Sheikh and Disciple M. R. Bawa Muhaiyaddeen, 1983      Unveiling the Secrets of Magic and Magicians Mohammad Amin Sheikho, 2014-12-16 How terrible are the words that issued from the mouths of those deceivers from amongst the Jews who used false statements to insert intrigue into the books of Islam Their words about the possible use of magic to bewitch the most honorable one of all creation Mohammad cpth are nothing more than mere lies The same is true of another of their sayings lie on them may God make them as ugly as their deeds wherein they say that the accursed Satan controlled the Prophet cpth as well as other of our great masters including Solomon Job and our father Adam Their statements are easily refutable and just as our of every pot pours that which it contains woe to them because of what pours from their spirits As a result of such intrigues the belief in magic along with other spiritual diseases is spread amongst the Muslims by disbelieving magicians and their followers to the extent that one can hardly find a house in which there does not live at least one of their followers These people believe the devil's call because they have listened to false scholars instead of God and have turned their back on the Qur'an as if they knew better Now however it is time for the voice of truth to be heard by those people whose forefathers were not warned and who therefore remain heedless The Great Scholar Mohammad Amin Sheikho will bring them out of the darkness and into the light with the use of God's Luminous Book for the good of all those who believe in Allah and the Last Day God says And repent to Allah all of you oh believers so that you may be successful The Holy Qur'an Fortress 24 An Nour Light verse 31      Infinite Possibility Audrey A.
