Shawl And Prairie Du Chien:

The Shawl and Prairie Du Chien David Mamet,1989 **Imagination in Transition** Bruce Barton,2005 The move from playwright to cinema screenwriter and director is a rare accomplishment No American writer has achieved this transition with the level of success enjoyed over the past two decades by David Mamet Over this same period Mamet has also authored a body of aggressive critical writing that demonstrates enduring aesthetic and ideological preoccupations regularly expressed as a set of confident best practices However the relationship between theory and practice becomes particularly and productively rowdy at the sites of Mamet s transitional media crossing *Imagination in Transition* establishes a flexible set of core characteristics of Mamet s dramatic and theatrical dramaturgy and then compares these with the textual and cinematographic strategies employed by Mamet in his initial transitional feature films This study then offers both an innovative approach to Mamet s work and an illuminating framework for cross media analysis David Mamet Anne Dean,1990 This book supports the claim that David Mamet is possibly the first true verse dramatist by examining in detail his celebrated use of language as dramatic action Five of Mamet s best known plays are studied in detail *Sexual Perversity in Chicago* American Buffalo *A Life in the Theatre* Edmond and Glengarry Glen Ross **Sexual Perversity in Chicago and the Duck Variations** David Mamet,2014-10-03 David Mamet is one of America s most celebrated playwrights The author of plays screenplays poetry essays and children s books he has won many awards including the Pulitzer Prize for *Glengarry Glen Ross* The Obie award winning *Sexual Perversity in Chicago* is about two office workers Danny and Bernie on the make in the swinging singles scene of the early 1970s Danny meets Deborah in a library and soon they are not only lovers but roommates and their story quickly evolves into a modern romance in all its sticky details *The Duck Variations* is a dialogue between two old men sitting on a park bench The conversation turns to the mating habits of ducks but soon begins to reveal their feelings about natural law friendship and death New York magazine has called *The Duck Variations* a gorgeously written wonderfully observant piece whose timing and atmosphere are close to flawless *David Mamet* Janice A. Sauer,David K. Sauer,2003-09-30 The most complete record of a contemporary American dramatist available *David Mamet A Resource and Production Sourcebook* is the result of ten years research by a widely published drama and theatre scholar and a university bibliographic specialist Presenting a complete overview of all reviews and scholarship on Mamet the authors challenge assumptions about the playwright such as the charge that he is an antifeminist writer This comprehensive sourcebook is an essential purchase for Mamet scholars and students of American drama alike *David Mamet A Resource and Production Sourcebook* reflects the revolution underway in the study of drama in which not only previous scholarship but performance reviews are a necessary part of research It gives a complete listing and overview of over 250 scholarly articles and chapters of books on Mamet s plays It also presents the complete production history of each play including review excerpts The authors have produced an invaluable guide to research into this key contemporary dramatist Glengarry

Glen Ross David Mamet, 2014-07-22 Winner of the 1984 Pulitzer Prize David Mamet's scalding comedy is about small time cutthroat real estate salesmen trying to grind out a living by pushing plots of land on reluctant buyers in a never ending scramble for their fair share of the American dream Here is Mamet at his very best writing with brutal power about the tough life of tough characters who cajole connive wheedle and wheel and deal for a piece of the action where closing a sale can mean a brand new Cadillac but losing one can mean losing it all This masterpiece of American drama is now a major motion picture starring Al Pacino Jack Lemmon Alan Arkin Alex Baldwin Jonathan Pryce Ed Harris and Kevin Spacey

November David Mamet, 2011-04-27 David Mamet's Oval Office satire depicts one day in the life of a beleaguered American commander in chief It's November in a Presidential election year and incumbent Charles Smith's chances for reelection are looking grim Approval ratings are down his money's running out and nuclear war might be imminent Though his staff has thrown in the towel and his wife has begun to prepare for her post White House life Chuck isn't ready to give up just yet Amidst the biggest fight of his political career the President has to find time to pardon a couple of turkeys saving them from the slaughter before Thanksgiving and this simple PR event inspires Smith to risk it all in attempt to win back public support With Mamet's characteristic no holds barred style November is a scathingly hilarious take on the state of America today and the lengths to which people will go to win
