Memory, Memorization, and Memorizers Marcel Jousse, 2018-07-18 This book is about the spoken word It is about words spoken in the first century of our era and later put down in writing as confirmation of what had been said and done Here Marcel Jousse answers his own fundamental question How did the human being placed at the heart of the countless actions of the universe set about to conserve within him the memory of these actions and to transmit this memory faithfully

to his descendants from generation to generation To all oral societies tradition is memory and of all oral societies ancient Galilee perhaps more so than any other developed ways and means of capacitating memory to levels we no longer fathom This book is about how Ieshua s deeds and sayings were first faithfully recorded in the memory as and when they happened how they were then faithfully transmitted orally within and without Palestine and how they were finally faithfully literally recorded anew as oral tradition put in writing **The Book of Daniel- A Well Kept Secret** Charles Eisenberg,2007-12

Ostrowick,2009-07-18 Not much is clear when we consider the history of first century Israel We know it was a nation in turmoil with constantly shifting politics and ideas Crippled by kings who were unable to keep their thrones governors who were evicted from office soon after taking it Israel was beset with brutal violent outbursts and equally brutal suppressions In such a climate it was inevitable that there d be no shortage of populist leaders all pretending to know what was best for the people But something happened and whatever it was it was to determine the history of the world for the next two thousand years We all know the familiar story But what if it didn t happen like that A Time To Act S.J. Knight,2015-11-04 This is a novel about Paul the Apostle from birth to the end of his first missionary journey Written for adults nevertheless it is contains

nothing unsuitable for advanced younger readers There are many books about this great man but this is something fresh and different a back story creating warm empathy with a complex man who is both anguished and admirable flawed and likeable Far more than a mere character in this novel the passionate Shaul Benjamin of Tarsus steps out of the New Testament pages coming to life in a story of ambition failure and redemption The childhood formative years friendships and struggles of this driven man are all depicted in intriguing detail with lively characters believable incidents and a well researched background The book also gives insight on what might have been behind the more unusual quirks of his strong personality which shaped his outlook to life and the gospel Culturally relevant and faithful to the New Testament record this fictional work takes the reader on a journey of love and laughter fear and failure tears and excitement For believers and non believers alike it is enjoyable as a robust story of Jewish experience and travel in the first century Roman empire and the birth of a momentous new world faith

The Fifth Jewel of Earth James W. Greenhalge, 2014-10-21 Then quietly the Counselor continued Your traveling is needed again The pendant you wear was purchased at an awesome price That much is finished And no principality or power in heaven or on earth can undo that accomplishment The bridge has been rebuilt and the path has been thrown open Now you must complete your traveling in fear and trembling Salvation is between you and the King but working out your salvation is between you and Me Wisdom has been given to allow you to see the plan Knowledge to understand the circumstances and Belief in the Plan to strengthen you for the long hard journey Choosing life here the Counselor hesitated touched again by the inestimable cost of that horrific sacrifice provides you with an inerrant compass toward home Now I need you to acquire Right Standing the privilege to face the Creator in His throne room He is perfection itself chosen mortal and all imperfection will be consumed by His righteous indignation Your best efforts will not be enough Not enough The last sentence echoed down the corridor Your best efforts will not be enough How was he to acquire something which his best efforts could not attain How do you acquire the unattainable Fifth in the Jewels of Earth collection the continued fighting in the forever war has already cost the king His life and the Traveler narrowly escaped with his own To return to the fluid battlefield of time is dangerous enough but the enemy is attempting to alter the timeline and the forces of the Cabala are taking matters into their own hands Failure forfeits the future Yet even if he succeeds the Traveler risks never being able to return home His journey is yours Join the resistance There is a jewel waiting for you

Paul: The Unstoppable Kathryn Maddox Haddad, 2016-02-20 The Apostle Paul is strong And unstoppable He walks thousands of miles He is driven by one goal Tell everyone about Jesus their new world king He allows nothing to get in his way Dare to experience with him every rod slamming into his bones every whip lashing through his skin every breath struggled for when treading water a day and night Survive with him through all the ship wrecks going days without food a snow storm in the Taurus Mountains being robbed on the highway Listen as each time his body is mercilessly attacked he calls out Jesus This is for you Discover what makes this man tick In this present tense book you will walk with him over twenty years of crisscrossing the often hostile Roman Empire challenging pagan priests and trying to convince Jewish rabbis to listen to him Understand what Barnabas Silas Timothy and Dr Luke go through to keep this man alive to do what he has to do With Paul it is never enough What drives him Why can he not stop Dare to walk with Paul

The Apostle Paul in the Jewish Imagination Daniel R. Langton, 2010-03-22 The Apostle Paul in the Jewish Imagination is a pioneering multidisciplinary examination of Jewish perspectives on Paul of Tarsus Here the views of individual Jewish theologians religious leaders and biblical scholars of the last 150 years together with artistic literary philosophical and psychoanalytical approaches are set

alongside popular cultural attitudes Few Jews historically speaking have engaged with the first century Apostle to the Gentiles The modern period has witnessed a burgeoning interest in this topic however with treatments reflecting profound concerns about the nature of Jewish authenticity and the developing intercourse between Jews and Christians In exploring these issues Jewish commentators have presented Paul in a number of apparently contradictory ways The Apostle Paul in the Jewish Imagination represents an important contribution to Jewish cultural studies and to the study of Jewish Christian relations

God's Great Reset: Assessing Covid, the Rapture & Yeshua's Body in an END TIME Context Yosef Rachamim Danieli, 2023-04-10 Are we really living in the end times Could it be that the recent Covid 19 crisis marked the beginning of the end Will that be followed by an imminent pre tribulation rapture Will we still be living here for at least some of the great tribulation Are we prepared Will we need to change the model we use as Messiah's body during the potentially tumultuous circumstances soon coming on our world This very interesting and challenging book addresses the above questions in a convincing and biblical way As a native Israeli Jew and a follower of Israel's Messiah Redeemer the author approaches the above issues using his Hebraic Jewish Middle Eastern lens Spoiler alert Do not expect traditionally accepted explanations and interpretations of end time prophecies Be prepared rather to have your settled theology disrupted as you read with an open mind You may discover your thinking has been influenced by traditional teachings which are the byproducts of misinterpreted scriptures due to a lack of understanding of their proper cultural and linguistic context Sit back and enjoy the ride

I Will Return to Jerusalem with Compassion: Yahweh Michael Adi Nachman, 2017-09-22 Life in modern day Jerusalem is not simple for an evangelist Living in the city where prophets and Messiah and saints died and rose again is indeed a wonderful experience Where else in the world can you meet Messiahs Elijahs and the two witnesses of revelation This is a story about discovering the Jewish roots of the faith of the New Testament not by rejecting the truths in the gospel but by understanding the truth of the Torah These events happen mainly in the year 2000 in Jerusalem but with many flashbacks to other times In this book Jew and Gentiles are indeed seen to be one in Messiah Yeshua and the mystery of the name of Jesus is explained
