history and fiction into an exploration of memory community love and justice Force Majeure Bruce Wagner,2024-11-12 Force Majeure was called a smashing debut novel by the Kirkus Reviews upon its original publication in 1991 A sardonic and absurdly dark yet hilarious take on the business as usual of Hollywood s twisted class system that proved Bruce Wagner was not just an author but a cultural anthropologist The perpetually up and coming Hollywood screenwriter Bud Wiggins drifts aimlessly in and out of the lives of others and from one script idea to another Moonlighting as a limo driver to pay his bills he finds himself immersed in a world of vanity and degradation Wagner infuses his novel with the familiar archetypical characters of Hollywood a nihilistic producer an aging film star an obnoxious mogul and exposes the madness that drives them all **The World and Its Double** Chris Fujiwara,2025-06-25 Otto Preminger was one of Hollywood s first truly independent producer directors He sought to address the major social political and historical questions of his time in films designed to appeal to a wide public Blazing a trail in the examination of controversial issues such as drug addiction The Man with the Golden Arm and homosexuality Advise and Consent and in the frank sophisticated treatment of adult material Anatomy of a Murder Preminger in the process broke the censorship of the Hollywood Production Code and the blacklist He also made some of Hollywood s most enduring film noir classics including Laura and Fallen Angel An Austrian migr Preminger began his Hollywood career in 1936 as a contract director When the conditions emerged that led to the fall of the studio system he had the insight to perceive them clearly and the boldness to take advantage of them turning himself into one of America s most powerful filmmakers More than anyone else Preminger represented the transition from the Hollywood of the studios to the decentralized wheeling and dealing New Hollywood of today Chris Fujiwara s critical biography the first in more than thirty years follows Preminger throughout his varied career penetrating his carefully constructed public persona and revealing the many layers of his work The Spirit of Creativity Gottlieb Guntern,2012-07-10 The Spirit of Creativity is a systemic study of human creativity It offers a fascinating visual model of the creative process consisting of four major stages stage I the interplay of chaos and order stage II creative production stage III cultural selection stage IV morpho evolution and morpho elimination of created products and forms The author analyzes the seven phases germination inspiration preparation incubation illumination elaboration and evaluation of stage II leading from a vague hunch to a product meeting the criteria of creativity A vast number of examples taken from all continents and various cultures as well as from art technology and science and other fields of human endeavor illustrate how cultural recognition and rejection influence the creative processes of individuals and teams The author demonstrates the tremendous impact of the Mongol Empire the Silk Road and the medieval Muslim golden age on the origin of the European Renaissance *Elizabeth* Alexander Walker,2001-06-01 A serious and in depth look at one of the great legends of Hollywood by the London film critic and author of Audrey Her Real Story Elizabeth Taylor was perhaps the most public of the great stars an Oscar winning actress who lived her entire life in the glare of the spotlights Much has been written about her but now with the readability

sensitivity and thoroughness that have made his previous biographies bestsellers Alexander Walker explores the roots of Taylor's extraordinary personality and extraordinary life Here is a life to rival the very movies she played in told with immense candor wit and sympathy from her privileged London childhood the enormous influence of her strong-willed mother and her swift rise to stardom in such films as *National Velvet* *A Place in the Sun* and the catastrophe-ridden *Cleopatra* to her six husbands her desperate need to love and be loved her obsession with jewelry and the amazing resilience that helped her weather not only condemnation for the most public adultery in history but also dramatic illnesses that brought her to the verge of death and according to her beyond Using scores of unpublished documents and interviews with those who knew Taylor best as well as his own meetings with her over thirty years Alexander Walker recreates the comedies and tragedies in the life of a woman whose rewards and scandals have become the stuff of legend

Mailer Mary V. Dearborn, 1999 As the biographer of both Henry Miller one of Mailer's heroes and the radical journalist Louise Bryant Dearborn is uniquely sensitive to Mailer's best and worst sides

BOOK JACKET *An Empire of Their Own* Neal Gabler, 2010-11-17 A provocative original and richly entertaining group biography of the Jewish immigrants who were the moving forces behind the creation of America's motion picture industry The names Harry Cohn William Fox Carl Laemmle Louis B. Mayer Jack and Harry Warner and Adolph Zucker are giants in the history of contemporary Hollywood outsiders who dared to invent their own vision of the American Dream Even to this day the American values defined largely by the movies of these migrants endure in American cinema and culture Who these men were how they came to dominate Hollywood and what they gained and lost in the process is the exhilarating story of *An Empire of Their Own*

William Holden Michelangelo Capua, 2016-03-22 William Holden was a Hollywood star whose career spanned four decades more than 70 films and three Academy Award nominations Golden Holden won an Oscar for his role in *Stalag 17* and after films like *Sunset Blvd* he became one of Hollywood's most powerful stars in the late 1950s His personal life included international adventures and romances with such stars as Audrey Hepburn and Grace Kelly yet he suffered from alcoholism and clinical depression This biography covers his entire life and career from boyhood through his greatest successes short decline re-emergence in *The Wild Bunch* and his legacy of support for African wildlife

Elizabeth and Monty Charles Casillo, 2021-05-25 Violet-eyed siren Elizabeth Taylor and classically handsome Montgomery Clift were the most gorgeous screen couple of their time Over two decades of friendship they made separately and together some of the era's defining movies including *Cat on a Hot Tin Roof* *The Misfits* *Suddenly* *Last Summer* and *Cleopatra* Yet the relationship between these two figures one a dazzling larger-than-life star the other hugely talented yet fatally troubled has never truly been explored until now Monty Elizabeth likes me but she loves you Richard Burton When Elizabeth Taylor was cast opposite Montgomery Clift in *A Place in the Sun* he was already a movie idol with a natural sensitivity that set him apart At seventeen Elizabeth was known for her ravishing beauty rather than her talent Directors treated her like a glamorous prop But Monty took her seriously inspiring and encouraging her In her words That's when I

began to act To Monty she was Bessie Mae a name he coined for her earthy private side The press clamored for a wedding convinced this was more than friendship The truth was even more complex Monty was drawn to women but sexually attracted to men a fact that if made public would destroy his career But he found acceptance and kinship with Elizabeth Her devotion was never clearer than after his devastating car crash near her Hollywood home when she crawled into the wreckage and saved him from choking Monty's accident shattered his face and left him in constant pain As he sank into alcoholism and addiction Elizabeth used her power to keep him working In turn through scandals and multiple marriages he was her constant Their relationship endured until his death in 1966 right before he was to star with her in *Reflections in a Golden Eye* His influence continued in her outspoken support for the gay community especially during the AIDS crisis Far more than the story of two icons this is a unique and extraordinary love story that shines new light on both stars revealing their triumphs demons and the loyalty that united them to the end Praise for Elizabeth and Monty Casillo weaves an engrossing story about the intertwined lives of his subjects the parallel worlds of privilege that they came from the personal misfortunes that each suffered and the seemingly inextricable path that led to that fateful night The author approaches them both with sympathy and comes away with a melodrama as good as any that they ever starred in The New York Times In a riveting new book that brings Hollywood's golden age to life with colorful well researched details and interviews with stars who knew Taylor and Clift Casillo explores the intense bond the two shared People Magazine A new dual biography details a relationship that became a Hollywood legend Town Country Their on screen magic translated outside of the spotlight and the duo enjoyed a long lasting friendship that's explored in the new book Elizabeth and Monty The Untold Story of Their Intimate Friendship by Charles Casillo Classic movie buffs get a glimpse into their unique bond Southern Living As Casillo reveals in Elizabeth And Monty The Untold Story Of Their Intimate Friendship they had an intense even romantic relationship which while never consummated would weigh heavily on Taylor's life propelling her into a string of misguided marriages Daily Mail UK So jammed packed with sex pill popping alcoholism affairs breakdowns suicide attempts and multiple brushes with death that most readers will want to read it in one greedy high caloric gulp Readers may come for the nonstop scandals but what will keep them reading is Casillo's deeply empathetic and nuanced portrait of two Hollywood stars who forged a loving and loyal friendship Shelf Awareness Has the feel of a novel A well researched work that will appeal to readers who like their celebrity biographies juicy Library Journal In this dual biography their intertwined lives and careers are recounted with new and vivid detail and their FriendshipGoals are considered from all angles by Casillo the author of Marilyn Monroe The Private Life of a Public Icon and Outlaw The Lives and Careers of John Rechy The book is incisive on the politics and personalities of bygone Hollywood an understanding Casillo credits to friends like the late screenwriter and film historian Gavin Lambert Inside Daisy Clover The Roman Spring of Mrs Stone Everything Zoomer Flannery O'Connor's Manhattan Katheryn Krotzer Laborde,2024-08-20 This book offers a unique twist to the Who's Who of midcentury writers editors and artists Much

is made of Flannery O'Connor's life on the Georgia dairy farm Andalusia a rural setting that clearly influenced her writing But before she lived on that farm before she showed signs of having lupus before she became dependent on her mother and then succumbed to the disease at thirty nine O'Connor lived in the northeast She stayed at the artists colony Yaddo in 1948 and early 1949 and lived in Connecticut with good friends from fall of 1949 through all of 1950 But in between those experiences and perhaps more importantly O'Connor lived in Manhattan In her biographies little is said of her time in Gotham in some sources this period gets no more than one sentence But little is said because little has been known In Flannery O'Connor's Manhattan the author's goal is to explore New York City from O'Connor's point of view To do this the author consults not just letters both unpublished and published and biography but five personal address books housed in Emory's Stuart A Rose Manuscript Archives and Rare Book Library The result is a book of interest to both the O'Connor fan and the O'Connor scholar not to mention those interested in midcentury Manhattan Flannery O'Connor's Manhattan is part guide to the who was who and who lived where of New York from roughly 1948 to 1964 at least those as they mattered to O'Connor It also acts as a window to the writer's experiences in the city whether she was coming into town for a series of meetings or strolling down Broadway on her way to lunch In the end it is the combination of the who she knew and the what she did that formed O'Connor's personal view of what is arguably the most famous of American cities

Frank James Kaplan, 2011-11-01 Frank Sinatra was the best known entertainer of the twentieth century infinitely charismatic lionized and notorious in equal measure But despite his mammoth fame Sinatra the man has remained an enigma Now James Kaplan brings deeper insight than ever before to the complex psyche and turbulent life behind that incomparable voice from Sinatra's humble beginning in Hoboken to his fall from grace and Oscar winning return in From Here to Eternity Here at last is the biographer who makes the reader feel what it was really like to be Frank Sinatra as man as musician as tortured genius
