The Shadow of Abuse Pasquale De Marco, 2025-03-22. In this eye-opening exposé, a former teacher unveils the harrowing reality of harassment, bullying, and intimidation within the San Diego City Schools system, exposing the systemic failures that allowed this abuse to fester. With unflinching honesty, the author recounts their personal experiences as a young and passionate educator whose dreams of making a positive impact were shattered by a toxic and hostile work environment. They vividly portray the relentless verbal attacks, belittlement, isolation, manipulation, and gaslighting they endured, shedding light on the profound psychological and emotional toll these abuses inflicted. Beyond the personal narrative, this book delves into the systemic issues that enabled this abuse to persist and thrive. It exposes the lack of accountability, the absence of effective grievance procedures, and the culture of silence that often surrounds these issues, creating an environment where educators are left vulnerable to abuse and students are deprived of a safe and supportive learning environment. This book is not merely a memoir; it is a clarion call for change. The author draws upon research and case studies to illustrate the widespread nature of abuse in educational settings and its devastating consequences for both educators and students. They argue that this is not an isolated problem but a systemic issue that requires urgent attention and comprehensive solutions. With compelling prose and unwavering determination, the author demands a fundamental shift in attitudes and practices to create a culture of respect, dignity, and safety for all members of the school community. This book is a must-read for educators, policymakers, parents, and anyone concerned about the well-being of our children and the future of our education system. Its searing indictment of systemic failures and its passionate call for change make this book an essential read for anyone who cares about the well-being of our children and the future of our education system.
