**The Hidden Revelation** Morson Livingston, 2015-07-10 This book *The Hidden Revelation* started out because of my search for knowledge and my in depth studies of various religions I realized that we are more alike than we are different through that search I realized that the major religions of the world have more similarities than differences yet we think we are so different from each other Various parts of the world practices various religions and spiritual teachings and at the core the very message some traditions and some practices are one and the same Then why do we fight in the name of religion Why do we kill in the name of religion Why do we look down at some look up at some and don't look at some at all Why do we discriminate and think we are better The basis for this book though not all encompassing seeks to highlight how the undertone of religions in the world are the same How at the core we are all seeking the same things in life which is peace love harmony contentment happiness and a connection to a power bigger than and greater than anyone of us This book shows how no matter what religion we belong too yes there are differences but the similarities far outweighs them So the question arises again Why do we fight why do we hate If we are all so alike we should be living in harmony we should be at peace we should be happy the beauty is we can all have that We just need to put our minor differences aside and connect at a heart level at a spiritual level and see God in each

other Read the book and you would journey into a world where it is somewhat of a Utopia but we need that in order to see the big picture and to understand love in the Universe The settings used to describe various religions and practices also takes you on a travel and you get to picture parts of the world you may have on your bucket list Even some world class travelers who have visited some of these places might also be able to see it from another perspective If anything at all you would find at least one nugget to help improve your life and your perspective Spread love and unity     Object Relations Individual Therapy Jill Savege Scharff, David E.
