Nebraska History Addison Erwin Sheldon, James Lee Sellers, James C. Olson, 2005 [Sisters in Arms](#) Helena Page Schrader, 2006-05-30 During World War II a few carefully selected women in the US and the UK were briefly given the unprecedented opportunity to fly military aircraft Yet the story of these pioneer women pilots is made even more intriguing by the fact that despite many notable similarities in the utilisation and organisation of the women in their respective countries they experienced radically different fates Throughout the war the contribution of the women of the British ATA to the war effort was recognized and praised both from official quarters and in the press By contrast the American WASPs were first glamorized and made into Hollywood stars and then subjected to a slander campaign What accounts for this dramatic difference in the treatment of women pilots doing essentially the same job This book seeks to answer these questions The women who participated in the ATA and WASP have been allowed to speak for themselves The story these women have to tell is exciting and intriguing **Women and Military Aviation in the Second World War** Reina Pennington, 2000 **World War II in Literature for Youth** Patricia Hachten Wee, Robert James Wee, 2004-11-10 This comprehensive volume provides a wealth of information with annotated listings of more than 3 500 titles a broad sampling of books on the war years 1939 1945 Includes both fiction and nonfiction works about all aspects of the war Professional resources for educators aligned to the educational standards for social studies technical references periodicals and electronic resources a directory of WWII museums memorials and other institutions and topics for exploration complement this excellent library and classroom resource **The Originals** Sarah Byrn Rickman, 2001 History of the original women air pilots the U S government used to ferry and test planes during World War II The Squadron was later incorporated into the Women Airforce Service Pilots WASP
