This average life filled with school trips to 7 Eleven to gawk at Tiger Beat magazine and family outings to Dodger Stadium is soon interrupted by a past she cannot escape personified in the guise of her violent cousin Keith. When Keith moves in with her family he triggers a series of events that will follow Avery throughout her life to her studies at USC to her burgeoning career as a painter and artist and into her relationship with a wealthy Italian who sequesters her in his glass walled house in the Hollywood Hills. The past will intrude upon Avery's first gallery show proving her mother's adage "Every goodbye aint gone". The dual narrative of *Elsewhere California* illustrates the complicated history of African Americans across the rolling basin of Los Angeles.
