Shattered Dreams Robb Thompson, 2002-01-01      **Out of Control** Rodney Hunt, 2016-10-21 The truth is we all experienced the brokenness of this world broken dreams hopes and expectations You lose your job An unexpected circumstance catches you by surprise Someone you love dies A relationship fails You do something you regret What I want to remind you is that regardless of your situation you can find hope in an out of control world There is hope because God is picking up the pieces of our lives to make us whole again There is hope because he has a plan While we will experience pain and loss God will restore our joy and restore that which has been lost That promise is repeated over and over many times in the Scriptures God will restore He will pay back What was lost will be found again In fact we will receive much more back than what we lost There is a better future than what you are seeing and experiencing right now You need to know that in a world where so much seems set against you God is in control and he is on your side God is not your enemy He is your advocate and defender He wants what is best for you He wants to give you a future and a hope      Missing the Child You Love H. Norman DMin Wright, 2014-04-18 One of the most devastating losses a family can experience is the loss of a child Whether the loss is through illness accident drugs suicide or other tragedy the pain is overwhelming and often paralyzing Often we think of loss as death However in our broken world there are many ways to suffer the loss of a child This book discusses how a family can learn to cope with loss of a child due not only to death but also to a custody battle addiction and other choices a child makes chronic illness crime human trafficking kidnap and other issues where hopes and dreams disappear Wright helps readers through the grieving process and assists them in finding God's grace and comfort during this very difficult time of life This book is unique as it is for parents as well as grandparents      *Shattered Dreams, Broken Promises* Michael Viner, 2007 Viner traveled to various Eastern European countries to interview women of all ages and circumstances who are willing to do anything to get to America The revealing and often unsettling tales of these women told in their own words shine a light on a growing population in the U S      *Shattered Dreams and Broken Hearts* Linda J. Stilson, 2006 Expressing her grief through poetry Linda Stilson reaches out to others providing comfort and promoting suicide awareness Depression is an illness which shouldn't go untreated Unless you have suffered it many do not know the signs for depression or suicide Many don't know about bipolar disorder and the signs for it Both are treatable but left unattended it often leads to suicide Suicide is not a sin it is result of an illness that was left untreated No one really knows how much one can handle or what their coping skills are It is my desire to bring awareness to others about depression bipolar and suicide so that more people know the signs and are able to help anyone that might be in denial or suffering alone When they are seriously depressed they feel alone and unloved even though they are surrounded by many that love them Linda expresses her feelings she encountered during her grief process in hopes that others experiencing a loss by suicide can relate to them and be of some comfort to them Learn to recognize the signs and symptoms that lead to suicide It could save
