She Changes Everything Seeking The Divine On A Feminist Path:

She Changes Everything Lucy Reid, 2005-12-12 This is not a textbook in feminist theology so much as a chronicle of Reid's own journey and an excursion through the writings of others whose thought has been pivotal for her. In the first chapter she describes my research into the use of feminine imagery for God in the Bible and Christian history. Discovering the feminine face of God was an affirming and exciting process and it opened new paths of imagery and understanding that linked women's lives to the Divine and named women's reality as holy. In the second chapter she combines the Wisdom of the Goddess with that of the God she had known reaching toward a more whole image of the Divine. Reid describes her loss of faith in a distant and transcendent God in the third chapter. In the fourth chapter she describes the freedom she experienced when abandoning the traditional concepts of sin and salvation. In the remaining chapters she describes her departure from traditional Christianity, her engagements with other religious traditions, and her reframing of theology into a life sustaining earth honoring and peace making endeavor.

Calm and Quiet My Soul Alyssa Lynn Bell, 2023-10-19 Self care and soul care are trending topics in Christian leadership circles because ministry leaders know they cannot care for their people unless they care for themselves. Pastors who are mothers know this too and yet it can feel like just one more task to manage among the many they carry on their schedules and in their hearts. The biblical truth is that spiritual rest is a gift from God, not an achievement, a refreshing reminder for women who hold the dual roles of mom and minister. This book invites women leading in these spaces to remember that the God of the Old and New Testaments, the one who pours out replenishment for weary hearts, is a God who is Mother as well as Father and mothers them with tenderness and strength. Starting here in the arms of a mothering God who whispers beloved changes the tone of spiritual care for her from a chore to an oasis of replenishment that grounds her in her identity in Christ as a daughter of Creator God.

Christian Goddess Spirituality Mary Ann Beavis, 2015-10-08 This monograph focuses on Christian Goddess Spirituality (CGS), the phenomenon of mostly women who combine Christianity and Goddess Spirituality, including Wicca, Witchcraft, Mary

Ann Beavis's study provides ethnographic data and analysis on the lived religious experience of CGS practitioners drawing on interviews of over 100 women who self identify as combining Christianity and Goddess spirituality. Although CGS also has implications for Goddess Spirituality and related traditions e.g. Neopaganism, Wicca, here CGS is considered primarily as a phenomenon within Christianity. However, the study also shows that the fusion of Christian and Goddess spiritualities has had an impact on non-Christian feminist spirituality since Goddess worshippers have often constructed Christianity as the diametrical opposite and enemy of the Goddess to the point that some refuse to admit the possibility that CGS is a valid spiritual path or that it is even possible. In addition, biblical Jewish and Christian images of the divine such as Sophia, Shekhinah, the Virgin Mary, and even Mary Magdalene have found their way into the Pagan Goddess pantheon. The main themes of the study include overlaps and differences between Christian feminist theology and CGS, the routes to CGS for individual practitioners and their beliefs, practices, and experiences, proto-denominational classifications, spiritual paths within CGS, CGS theology, Christian discourse about the female divine, and the future of CGS in social, scientific, and ecclesiological context. Christian Goddess Spirituality will be of interest to scholars of religion, especially those with interests in women and religion, feminist spiritualities, feminist theology, alternative spiritualities, New Religious Movements, and emergent Christianities.

The Fatherhood of God in John Calvin's Thought Karin Spiecker Stetina, 2016-03-01. Against the backdrop of feminist critique, Karin Spiecker Stetina gives us a thorough study of John Calvin's ideas on the fatherhood of God. After looking briefly at Calvin's own experience of fatherhood, the author looks in depth at his epistemology and then his imagery for God as Father against the background of the biblical and historical doctrine. This intriguing study allows us, through the lens of the reformer's theology, to look again at what we mean by God as Father and believers as sons and daughters of the living God.

Women and Pride Luping Huang, 2018-09-30. Reinhold Niebuhr is largely regarded as the leading twentieth-century theologian of sin. However, many feminist theologians criticize Niebuhr's view of pride as the primary sin, arguing that it fits only with men's experience. In this detailed study, Dr. Luping Huang engages with Niebuhr and his feminist critics to provide a response to the feminist critique of Niebuhr's theology of sin. Dr. Huang provides a thorough analysis and examination of both the Niebuhrian and feminist understandings of sin, highlighting the strengths and limitations of both arguments. While some aspects of the feminists' opposition to Niebuhr's doctrine of sin are valid, there are weaknesses and limitations within its own framework. Through her research and interaction with women's testimonies, Huang's argument bridges these two competing views of women and sin, resulting in a more accurate understanding and application of the theology of sin, particularly in reference to women.

Evangelical Theology, Second Edition Michael F. Bird, 2020-10-20. Gospel-Centered Theology for Today. Evangelical Theology, Second Edition, helps today's readers understand and practice the doctrines of the Christian faith by presenting a gospel-centered theology that is accessible, rigorous, and balanced. According to author Michael Bird, the gospel is the fulcrum of Christian doctrine; the gospel is where God meets us and

where we introduce the world to God And as such an authentically evangelical theology is the working out of the gospel in the various doctrines of Christian theology The text helps readers learn the essentials of Christian theology through several key features including A What to Take Home section at end of every part that gives readers a run down on all the important things they need to know Tables sidebars and questions for discussion to help reinforce key ideas and concepts A Comic Belief section since reading theology can often be dry and cerebral so that readers enjoy their learning experience through some theological humor added for good measure Now in its second edition Evangelical Theology has proven itself in classrooms around the world as a resource that helps readers not only understand the vital doctrines of Christian theology but one that shows them how the gospel should shape how they think pray preach teach and minister in the world

Literature and Theology Heather Walton,2016-12-05 This book explores current trends in the interdisciplinary study of literature and theology an area of academic activity that has developed dramatically in the past twenty years The field of study originated from the impetus to embrace the richness of imaginative resources in theological reflection and was stimulated by the re emergence of the sacred in contemporary theory Since the mid 90s critical theory has undergone a number of significant transformations theology has become a subject of public concern and the boundaries between sacred and cultural texts have become increasingly unstable This book brings together the work of leading scholars in the field with that of emerging voices Offering an important resource for the growing number of postgraduate courses exploring the relation between religion and culture in the contemporary context this book delineates current trends in interdisciplinary debate as well as tracing emerging configurations

Religion, Feminism, and Idoloclasm Melissa Raphael, 2019-01-22 Religion Feminism and Idoloclasm identifies religious and secular feminism s common critical moment as that of idol breaking It reads the women s liberation movement as founded upon a philosophically and emotionally risky attempt to liberate women s consciousness from a three fold cognitive captivity to the self idolizing god called Man the God who is a projection of his power and the idol of the feminine called Woman that the god called God created for Man Examining a period of feminist theory theology and culture from about 1965 to 2010 this book shows that secular as well as Christian Jewish and post Christian feminists drew on ancient and modern tropes of redemption from slavery to idols or false ideas as a means of overcoming the alienation of women s being from their own becoming With an understanding of feminist theology as a pivotal contribution to the feminist criticism of culture this original book also examines idoloclasm in feminist visual art literature direct action and theory not least that of the sexual politics of romantic love the diet and beauty industry sex robots and other phenomena whose idolization of women reduces them to figures of the feminine same experienced as a de realization or death of the self This book demonstrates that secular and religious feminist critical engagements with the modern trauma of dehumanization were far more closely related than is often supposed As such it will be vital reading for scholars in theology religious studies gender studies visual studies and philosophy **Bad Faith** Tom Drake-Brockman, 2019-01-18 Jesus was murdered by the Jewish religious leaders whose power base was the temple of Jerusalem Saul of Tarsus later the Paul of Christianity was one of these and his brand of faith theology mirrored their theology of covenantal entitlement Thus Christianity s basic theological principles derive from those who killed Jesus This is just one of many challenging propositions backed with strong evidence that appear in this book Jesus

like most Jews was attuned to faithfulness rather than pure faith to ethical behavior based on human empathy rather than metaphysical beliefs and rituals The central focus of Jesus was hesed the heart of the Jewish covenant with God which linked God's mercy to human compassion and forgiveness making both mutually interactive This hesed forgiveness was anathema to the temple's faux forgiveness and threatened its very existence Therefore Jesus came not to save us but to show us how to save ourselves Reinterpreting a key parable of Jesus in this light the Parable of the Tares Jesus can be most plausibly understood as an incarnation of Adam the original prototype human who God in Genesis appointed to oversee his creation and guide our spiritual evolution His mission was not about any sacrificial death but about establishing the spiritual humanism of Judaic hesed as the central purpose of human existence
