The Collected Letters of Ellen Terry Dame Ellen Terry, 2010 **The Collected Letters of Ellen Terry, Volume 4** Katharine Cockin, 2016-05-23 Ellen Terry's correspondence was both exuberant and extensive. Her remaining letters provide a fascinating insight into the dynamics of the Victorian theatre and the difficulties of life for a woman maintaining a successful public persona whilst raising two illegitimate children *Bernard Shaw's Marriages and Misalliances* Robert A. Gaines, 2017-10-25 This book combines the insights of thirteen Shavian scholars as they examine the themes of marriage relationships and partnerships throughout all of Bernard Shaw's major works. It also connects Shaw's own experiences of love and marriage to the themes that emerge in his works, showing how his personal relationships in and out of matrimonial bonds change the ways his characters enter and exit marriages and misalliances. While providing a wealth of new analysis, this collection of essays also leaves lingering questions for the reader to spark continuing dialogue in both individual and academic settings **The Collected Letters of Ellen Terry, Volume 5** Katharine Cockin, 2016-06-03 Ellen Terry's correspondence was both exuberant and extensive. Her remaining letters provide a fascinating insight into the dynamics of the Victorian theatre and the difficulties of life for a woman maintaining a successful public persona whilst raising two illegitimate children *The Collected Letters of William Morris, Volume II, Part B* William Morris, 2014-07-14 These volumes continue the only complete edition of the surviving correspondence of William Morris 1834-1896, a protean figure who exerted a major influence as poet, craftsman, master printer, and designer. Covering the years 1881 through 1888, they treat the most dramatic period in another facet of Morris's career: his work as a political activist. The Writer Writing Francis-Noël Thomas, 2014-07-14 In an age of authorless contextless deconstructed texts Francis No l Thomas argues that it is time to re examine a fundamental but neglected concept of literature writing is an action whose agent is an individual Addressing both general readers and scholars Thomas offers two cases Bernard Shaw s *Saint Joan* and Marcel Proust s *A la recherche du temps perdu* read against the background of the authors large eccentric and surprisingly similar claims about their texts as acts He examines

what happens when we take these claims seriously enough to find out why the authors made them in the first place and what bearing they have on the texts themselves Originally published in 1993 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Bernard Shaw's Irish Outlook David Clare,2015-11-17 Using close readings of Shaw s plays and letters as well as archival research David Clare illustrates that Shaw regularly placed Irish Irish Diasporic and surrogate Irish characters into his plays in order to comment on Anglo Irish relations and to explore the nature of Irishness , *The 1920s London-Irish Theatre* Nelson O'Ceallaigh Ritschel,2025-11-07 The 1920s London Irish Theatre A History documents explores and interrogates the Irish theatre that was prevalent in London during the 1920s This includes consideration of the movements that impacted 1920s London theatre such as the influential repertory theatres of the first decade of the twentieth century as well as the detailed history of the Irish Players Each identified London Irish production is discussed through contemporary theatre reviews from London newspapers and journals and within the decade s historical context Dramatists their plays actors producers and the physical theatres are all considered as extensively as evidence allows Major productions like those of Lennox Robinson s The White Headed Boy Sean O Casey s Juno and the Paycock and Bernard Shaw s Saint Joan with its distinct Irish echoes are considered along with productions of George Shiels Professor Tim and Bernard Duffy s The Counter Charm and more Producers discussed include James Fagan and Charles Macdona while considered actors include Sara Allgood Maire O Neill Arthur Sinclair Fred O Donovan Ellen O Malley Ethel O Shea and many more This leads for the first time to a full portrait of the Irish theatre that was produced in London during the 1920s in not only the West End but also in smaller London theatres and in suburban repertory theatres High and Low Moderns Maria DiBattista,Lucy McDiarmid,1996-12-05 This collection of essays on modernist culture reassesses the convergence of low and high cultures of socialist and aesthete late Victorian and young Georgian the popular and the coterie Academic literary studies have until recently preferred to treat the opaque difficult writings of high moderns Conrad Yeats Woolf and Eliot and the more accessible work of the low moderns Kipling Shaw and Wells in separate categories In contributions by scholars David Bromwich Roy Foster Edna Longley Louis Menand Edward Mendelson and others High and Low Moderns brings these writers into critical proximity Essays on such topics as the public mourning of Queen Victoria Florence Farr and the New Woman the Edwardian Shaw Lady Gregory s attraction to Irish felons and the high artistic uses of low entertainments cinema detective fiction and journalism introduce a subtler model of modernism in which demotic and elite cultural forms criticize imitate and address one another The Shape of Irish History A.T.Q. Stewart,2001-10-10 In an exploration of the essential structure of what is called Irish history A T Q

Stewart looks at some shadowy areas and asks provocative questions about popular misconceptions Even where such misconceptions have been refuted by academic research Stewart argues the information has not percolated into the general domain because modern historians writing mainly for one another have lost the wider audience Criticizing his own profession for purporting to be scientific while largely ignoring the implications of for example scientific archaeology Stewart also opens up the closed shop of Irish history for the general reader The result is a landmark book the terrain of Irish history will never be the same again *The Collected Letters of Robinson Jeffers, with Selected Letters of Una Jeffers* James
