THE AUTHORIZED BIOGRAPHY OF THE CHIEF RABBI

BY  
CHAIM BERMANT

# Lord Jakobovits The Authorized Biography

**Todd M. Endelman**

## **Lord Jakobovits The Authorized Biography:**

Lord Jakobovits Chaim Bermant,1990      **Lord Jakobovits** Chaim Bermant,2013-03-11 Lord Jakobovits has been described by one commentator as Mrs Thatcher's father confessor A staunch defender of Victorian values and family life he has propounded his views with a forthrightness and vigour which have often placed him at the centre of controversy and have given him national prominence And yet if extremely conservative on some issues he can be surprisingly liberal on others and he is the only Orthodox rabbi of any eminence to have openly expressed his misgivings about Israel's treatment of the Palestinians and to have called for territorial concessions in the West Bank and Gaza He is in fact difficult to categorise and this vividly written authorised biography attempts to reconcile the apparent contradictions in his views It also describes the man his colourful vivacious wife the circumstances and convictions which have helped to shape him and the communities who identities he has helped to guide Though not uncritical it adds up to a remarkable portrait of a remarkable man      **The Jewish Chronicle and Anglo-Jewry, 1841-1991** David Cesarani,1994-03-03 A history of an important newspaper and of Jewish communal life interpreted through its most vibrant public voice      **Einblicke in die "British Jewish Studies"** Rebekka Denz,Grażyna Jurewicz,Dorothea M. Salzer,2012 Keine Angaben      *Reason to Believe* Harry Freedman,2020-11-12 Louis Jacobs was Britain's most gifted Jewish scholar A Talmudic genius outstanding teacher and accomplished author cultured and easy going he was widely expected to become Britain's next Chief Rabbi Then controversy struck The Chief Rabbi refused to appoint him as Principal of Jews College the country's premier rabbinic college He further forbade him from returning as rabbi to his former synagogue All because of a book Jacobs had written some years earlier challenging from a rational perspective the traditional belief in the origins of the Torah The British Jewish community was torn apart It was a scandal unlike anything they had ever previously endured The national media loved it Jacobs became a cause celebre a beacon of reason a humble man who wouldn't be compromised His congregation resigned en masse and created a new synagogue for him in Abbey Road the heart of fashionable 1960s London It became the go to venue for Jews seeking reasonable answers to questions of faith A prolific author of over 50 books and hundreds of articles on every aspect of Judaism from the basics of religious belief to the complexities of mysticism and law Louis Jacobs won the heart and affection of the mainstream British Jewish community When the Jewish Chronicle ran a poll to discover the Greatest British Jew Jacobs won hands down He said it made him feel daft *Reason To Believe* tells the dramatic and touching story of Louis Jacobs's life and of the human drama lived out by his family deeply wounded by his rejection      The Routledge Encyclopedia of Jewish Writers of the Twentieth Century Sorrel Kerbel,2004-11-23 Now available in paperback for the first time Jewish Writers of the Twentieth Century is both a comprehensive reference resource and a springboard for further study This volume examines canonical Jewish writers less well known authors of Yiddish and Hebrew and emerging Israeli writers includes entries on figures as diverse as Marcel Proust Franz Kafka Tristan Tzara Eugene Ionesco Harold Pinter Tom Stoppard Arthur Miller

Saul Bellow Nadine Gordimer and Woody Allen contains introductory essays on Jewish American writing Holocaust literature and memoirs Yiddish writing and Anglo Jewish literature provides a chronology of twentieth century Jewish writers Compiled by expert contributors this book contains over 330 entries on individual authors each consisting of a biography a list of selected publications a scholarly essay on their work and suggestions for further reading **Connecting Histories** Gemma Romain,2013-10-28 First published in 2006 The dynamics of ethnicity diaspora identity and community are the defining features of contemporary life giving rise to important and exciting new interdisciplinary fields of study and literature on subjects that were previously seen as the exclusive domain of the social sciences Connecting Histories is an important contribution to this trend While using sociological and anthropological theories its is an innovative historical and comparative assessment of ethnic identities and memories Romain focuses on Afro Caribbean and Jewish individuals and groups investigating the ways in which communities remember their experiences **Margaret Thatcher** Robert

Philpot,2017-07-06 Margaret Thatcher s premiership changed the face of modern Britain Yet few people know of the critical role played by Jews in sparking and sustaining her revolution Was this chance choice or simply a reflection of the fact that as the Iron Lady herself said I just wanted a Cabinet of clever energetic people and frequently that turned out to be the same thing In this book the first to explore Mrs Thatcher s relationship with Britain s Jewish community Robert Philpot shows that her regard did not come simply from representing a constituency with more Jewish voters than any other but stretched back to her childhood She saw her own philosophical beliefs expressed in the values of Judaism and in it too she saw elements of her beloved father s Methodist teachings Margaret Thatcher The Honorary Jew explores Mrs Thatcher s complex and fascinating relationship with the Jewish community and draws on archives and a wide range of memoirs and exclusive interviews ranging from former Cabinet ministers to political opponents It reveals how Immanuel Jakobovits the Chief Rabbi assisted her fight with the Church of England and how her attachment to Israel led her to internal battles as a member of Edward Heath s government and as Prime Minister as well as examining her relationships with various Israeli leaders

**The Jews of Britain, 1656 to 2000** Todd M. Endelman,2002-03 A history of the Jewish community in Britain including resettlement integration acculturation economic transformation and immigration **The Forgotten Kindertransportees** Frances Williams,2014-02-25 The Forgotten Kindertransportees offers a compelling new exploration of the Kindertransport episode in Britain The Kindertransport brought close to 10 000 unaccompanied children and young people to Britain on a trans migrant basis between 1938 and 1939 with an estimated 70% of these children being of the Jewish faith The outbreak of the Second World War turned this short term initiative into a longer term episode and Britain became home to the thousands that had been forced to migrate across the continent to flee the Nazis and the tragic Holocaust that would take place This book re evaluates and challenges misconceptions about the Kindertransportees experiences in Britain misconceptions that currently pervade Kindertransport scholarship It focuses on the particularity of the Scottish experience

scrutinising misleading national pictures which have dominated existing literature and excluded this important part of the Kindertransport episode An estimated 8% of Kindertransportees were cared for in Scotland for the duration of the war years and this book demonstrates how national agendas were put into practice in a region that was far removed from the administrative and bureaucratic hub of London The Forgotten Kindertransportees provides original interpretations as it considers a number of important aspects of the Kindertransportees experiences in Scotland including those of a social political and religious nature This includes an examination of Scotland's philanthropic welfare solutions for the dependent trans migrant minor the role of Zionism and the impact of Scottish Jewry's particular approach to Judaism and a Jewish lifestyle upon broader life stories of Kindertransportees Using a vast body of new research material Frances Williams provides a fascinating and detailed examination of the Kindertransport that is region specific and one that is all the more important because of its specificity This is an important text for anyone interested in the Holocaust and the social history of those involved

Orthodox Judaism in Britain Since 1913 Miri Freud-Kandel, 2006 In 1991 just as Jonathan Sacks was acceding to the post of Chief Rabbi the United Synagogue the largest synagogal institution in British Jewry commissioned a report entitled A Time for Change This report identified the significant difficulties in which many of the Orthodox institutions of British Jewry found themselves the United Synagogue itself the Chief Rabbinate and the Bet Din its religious court It suggested that the root cause of the problems was a shift away from minhag Anglia a celebration of the twofold blessing of being Jewish and British This work examines the thought and influence of the three Chief Rabbis whose terms in office have begun and ended during the twentieth century It follows the theological shifts that have occurred amongst the religious leadership of Orthodox Judaism in Britain and assesses the influence of factors such as immigration and the so called Jacobs Affair in effecting these changes The Jewish community in Britain provides a model of a religious minority group's attempt to secure its survival in the midst of a host society that espouses alternative values derived either from secularism or an alternative religious system Through an in depth analysis of the theology of Chief Rabbi Joseph Herman Hertz this work identifies a paradigm that was established for Jews in Britain of a strong and confident Orthodoxy that champions interaction in the host society The Chief Rabbinate of Israel Brodie and Immanuel Jakobovits were each influenced in different ways by the burgeoning influence of alternative models for Orthodox Judaism This work considers how this facilitated the displacement of the community's fervour for unity with religious polarisation and analyses how its religious leadership adopted a theology which seemed to call on Anglo Jewry to forsake its ideology of meaningful interaction to secure its religious identity

**Holocaust and Rescue** P. Shatzkes, 2002-02-27 This book challenges the widely held view which condemns as weak and half hearted Anglo Jewish efforts on behalf of European Jews during the Nazi period Anglo Jewish organizations achieved remarkable successes in the pre war years combining their administrative expertise with the financial guarantee of maintenance to accomplish the rescue of over fifty thousand refugees By tragic contrast their lack of political

and diplomatic experience during wartime rendered them almost entirely incapable of influencing an intransigent government engaged in global war to save Jewish lives      **The Jewish Renaissance and Some of Its Discontents** Lionel Kochan,1992 On pp 90 117 *The Task of the Historian* objects to the tendency to turn the Holocaust into the central focal point of Jewish history and of the Jewish civil religion Speaks against attempts of historians and politicians to make the Holocaust a paradigm of pre Israeli Jewish history and to connect the establishment of the State of Israel with the Holocaust

The Palgrave Dictionary of Anglo-Jewish History W. Rubinstein,2011-01-27 This authoritative and comprehensive guide to key people and events in Anglo Jewish history stretches from Cromwell s re admittance of the Jews in 1656 to the present day and contains nearly 3000 entries the vast majority of which are not featured in any other sources      **The Jewish Quarterly** ,2000      **Margaret Thatcher and the Middle East** Azriel Bermant,2016-11-03 This volume examines Margaret Thatcher s policy on the Middle East with a spotlight on her approach to the Israeli Palestinian conflict

Problems with Prayers Stefan C. Reif,2012-03-12 Much of the primary research summarized here relates to Cambridge Genizah manuscripts a thousand year old source that testifies to liturgical as well of course as non liturgical developments that greatly predate other source material When the research is concerned with pre Genizah history the Genizah evidence is also relevant since the historian of religious ideas must ultimately decide how to date characterize and conceptualize its contents and how to explain where they vary significantly from what became or is regarded rightly or wrongly as having become the standard rabbinic liturgy sanctioned by the Iraqi Jewish authorities from the ninth to the eleventh century      *Anglo-Jewish Bibliography, 1971-1990* Ruth Pauline Goldschmidt-Lehmann,Stephen W. Massil,Peter Shmuel Salinger,1992 The fifth volume in a series published since 1988 Lists books and articles mainly in English See the index for works on antisemitism      *Jewish Preaching in Times of War, 1800 - 2001* Marc Saperstein,2012-08-31 Wartime sermons offer a window on to how Jews perceive themselves in relation to the majority society and how Jewish and national values are reconciled when the fate of a nation is at stake They also reveal a great deal about how rabbis guide their communities through the challenges of their times The sermons reproduced here were delivered by rabbis from across the Jewish spectrum and each is accompanied by a comprehensive introduction and detailed notes      *Jewish Quarterly* ,1988
