Kicking Center Rachel Allison,2018-08-30 Winner of the 2018 Early Career Gender Scholar Award from the Sociologists for Women in Society South Girls and young women participate in soccer at record levels and the Women s National Team regularly draws media corporate and popular attention Yet despite increased representation and visibility gender disparities in opportunity compensation training resources and media airtime persist in soccer and two professional leagues for women have failed since 2000 In Kicking Center Rachel Allison investigates a women s soccer league seeking to break into the male dominated center of U S professional sport Through an examination of the challenges and opportunities identified by those working for and with this league she demonstrates how gender inequality is both constructed and contested in professional sport Allison details the complex constructions of race class gender and sexuality in the selling and marketing of women s soccer in a half changed sports landscape characterized by both progress and backlash and where professional sports are still understood to be men s territory **Cross-Cultural Journalism** Maria Len-Rios,Earnest Perry,2015-12-22 Built on the hands on reporting style and curriculum pioneered by the University of Missouri this introductory textbook teaches students how to write about and communicate with people of backgrounds that may be different from their own offering real world

examples of how to practice excellent journalism and strategic communication that take culture into account. Specifically, the book addresses how to engage with and talk across difference, identify the ways bias can creep into our communications, and how to mitigate our tendencies toward bias. It uses the concept of fault lines and approaches sources and audiences with humility and respect, communicates with audiences about the complexity inherent in issues of crime, immigration, sports, health, inequalities, among other topics, interprets census data categories and works with census data to craft stories or create strategic campaign strategies, reconsiders common cultural assumptions about race, class, gender, identity, sexual orientation, immigration status, religion, disability, and age, and recognizes their evolving and constructed meaning and our role as professional communicators in shaping national discussions of these issues. In addition to its common sense practical approach, the book's chapters are written by national experts and leading scholars on the subject. Interviews with award-winning journalists, discussion questions, suggested activities, and additional readings round out this timely and important new textbook. Supplemented by additional case studies and examples of best practice, *Cross Cultural Journalism* offers journalists and other communication professionals the conceptual framework and practical know-how they need to report and communicate effectively about difference.

Behind the Teacher's Desk Marjorie Weber Fortney, What really happens behind the scenes in an Adventist school. In this inspirational book, veteran educator Marjorie Weber Fortney gives an inside look at the joys and challenges of teaching and leading in a Christian school environment. Fortney shares timeless stories and wisdom to encourage the next generation of Christian teachers and principals. More than a manual, this collection of real-life accounts covers it all, from finding teachable moments in the sweet and humorous happenings to creatively solving classroom chaos and vandalism to handling issues like drugs and theft with discretion and grace. Throughout, she emphasizes dependence on God for strength and guidance when faced with parent conflicts, discipline issues, challenging students, contentious school boards, and the lonely burdens some children carry. Peppered with biblical truth, this heartfelt devotional explores the spiritual lessons behind everyday school scenarios. Fortney's vision for transformative Christian education shines through as she mentors readers to integrate faith into the classroom and evangelize youth for Christ. Administrators will value her candid insights on hiring teachers, improving academics, and relating to school boards. Written in Fortney's amiable tone, *Behind the Teacher's Desk: A Dynamic Resource for Educators* will renew your passion for discipling the young and equip you to thrive as a Christian educator. Let these real stories inspire your journey. *Behind the Teacher's Desk* is a devotional book that I will encourage my principals and teachers to use in staff worship. I recommend this book for all educational personnel. Corinne Lindberg, Education Director. This book is full of practical advice that gives new teachers the guidance and confidence they need to react right away in a variety of situations and succeed no matter what situation they encounter. Lisa Joy, award-winning journalist. This book is an absolute must for teachers and parents alike. Rick Harwood, retired pastor, MDiv, MA, Community Counseling. *She Shoots! She Scores!*, 1982. *Before Brittney* Dr. Nancy R.
