presenting development in the physical cognitive emotional and social domains emphasizing the complex interchanges between heredity and environment providing exceptional multicultural and cross cultural focus and offering research based practical applications that students can relate to their personal and professional lives **Reshaping Fatherhood** Anna Dienhart, 1998-05-27 Current research on fatherhood often focuses on minimal changes men have made in their participation in family life Anna Dienhart argues that men have indeed made significant changes to their family roles but those changes are often masked in existing discourses on fatherhood In Reshaping Fatherhood Dienhart's qualitative study of 18 shared parenting couples explores both men's and women's resourcefulness and shows how these couples have

deliberately co created alternatives to traditional parenting roles Using these narrative accounts Dienhart offers several options for creating a family structure that allows both mothers and fathers to participate actively in parenting Dienhart emphasizes that tag team parenting a common technique that couples use to juggle the responsibilities of a hectic family life relies on both the interchangeability of parental tasks as well as the specialization by preference Dienhart compares shared parenting to a dance that demands continuous revision of the perceptions and activities of fatherhood and motherhood She challenges family researchers to move beyond deficit and comparative model perspectives about the complexities of gendered family life as she offers alternative ideas about division of labor patterns men s relational capabilities in child care the preeminence of men s provider role and traditional notions about gender and politics in families This timely book is ideal for professionals and students in family studies sociology of the family family psychology and gender studies **Lone**

Parenthood in the Life Course Laura Bernardi,Dimitri Mortelmans,2017-11-08 Lone parenthood is an increasing reality in the 21st century reinforced by the diffusion of divorce and separation This volume provides a comprehensive portrait of lone parenthood at the beginning of the XXI century from a life course perspective The contributions included in this volume examine the dynamics of lone parenthood in the life course and explore the trajectories of lone parents in terms of income poverty labour market behaviour wellbeing and health Throughout comparative analyses of data from countries as France the United Kingdom Ireland Germany Belgium Sweden Switzerland Hungary and Australia help portray how lone parenthood varies between regions cultures generations and institutional settings The findings show that one parent households are inhabited by a rather heterogeneous world of mothers and fathers facing different challenges Readers will not only discover the demographics and diversity of lone parents but also the variety of social representations and discourses about the changing phenomenon of lone parenthood The book provides a mixture of qualitative and quantitative studies on lone parenthood Using large scale and longitudinal panel and register data the reader will gain insight in complex processes across time More qualitative case studies on the other hand discuss the definition of lone parenthood the public debate around it and the social and subjective representations of lone parents themselves This book aims at sociologists demographers psychologists political scientists family therapists and policy makers who want to gain new insights into one of the most striking changes in family forms over the last 50 years This book is open access under a CC BY License **Mom 101: Navigating Motherhood with Confidence and Joy** Kirsty Izatt-Lewis, Embarking on the journey of motherhood is a profound and transformative experience but it can also be overwhelming Mom 101 Navigating Motherhood with Confidence and Joy is your comprehensive guide to navigating the ups and downs of motherhood with confidence and grace From pregnancy and childbirth to newborn care infant development and beyond this book covers everything you need to know as a new mother With practical advice expert tips and heartfelt insights you ll learn how to embrace your new role with confidence and joy Whether you re a first time mom or adding to your family Mom 101 is your essential companion for the

incredible journey of motherhood

Mothers Across Generations: Examining Evolving Roles in Different Family Dynamics Loren Wagner, Delving into the intricate dynamics of modern families Mothers Across Generations explores the shifting roles and responsibilities of mothers in diverse family structures From multigenerational households to families with adult children living at home this thought provoking book offers insights into the challenges and joys faced by mothers in these differing contexts Through a combination of real life stories expert interviews and comprehensive research readers will gain a deeper understanding of the complex evolution of motherhood With a keen focus on the ways in which societal norms and expectations have influenced the role of mothers the book examines the cultural and historical factors shaping family dynamics Readers will discover how mothers navigate the delicate balance of traditional and modern expectations and how they find strength in the face of changing family dynamics The book also delves into the emotional labor involved in caregiving and the ways in which mothers provide support and nurture not only their immediate family but also future generations As the roles of mothers continue to evolve Mothers Across Generations sheds light on the ways in which mothers adapt and thrive in diverse family structures The book acknowledges the unique challenges faced by mothers in multigenerational families and families with adult children while also celebrating the resilience and resourcefulness of mothers in these contexts Through a nuanced exploration of motherhood this book offers valuable insights for women navigating the complexities of family life
