## **Sheep Gets Lost:**

Little Sheep Gets Lost Tim Dowley, 2012-08-10 Children will love the bright illustrations and simple text in this delightful series of animal books      Little Sheep Gets Lost Tim Dowley, Kregel Publications, 2004 These humorous animal tales captivate kids with the stories of Jonah Daniel the lost sheep and Noah Each book has a limited number of words per page and lessons to be learned from each animal      ,      **The Sheep That Got Lost** Graeme Hewitson, Raymond Banks, 2016-03 This full colour attractively produced book about the lost sheep by Raymond Banks and illustrated by Graeme Hewitson will be loved by younger children      **Where Did You Lose It?** Apostol Tony Barhoo, 2011-07-21 Where Did You Lose It is an enlightening Biblically inspired book written to help it s readers realize how often and how easily we can take our spiritual lives for granted and inspire us to take an introspection in order to bring a positive change to our lives allowing us to fulfill our God Given purpose      *Cecil the Lost Sheep* Andrew McDonough, 2010-08-10 He runs He hides He climbs He s stuck Will Cecil ever get home Will any of his friends miss him Read this story based on Jesus parable of the Lost Sheep in Luke 15 1 7

**Postmortem Opportunity** James Beilby, 2021-03-23 What happens to those who did not hear the gospel before death or who heard an incorrect version What about those who were too young or who were otherwise unable to respond Examining the biblical evidence and assessing the theological implications James Beilby offers a careful consideration of the possibility for salvation after death      **Evangelism Without Additives** Jim Henderson, 2009-01-20 What if evangelism meant just being yourself If the gospel really is good news why do most Christians avoid evangelism Why is witnessing often a negative experience for both the sender and receiver Wouldn t it be great if you could communicate the good news without having to become a spiritual salesperson What if you didn t have to make a speech in order to witness you could use everyday experiences to nudge others closer to Jesus the things you re already doing counted as evangelism Evangelism can be as normal as asking great questions and paying attention to the people Jesus misses most It involves doing things you already do but with a little more intentionality Just by being yourself and becoming unusually interested in others you can discover that people will ask you about Jesus This isn t another program or pitch It s a handbook on how to make real connections with the people formerly known as lost Think of it as evangelism for the rest of us      *There Will Be Showers of Blessing* D. J. Speckner, 2018-12-26 Nearly everyone wants God to bless them That is why Christian hymns such as There Shall Be Showers of Blessing are so well known This same promise of God is also based on a specific Bible verse Ezekiel 34 26 The purpose of this book *There Will Be Showers of Blessing* is to explore God s promise of showers of blessing in its biblical setting and to apply God s promises to his people in the twenty first century By doing so the reader will learn about four specific blessings that God as the Shepherd of his people wants to give to those who trust in his love and power And once we are all wet and overwhelmed by God s blessings Christians will discover that they are to extend those four blessings to the people around them This book also describes the nature of a blessing so people will understand why God s blessings are so special and

miraculous      The Preacher As Storyteller Austin B. Tucker, 2008 The Preacher as Storyteller takes a skills development approach to its timely homiletics topic In short author Austin B Tucker reasons that You can greatly improve your preaching by sharpening storytelling skills A story can touch the latch spring of the heart to let the life changing gospel come in This book clearly helps pastors and pastoral students improve the effectiveness of their preaching by better understanding and employing the techniques of great storytelling      *The Life* Mike Wilson, 2024-11-14 Jesus told him I am the way the truth and the life John 14 6 The Life is a fifty two week devotional book that chronologically reflects on the life of Jesus to help readers learn from the perfect example he set Jesus is the life He is the way to eternal life in heaven and to the good life on earth He is the truth that leads to wise living and to healthy relationships Everything good comes from him Therefore the ultimate goal of life is to build a relationship with Jesus and when people do that they learn how to build healthy relationships with other people Jesus came to earth to do more than die and resurrect Jesus lived the most impactful life in human history and in doing so he demonstrated the way humans should live When he lived as a human on earth Jesus showed people how to lead how to build lasting relationships how to cope with pain how to resist temptation and so much more When people live like Jesus they live well      *Conceptual Blending in Early Christian Discourse* Aleksander Gomola, 2018-03-19 Cognitive linguists and biblical and patristic scholars have recently given more attention to the presence of conceptual blends in early Christian texts yet there has been so far no comprehensive study of the general role of conceptual blending as a generator of novel meanings in early Christianity as a religious system with its own identity This monograph points in that direction and is a cognitive linguistic exploration of pastoral metaphors in a wide range of patristic texts presenting them as variants of THE CHURCH IS A FLOCK network Such metaphors or blends rooted in the Bible were used by Patristic writers to conceptualize a great number of particular notions that were constitutive for the early church including the responsibilities of the clergy and the laity morality and penance church unity baptism and soteriology This study shows how these blends became indispensable building blocks of a new religious system and explains the role of conceptual blending in this process The book is addressed to biblical and patristic scholars interested in a new unifying perspective for various strands of early Christian thought and to cognitive linguists interested in the role of conceptual integration in religious language Produced with the support of the Faculty of Philology Jagiellonian University in Krak w Poland      **Practical Lay Preaching and Speaking to Men** Harry Jeffs, 1907      **The Sunday School Helper** , 1892      *A Matter of the Heart* Stan Lemke, 2015-11-17 The Parables are instructive stories that Jesus told while teaching His disciples and the crowds who came to hear Him Memory can be fickle Facts and details fade despite our efforts to keep them fresh but when they are wrapped in an exciting story we can recall them with clarity Consequently Jesus taught using stories parables so that our memories would be invigorated and we would remember these lessons for years if not for a lifetime In A Matter of the Heart we will study eighteen parables Jesus taught These are some of the most important if not the most important lessons He wants us to understand and

remember We will study the parable of the Prodigal Son wherein we will come to know the meaning of sin of repentance forgiveness and the grace of a loving father In the parable of the Good Samaritan we will see that Gods desire for mercy trumps obligation and duty and we will see through this man a model of Jesus our Good Samaritan We will study the Kingdom of Heaven parables for a picture of the kingdom that Jesus established and come to understand what it means to be a citizen thereof We will explore the parable of the Wedding Feast which reveals an awesome future event wrapped around a marriage that God the Father arranged for Jesus His son We will look at the wise and the foolish the just and the unjust We will get a glimpse of heaven itself through the lens of Jesus teachings We will study His instruction about prayer the dangers of ingratitude and a cold heart the true measure of success and the meaning of stewardship Jesus taught using parables each and every one a blessing each A Matter of the Heart

**Shepherding** Stephen Kaung,2014-06-17 Shepherding is one of the important functions in the church It is not only one of the gifted people whom God gives to the church for the perfecting of the saints see Ephesians 4 11 12 where pastors should be shepherds It is also one of the main functions of the elders of the church see I Peter 5 1 Indeed it is expected of all the spiritual members of the church to be engaged in such a work Our Lord s words to Peter were feed my lambs shepherd my sheep and feed my sheep see John 21 15 17 For this reason it is required of us to know what the functions of shepherding are and also the qualifications This series of three messages on shepherding is prepared for the promoting of God s work and the strengthening of this important but sadly lacking ministry in the church May God use it for His glory

**Wool and Manufactures of Wool** United States. Tariff Board,1912 **The Parables** Paula Gooder,2020-09-23 The third volume in the Biblical Explorations series from bestselling New Testament writer Paula Gooder explores a major exponent of the Gospels the parables of Jesus Covering every parable this volume focuses on some of the best known stories in the gospels mining their meaning afresh today It considers why Jesus spoke in pictures and opens up the world behind the parables to reveal just how striking memorable and challenging they were for their original hearers Biblical Explorations is an exciting series that offers an accessible and informed study of the best loved texts in Scripture Rooted in the conviction that greater understanding of the Bible leads to deeper discipleship it is an essential resource for preachers teachers and study group leaders as well as those who simply wish to get to know the Bible better

**Knowing Who You Are** Malcolm J. Gill,2015-06-10 Throughout the history of the church many excellent books have been written addressing the theological significance of Christian identity Such works have delineated important doctrines such as adoption justification and sanctification While these studies of being in Christ have been fruitful and numerous they have often neglected one of the most useful tools in understanding Christian identity namely the use of metaphor A search of Scripture reveals that Jesus and his apostles frequently utilized images from everyday life to illustrate spiritual truths about our identity In this fresh work Knowing Who You Are invites the reader to explore eight lesser known images of Christian identity found in the New Testament Among others the author investigates how being a Christian is like being a boxer in

ancient Corinth a citizen in Philippi a farmer in Galilee and a sheep in a flock This engaging assessment of first century images will draw the reader in and leave them challenged encouraged and often surprised as they discover afresh what it means to be Christian     **From Faking It to Finding Grace** Connie Cavanaugh,
