Shark Down Under Alan Sharpe, 1976      *Shark Down Under* Alan Sharpe, Kingsclear Books, 1976      *See Australia and Die: Tales of Misadventure Down Under* Wendy Lewis, 2007 Real life stories of misadventure accidental death and murder in Australia mostly in the outback mostly with the natural forces such as sharks spiders dingoes etc Provided by publisher

Killers in the Water - The New Super Sharks Terrorising The World's Oceans Sue Blackhall, 2012-07-27 Sharks are intriguing and beautiful creatures but they can also be deadly As we humans have explored the world's oceans and exploited them for tourism and recreation we have found ourselves coming into contact with more and more sharks And the outcome can be fatal From the Seychelles to South Africa and Australia to North America tourists divers and surfers have seemingly found themselves under increased threat from unprovoked shark attacks Fatal attacks have occurred in locations that were previously thought to be safe and in late 2010 the Egyptian resort of Sharm el Sheikh was rocked by an incredible five shark attacks in a matter of weeks But are sharks really ruthless vicious killers or are they simply reacting to humans invading their habitat Has the number of shark attacks increased in recent years What can be done to prevent shark attacks All these questions and more are answered in this fascinating book      **The Mammoth Book of The Deep** Jon E. Lewis, 2011-08-04 Dive in Death is only a breath away Encounter great white sharks the stricken Kursk submarine gold salvagers sponge divers giant squid the wreck of the Titanic Navy frogmen and bathyscopes in record breaking descents in *The Mammoth Book of the Deep* These riveting accounts range from the Red Sea to the South Pacific from the North Atlantic to the Caribbean and include contributions by names such as Jacques Cousteau Hans Hass Peter Benchley and Tim Neutrall Buoyancy Ecott Includes Goldfinder Keith Jessop salvaging the gold cargo from HMS Edinburgh Black Water Don Camsell an SBS training operation aboard a mini sub goes tragically wrong off the coast of Scotland A Time to Die Robert Moore the operation to rescue the trapped submariners of the Kursk Discovering the Titanic Robert Ballard the world's foremost wreck hunter on the world's greatest wreck Descent William Beebe the record breaking descent in a bathysphere off Bermuda 1934 World Without Sun Jacques Cousteau the famous experiment in living for a month on the sea bed      **Recorded Shark Attacks in Australian Waters** Jack K. Green, 1976      *Sand In Our Souls* Leone Huntsman, 2013-05-09 Images of the beach pervade Australian popular culture However the deeper significance of the experience of the beach and its influence on Australian culture generally have not yet been seriously explored How why and when did the beach become part of the Australian way of life In *Sand in our Souls* Leone Huntsman describes the forces and pressures that encouraged or impeded Australians enjoyment of sand and surf from early enjoyment of bathing through nearly a century of repressive restrictions to freedom won in the face of drawn out opposition The ways in which artists writers film makers and the advertising industry have depicted the beach are examined for the light they throw on the beach's significance She traces the development of a distinctively Australian way of being at the beach suggesting that the beach experience has been absorbed into our emerging

culture and continues to shape it in subtle ways Huntsman s provocative arguments will stimulate debate on the concept of national identity appropriate for a new Australian century and promote a deeper understanding of an aspect of life in Australia that is cherished by many of those who live here      **National Geographic Traveler: Australia** Roff Martin Smith,Rolf Smith,2008 A popular series of guidebooks for the modern day traveler offering information on cities and countries around the world continues presenting up to date backgrounds and descriptions detailed maps hundreds of photographs and much more including walking and driving tours visitor information directories and cultural sidebars

**The Martians Have Landed!** Robert E. Bartholomew,Benjamin Radford,2011-11-08 History is replete with examples of media created scares and panics This book presents more than three dozen studies of media scares from the 17th century to the 21st century including hoaxes perpetrated via newspapers radio television and cyberspace From the 1835 batmen on the Moon hoax to more recent bird flu scares and Hurricane Katrina myths this book explores hoaxes that highlight the impact of the media on our lives and its tendency to sensationalize Most of the hoaxes covered occurred in the United States though incidents from Europe Asia Africa South America and Australia are featured as well Several are global in scope revealing the power global media wields      *Digging It Up Down Under* Claire Smith,Heather Burke,2007-03-14 This field manual provides essential background information for those interested in undertaking archaeology in Australia Professional archaeologists provide their personal tips for working in each state and territory dealing with a living heritage working with Aboriginal peoples and coping with Australian conditions Grounded in the social political and ethical issues that inform Australian archaeology today this book is also packed with practical advice

**The Mammoth Book of Shark Attacks** Alex MacCormick,2013-11-07 The biggest ever selection of first hand accounts and news reports of shark attacks both recent and historical shows how sharks are masters of the ocean and how we enter their domain at our own risk Think you re safe in the Med Read about the Great Whites that thrive near holiday beaches Think you re safe in large groups Read about the sinking of the USS Indianapolis in 1945 when hundreds of sailors floated for days in shark infested waters being picked off one by one Think you re safe at home Read about the 69 year old man taking his regular evening swim jumping off his backyard dock straight into the mouth of a bull shark Many more extraordinary and gruesome accounts including the shark boat skipper who slit open the belly of a 360 kg tiger shark only to have a human head pelvis and arm come tumbling out provide horrific and moving tales of shark encounters The courage of survivors and those who have risked their lives to save shark attack victims is truly inspirational Where can you find sharks Features on different shark species with illustrations fact boxes and maps show where they lurk around the world Also included are a selection of full colour photographs and special sections on the life cycle of a shark how to avoid a shark attack and how to survive one      **Great White Sharks of Australia** Ryan Stokes,2018-11-28 Have you ever wondered where white sharks go What do they eat Why do they attack About their design and how they behave Well look no further than this book Distilled findings from the most current scientific

literature this book will give you your answers Supplemented with over 100 illustrations photos and diagrams The Great White Sharks of Australia is the all round guide to white sharks providing a comprehensive and up to date map of where white sharks abound in Australian waters as well as exploring topics such as diet biology history and behaviour as well as fascinating anecdotes **Sharks: A History of Fear in Australia** Callum Denness,2019-09-24 For as long as people have lived in Australia the shark has loomed large in our fears From the Noongar people of Western Australia who stayed out of the water for fear of being taken to media hysteria about attacks and even sightings today sharks occupy the dark recesses of our national psyche unlike any other predator They challenge the very sense of ourselves as Australians a people who hug the coastline and love the freedom of the surf And the dispute between whether to kill or protect sharks cuts to the political core of our nation yet another divide between the right and the left There is no denying that shark attacks have been increasing in recent years and so have our fears Where do we go from here How worried should we be Journalist Callum Denness deep dives into the history of our relationship with sharks and circles our fear by talking to activists marine biologists politicians surfers survivors and those who ve lost loved ones Compelling and challenging this is the clearest picture yet of whether or not we can co exist with sharks Don t get back into the water until you read Sharks A History of Fear in Australia

*Epidemiology of Injury in Adventure and Extreme Sports* T. W. Heggie,D. J. Caine,2013-07-01 This book reviews the existing data on the frequency and distribution of injuries and the factors contributing to injuries in adventure and extreme sports Further it suggests injury prevention strategies and provides recommendations for future research Providing the first comprehensive compilation of epidemiological data over a range of new age sports considered to be adventurous and extreme this publication is also the first of its kind to track down all of the major literature associated with the topic A uniform and evidence based approach to organizing and interpreting the literature is used in all chapters All of the sport specific chapters are laid out with the same basic headings making it easier for the reader to find common information across chapters Sports physicians physical therapists recreation managers researchers injury prevention specialists the adventure and extreme sport industry and the adventure and extreme sport participants themselves will find the book useful in identifying problem areas in which appropriate preventive measures can be initiated to reduce the risk and severity of injuries They will also want to use the book as a source for future research related to injuries in adventure and extreme sports **White Shark** Michael Bright,2025-07-29 An adult great white is a big shark really big It has been responsible for more shark bites and human deaths than any other species according to the International Shark Attack File This is probably because it sees us as aberrant marine mammals flailing about in the water and certainly worth an exploratory bite but a gentle mouthing from a two tonne white shark its jaws filled with row upon row of razor sharp teeth could result in a severe mauling for any victim unlucky enough to have attracted its attention Though its danger was well known to ancient mariners it was not until the mid 1970s that it came to occupy its current place in the popular imagination when Jaws was unleashed

on an unsuspecting public The great white shark s reputation hit rock bottom in the wake of the Spielberg classic But during the fifty years since the film s first release public interest in the species has sparked a renaissance in research producing remarkable new insights into the life of this extraordinary animal Telling the story of the great white shark from the perspectives of history psychology and biology White Shark is nothing less than the biography of the world s most fascinating fish
