The Ministry of Culture James P. Mullaney, 2025-09-23 In his debut novel James P Mullaney brilliantly portrays the lives of two men one an American and the other an Iraqi each caught up in the turmoil of the Iran Iraq war Over the course of just a few days each will seek a way to change the course of a violent conflict that has irrevocably altered their futures Journalist Michael Young has come to Baghdad to cover the war and the seemingly relentless pattern of violence in Iraq His return has also given him the chance to reunite with Daniella a British Iraqi journalist whose family history has drawn her back to a city that offers her only danger and distrust Ibrahim Galeb al Mansur has devoted his life to the study of art But the government's repression and paranoia have destroyed his family and silenced his talents Forced to paint the enormous murals of Iraqi President Saddam Hussein that appear throughout the country he finds refuge each night among insurgents plotting the overthrow of the brutal dictator The Ministry of Culture is a compelling sometimes unsettling look at the history of Iraqi politics the complicity of Western governments and the universal question of how much a person can endure and what is art's worth amidst the violence of war

Burgess,2024-10-08 After Job came through the trials of his life he proclaimed to God I had heard about you before but now I have seen You with my own eyes Job 42 5 Perhaps it takes much of a lifetime for some of us to truly see God in us and around us Few of us would see getting stuck in traffic a broken appliance the death of a loved one loss of a relationship development of a lifelong friendship or connecting with a spouse in quite the same way at the age of twenty that we do later in life Perhaps we lose the clarity of a hurting child like Kenny become too set in our chosen paradigms to understand God in the rituals and lifeways of another culture or feel His loving arms when life crashes in on us This busy noisy world can crowd out the progress of the flowering bush we may pass each day the joy of childhood discoveries or the whispered voice within us as we pass someone on the street We and our universe are truly fearfully and wonderfully made Peel off the layers of life and get to where God is waiting for you
