

A young woman with long, wavy brown hair is the central figure. She is wearing a grey, long-sleeved crop top and leggings with a dark, abstract pattern. She is looking back over her shoulder at the camera with a slight smile. The room has a warm, rustic feel with a wooden plank ceiling. To her left is a window with a black frame looking out onto greenery. To her right, there are wooden shelves holding various items, including a large potted plant with trailing green leaves. A white electrical outlet with a cord plugged into it is visible on the wall below the shelves. The word "dedicated." is written in a white, serif font across the middle of the image, partially overlapping the woman's top and the background.

dedicated.

**The Half-Life of Happiness** John Casey, 2015-08-19 From the winner of the 1989 National Book Award for *Spartina* a major new novel wise sad and richly comic about the meltdown of a marriage against the backdrop of a gloriously awful congressional campaign Charlottesville Virginia 1978 Mike is a successful forty something lawyer a onetime congressional staffer who s had it with Washington Joss his wife is a filmmaker They re Virginia liberals with a clan of close knit friends a bright edgy flirty games playing group spinning like a Catherine wheel around Mike and Joss But the sparks that fly between the two are getting hotter and more dangerous as Joss restlessness turns to impatience and then anger When one of the group introduces them all to the woman he wants to marry things suddenly explode this new arrival and Joss fall passionately in love and their whole world careens out of control What ensues is tragicomedy as Mike tries to allay his rage and misery by letting himself get sucked into a trial run for a seat in Congress He wants to be a hero to someone instead he becomes the unwitting star of a political farce Meantime Joss is struggling with her new life and their two young daughters who form a lovingly unmerciful Greek chorus commenting on the action have to navigate a turmoil in which one parent is a public joke and the other a private scandal Rarely has the undoing of love been chronicled with such large hearted humanity

**Supreme Court** , **Behind Ghetto Walls** Michael Novak, 2017-09-08 This book is about the family lives of some 10 000 children and adults who live in an all Negro public housing project in St Louis The Pruitt Igoe project is only one of the many environments in which urban Negro Americans lived in the 1960s but the character of the family life there shares much with the family life of lower class Negroes as it has been described by other investigators in other cities and at other times in Harlem Chicago New Orleans or Washington D C This book is primarily concerned with private life as it is lived from day to day in a federally built and

supported slum The questions which are treated here have to do with the kinds of interpersonal relationships that develop in nuclear families the socialization processes that operate in families as children grow up in a slum environment the informal relationships of children and adolescents and adults with each other and finally the world views the existential framework arising from the life experiences of the Pruitt Igoeans and the ways they make use of this framework to order their experiences and make sense out of them The lives of these persons are examined in terms of life cycles Each child there is born into a constricted world the world of lower class Negro existence and as he grows he is shaped and directed by that existence through the day to day experiences and relationships available to him The crucial transition from child of a family to progenitor of a new family begins in adolescence and for this reason the book pays particular attention to how each new generation of parents expresses the cultural and social structural forces that formed it and continue to constrain its behavior This book in short is about intimate personal life in a particular ghetto setting It does not analyze the larger institutional social structural and ideological forces that provide the social economic and political context in which lower class Negro life is lived These larger macro sociological forces are treated in another volume based on research in the Pruitt Igoe community However this book does draw on the large body of literature on the structural position of Negroes in American society as background for its analysis of Pruitt Igoe private life
