Postmodernism: Disciplinary texts : humanities and social sciences Victor E. Taylor, Charles E. Winquist, 1998 V 1 Foundational essays V 2 Critical Texts V 3 Disciplinary texts Humanities and social sciences V 4 Legal studies psychoanalytic studies visual arts and architecture Shattered Love Richard Chamberlain, 2013-06-11 In *Shattered Love* Richard Chamberlain poignantly recounts his lifelong struggle to find happiness Tracing a fascinating path over his meteoric rise to success he chronicles his struggle to come to terms with his own imperfections his growing desire to be honest about his sexual orientation and his yearning to live with an open heart And along the way he imparts the lessons he has learned about overcoming our own self imposed obstacles to happiness The Inoperative Community Jean-Luc Nancy, 1991 A collection of five essays of French philosopher Nancy originally published in 1985 86 *The Inoperative Community* Myth Interpreted Literary Communism *Shattered Love* and *Of Divine Places* A paper edition 1924 7 is available for 14 95 Annotation copyrighted by Book News Inc Portland OR *On Touching—Jean-Luc Nancy* Jacques Derrida, 2005 This book written out of Derrida's long standing friendship with Jean Luc Nancy examines the central place accorded to the sense of touch in the Western philosophical tradition **Lest We Lose Love** Scherto Gill, 2023-04-18 Few are aware that since antiquity there has always been the philosophy of love at the core of Western culture It articulates what makes life meaningful and worthwhile and how we can live a good life together through an ethic of love This book fills this significant gap not only reconnecting the reader with such important wisdom and more crucially also reorienting our socio economic institutions and collective actions towards more loving and caring and more concerned with the qualities of our lived experiences By rediscovering the gifts of love we may challenge the existing systemic dehumanisation and draw from knowledge and understanding already present in our culture This is timely because the global crises we are facing are catastrophic especially when it comes to climate change Therefore we must respond from a place of love rather than fear Whether it is reducing the use of fossil fuels lowering greenhouse emission choosing the right food to eat or advocating for structural transformation our concerted endeavours start with an appropriate appreciation of the nature of our well being which includes the planet's well ness This book highlights a clear pathway forward to ensure collective healing and co flourishing with nature we must practise the art of loving A Postmodern Theology of Ritual Action Jonathan L. Best, 2019-02-26 *A Postmodern Theology of Ritual Action* is a unique work that seeks to explore where we find meaning within ritual and actions within the church Bridging hermeneutics philosophy and postmodern thought this work seeks to explore how to do theology with the community through conversation Beginning with the mindset that meaning is already present within ritual action rather than outside it Best engages the practice of foot washing among the Original Free Will Baptist denomination of eastern North Carolina Foot washing suggests a new future for theology a future that models love service and acceptance Incorporating insights gained from conversing with philosophy theology and the Original Free Will Baptists foot washing

Carlson,2019-05-01 What is the role of love in opening and sustaining the temporal worlds we inhabit One of the leading scholars in philosophy and the history of religious thought Thomas A Carlson here traces this question through Christian theology twentieth century phenomenological and deconstructive philosophy and nineteenth century individualism Revising Augustine s insight that when we love a place we dwell there in the heart Carlson also pointedly resists lines of thought that seek to transcend loss and its grief by loving all things within the realm of the eternal Through masterful readings of Heidegger Derrida Marion Nancy Emerson and Nietzsche Carlson shows that the fragility and sorrow of mortal existence in its transience do not in fact contradict love but instead empower love to create a world **Take My Advice**

**Beep Beep: On being a john** Henri Molineaux,2021-07-30 The author examines the controversial subject of the relationship between prostitutes and their customers from a different perspective from that of the john This book tells of how and why explorations lead to adventures that lead to drastic changes The telling is raw and vivid as the women conduct their business and the man ventures into their anomie world of sex drugs violence and homelessness As we dip into the lives of the women he dates the narrator s own troubled mind and history are revealed The buyer of the sex for hire service repeatedly follows his nature as he seeks to find love and romance there instead The otherwise intelligent and resilient man recognizes the folly in that and comes to think of these encounters as fantasy adventures separate and apart from the reality of his everyday life But he finds it increasingly difficult to keep fantasy separate from reality while the torment that ever permeates his being remains and travels with him as he ventures from one realm to the other The reader must always read between the lines to understand things that the narrator does not yet realize
