Shattered Dream:

Shattered Dreams Benson Omonode, 1996 *Origins of the Dream* W. Jason Miller, 2015-02-03 Since Martin Luther King Jr's I Have a Dream speech some scholars have privately suspected that King's dream was connected to Langston Hughes's poetry Drawing on archival materials including notes correspondence and marginalia W Jason Miller provides a completely original and compelling argument that Hughes's influence on King's rhetoric was in fact evident in more than just the one famous speech King's staff had been wiretapped by J Edgar Hoover and suffered accusations of communist influence so quoting or naming the leader of the Harlem Renaissance who had his own reputation as a communist would only have intensified the threats against the civil rights activist Thus the link was purposefully veiled through careful allusions in King's orations In *Origins of the Dream* Miller lifts that veil and shows how Hughes's revolutionary poetry became a measurable inflection in King's voice He contends that by employing Hughes's metaphors in his speeches King negotiated a political climate that sought to silence the poet's subversive voice By separating Hughes's identity from his poems King helped the nation unconsciously embrace the incendiary ideas behind his poetry **The Lost Heart** Pasquale De Marco, 2025-07-10 In this poignant and thought provoking book the author takes us on a journey through the human heart Through a series of interconnected stories we meet characters who are struggling with heartbreak loss and the search for meaning in their lives We meet a young woman who is trying to come to terms with the death of her beloved grandmother a man who is struggling to rebuild his life after a divorce and a couple who is facing the challenges of raising a child with a disability As these characters navigate their own unique challenges they learn to open their hearts to love forgiveness and compassion They discover that even in the darkest of times the human spirit has the power to heal and to find joy This book is a celebration of the human heart and its incredible resilience It is a reminder that even when we are broken we can be mended And that even in the face of adversity we can find hope and healing With its lyrical prose and unforgettable characters this book is a must read for anyone who has ever experienced heartbreak or loss It is a book that will stay with you long after you finish reading it This book is perfect for readers who enjoy literary fiction contemporary fiction and stories about the human condition It is also a great choice for book clubs and discussion groups If you like this book write a review **FDR and the American Crisis** Albert Marrin, 2016-07-12 The definitive biography of president Franklin Delano Roosevelt for young adult readers from National Book Award finalist Albert Marrin is a must have for anyone searching for President's Day reading Brought up in a privileged family Franklin Delano Roosevelt had every opportunity in front of him As a young man he found a path in politics and quickly began to move into the public eye That ascent seemed impossible when he contracted polio and lost the use of his legs But with a will of steel he fought the disease and public perception of his disability to become president of the United States of America FDR used that same will to guide his country through a crippling depression and a horrendous world war He understood Adolf Hitler and what it would take to stop him before almost any other world leader did But to

accomplish his greater goals he made difficult choices that sometimes compromised the ideals of fairness and justice FDR is one of America's most intriguing presidents lionized by some and villainized by others National Book Award finalist Albert Marrin explores the life of a fascinating complex man who was ultimately one of the greatest leaders our country has known

Poems of the Brokenhearted Hseham Amrahs, 2024-01-10 The thematic range of the collection is expansive covering the various stages of heartbreak from the initial shock to the gradual emergence of strength and resilience Some poems delve into the nostalgia of what once was exploring the remnants of love that linger in memory Others navigate the storm of emotions that accompany the aftermath unraveling the threads of attachment and laying bare the vulnerabilities of the human heart Despite the prevailing melancholy there is an undercurrent of hope that runs through the collection The poems are not only a testament to the pain of love lost but also a celebration of the indomitable spirit that emerges from the ashes of heartbreak They speak to the resilience of the human heart emphasizing that even in the throes of despair there is a transformative journey towards self discovery and renewal The organization of the collection is deliberate creating a narrative arc that mirrors the emotional trajectory of heartbreak The poems are often grouped thematically guiding readers through the labyrinth of emotions with a sense of coherence This organization enhances the overall reading experience creating a flow that mirrors the ebb and flow of the emotional tide

Poems of Broken Hearts Atina Amrahs, 2025-02-04 Poems of Broken Hearts is a heartfelt collection exploring the complexities of love heartbreak and healing Through evocative poetry it captures raw emotions from the pain of lost love to the resilience of the human spirit These verses offer solace reflection and hope reminding readers that love in all its forms is a transformative force This anthology is a tribute to vulnerability endurance and the enduring power of love

The Work of the British Law Commissions Shona Wilson Stark, 2017-07-13 The Law Commission of England and Wales and the Scottish Law Commission were both established in 1965 to promote the reform of the laws of their respective jurisdictions Since then they have each produced hundreds of reports across many areas of law They are independent of government yet rely on governmental funding and governmental approval of their proposed projects They also rely on both government and Parliament and occasionally the courts or other bodies to implement their proposals This book examines the tension between independence and implementation and recommends how a balance can best be struck It proposes how the Commissions should choose their projects given that their duties outweigh their resources and how we should assess the success or otherwise of their output Countries around the world have created law reform bodies in the Commissions' image They may wish to reflect on the GB Commissions' responses to the changes and challenges they have faced to reappraise their own law reform machinery Equally the GB Commissions may seek inspiration from other commissions' experiences The world the GB Commissions inhabit now is very different from when they were established They have evolved to remain relevant in the face of devolution the UK's changing relationship with the European Union increasing pressure for accountability and decreasing funding Further changes to secure the future

of independent law reform are advanced in this book

Mourning the Dreams Claudia Malacrida, 2016-09-17 Mourning the Dreams is an accessible and moving account of parents experiences of grief and recovery after losing an infant during pregnancy childbirth or within the first month of life Drawing from the sociology of emotions health research and psychology her own experience and a range of qualitative methods Claudia Malacrida finds that bereaved parents not only grieve their child and its unrealized potential but often find their personal experiences are at odds with social forces and prevailing assumptions about the nature of their loss and how they should react to it She explores the meanings parents create as they face denial silence and other reactions from friends family communities coworkers the medical community and even within spousal relationships She also describes the courage and creativity of parents who create and negotiate meanings that help them grieve recover and manage relationships

Patrick Lyoya killed by the police: What did I do wrong? Godfrey Mwakikagile, 2022 This work focuses on the tragic murder of Patrick Lyoya an immigrant from the Democratic Republic of Congo who was shot and killed by a police officer in Grand Rapids Michigan in April 2022 The case attracted national attention and drew reactions from around the world It was also covered by international media outlets including BBC and Aljazeera The author looks at the murder in the broader context of race relations and at relations between blacks and the police in Grand Rapids and across the country He also addresses problems of re adjustment to a new life in a new country African immigrants face in the United States Patrick Lyoya faced those problems He also explains although only briefly why the tragedy is inextricably linked with the fate of Lyoya s homeland in a geopolitical context where Western countries have played a critical role in determining the destiny of the country which has earned the unenviable distinction as the bleeding heart of Africa He also briefly examines globalisation which he describes as a new form of imperialism in the post Cold War era and how it is used to justify exploitation of Africa s natural resources including the Democratic Republic of Congo s vast amounts of minerals and how industrialised nations have helped to impoverish the country and fuel conflict there resulting in the death of millions of people and forcing countless others to flee and seek refuge in other countries including the United States Patrick Lyoya and his family and more than 8 000 other Congolese who settled in Grand Rapids were some of them Although the work briefly examines the ties the United States has had with the Democratic Republic of Congo since independence in the sixties when the country was known as Congo Leopoldville a relationship inextricably linked with the destiny of Congolese refugees who settled in Grand Rapids and other parts of the country its main focus is on the murder of Patrick Lyoya why he was killed what contributed to his murder and other factors about the tragedy The uncertainty of the trial date for this case influenced publication of the book Both sides the defence and the prosecution said they did not know when the trial would take place and implied it would be in 2023 and may be even in the last months of the year They said in November 2022 that it would be many months before the case goes to court a factor that played a major role in reaching the decision to have the book published before the trial It complements the author s forthcoming work *Shattered Dreams* Race

and Justice **The Preacher King** Richard Lischer, 2020 The Preacher King investigates Martin Luther King Jr's religious development from a precocious preacher's kid in segregated Atlanta to the most influential American preacher and orator of the twentieth century To give the most accurate and intimate portrait possible Richard Lischer draws almost exclusively on King's unpublished sermons and speeches as well as tape recordings personal interviews and even police surveillance reports By returning to the raw sources Lischer recaptures King's truest preaching voice and consequently something of the real King himself He shows how as the son grandson and great grandson of preachers King early on absorbed the poetic cadences traditions and power of the pulpit more profoundly influenced by his fellow African American preachers than by Gandhi and the classical philosophers Lischer also reveals a later phase of King's development that few of his biographers or critics have addressed the prophetic rage with which he condemned American religious and political hypocrisy During the last three years of his life Lischer shows King accused his country of genocide warned of long hot summers in the ghettos and called for a radical redistribution of wealth 25 years after its initial publication The Preacher King remains a critical study that captures the crucial aspect of Martin Luther King Jr's identity Human complex and passionate King was the consummate American preacher who never quit trying to reshape the moral and political character of the nation **LIFE AND IDEOLOGY OF**
