Lisa López Levers

Loss And Grief A Guide For Human Services Practitioners:

Loss and Grief Neil Thompson, 2017-03-14 This edited volume explores the wide range of practice situations across the human services in which issues loss and grief are likely to be important It also extends understandings of loss and grief beyond death related losses encompassing new developments in the theoretical literature Addressing the social and political dimensions of loss and grief as well as the psychological dimensions this text brings together contributors from a variety of disciplines professional background and countries including such renowned figures as Dame Cicely Saunders and Robert A Neimeyer

Loss, Grief, and Trauma in the Workplace Neil Thompson, Dale Lund, 2017-07-12 The workplace is not immune to the problems pressures and challenges presented by experiences of loss and trauma and the grief reactions they produce This clearly written well crafted book offers important insights and understanding to help us appreciate the difficulties involved and prepare ourselves for dealing with such demanding situations when they arise People s experiences of loss and trauma are of course not left at the factory gate or the office door Nor are loss and traumatic events absent from the workplace itself Loss grief and trauma are very much a part of life and that includes working life Executives managers human resource professionals and employee assistance staff need to have at least a basic understanding of how loss grief and trauma affect people in the workplace This book provides that foundation of understanding and offers guidance on how to find out more about these vitally important workplace issues The text provides a valuable blend of theory and practice that will be of interest to those involved in management human resources and organizational studies as well as those interested in the social scientific study of loss grief and trauma and of course to those involved in the helping professions It is essential reading for anyone concerned with making the workplace a more humane and effective environment or anyone wishing to develop an understanding of the complexities of loss grief and trauma in our lives

Working with Loss, Death and Bereavement Jeremy Weinstein, 2007-11-15 This book makes a significant contribution to the literature The author is to be commended for the huge amount of work he has put into this volume which deserves to be widely used Professor Bernard Moss Staffordshire University All social workers encounter complex and diverse forms of loss throughout their practice Working with Loss Death and Bereavement helps trainee and practitioners navigate these difficult situations by developing the skills and values necessary for effective and empowering practice Each chapter is grounded in social work theory and is illustrated by practice scenarios exercises suggestions for further study and contemporary cultural examples from novels and films The book explores definitions and assessment of loss psychological aspects of loss and grief skills methods and theories working with the individual families support groups and communities avenues of support for social workers key themes of anti discriminatory practice evidence based practice and ethical awareness This invaluable skills based book meets the training requirements for social workers and will be essential reading for students or practitioners wishing to reflect on and develop their own practice in working with loss death and bereavement Jeremy Weinstein worked as a social worker prior to

teaching at London South Bank University where he is now a Visiting Fellow Jeremy is an accredited trainer and gestalt psychotherapist with a small private practice offering therapy supervision and consultation

Counseling Hispanics Through Loss, Grief, And Bereavement Ligia M. Houben, 2012 Counseling Hispanics through Loss Grief and Bereavement is an extremely timely and welcome addition to the literature in thanatology Counselors will find in it the tools knowledge and insights to respond to a growing and diverse Hispanic community as individuals cope with loss and grief from the foreword by Kenneth J Doka PhD Professor The College of New Rochelle Senior Consultant The Hospice Foundation of America Hispanics the fastest growing minority population in the United States are increasingly willing to seek mental health counseling creating a critical need for counselors to understand the values and traditions of Hispanic culture This book examines these values and traditions and their impact on the ways in which this population copes with loss grief and bereavement across the life span The book addresses the unique losses that may be faced by Hispanics particularly newcomers who must adapt to a different language and unfamiliar customs It focuses on such important cultural considerations as styles of verbal and nonverbal communication personal space social organization environmental control factors and the significance of gender Competency based models and Latino specific counseling frameworks are integrated into the text along with the historical and political context from which they arise Numerous practical recommendations for improving quality of care are provided with specific attention given to the great diversity of cultures within the Hispanic population and the need for counselors to take these variations into consideration Key Features Facilitates understanding of Hispanic values and traditions to promote more sensitive and effective treatment Provides exercises to help therapists evaluate their own knowledge and awareness of particular Hispanic cultures Addresses factors that may impede a successful therapeutic relationship Presents specific techniques for building trust with Hispanic clients Includes illustrative case studies throughout the text

An Expressive Arts Approach to Healing Loss and Grief Irene Renzenbrink, 2021-06-21 Drawing on expertise in both expressive arts and grief counselling this book highlights the use of expressive arts therapeutic methods in confronting and healing grief and bereavement Establishing a link between these two approaches it widens our understanding of loss and grief With personal and professional insight Renzenbrink illuminates the healing and restorative power of creative arts therapies as well as addressing the impact of communion with others and the role that expressive arts can play in community change Covering a broad understanding of grief the discussion incorporates migration and losing one's home chronic illness and natural disasters highlighting the breadth of types of loss and widening our perceptions of this Grief specialists are given imaginative and nourishing tools to incorporate into their practice and better support their clients An invaluable resource to expand understanding of grief and explore the power of expressive arts to heal both communities and individuals

Living with Dying Joan Berzoff, Phyllis R. Silverman, 2004 The first resource on end of life care for healthcare practitioners who work with the terminally ill and their families Living with Dying begins with the narratives of

five healthcare professionals who when faced with overwhelming personal losses altered their clinical practices and philosophies The book provides ways to ensure a respectful death for individuals families groups and communities and is organized around theoretical issues in loss grief and bereavement and around clinical practice with individuals families and groups Living with Dying addresses practice with people who have specific illnesses such as AIDS bone marrow disease and cancer and pays special attention to patients who have been stigmatized by culture ability sexual orientation age race or homelessness The book includes content on trauma and developmental issues for children adults and the aging who are dying and it addresses legal ethical spiritual cultural and social class issues as core factors in the assessment of and work with the dying It explores interdisciplinary teamwork supervision and the organizational and financing contexts in which dying occurs Current research in end of life care ways to provide leadership in the field and a call for compassion insight and respect for the dying makes this an indispensable resource for social workers healthcare educators administrators consultants advocates and practitioners who work with the dying and their families Counseling Children and Adolescents Jolie Ziomek-Daigle, 2017-06-26 Part VI Creativity Expressive Arts and Play Therapy Evidence Based Strategies Approaches and Practices with Youth and Future Directions and Trends in Counseling Youth 14 Creativity Expressive Arts and Play Therapy 15 Strategies Approaches and Evidence Based Practices 16 Future Directions and Trends in Counseling Children and Adolescents Index **Contemporary Social Work Practice: a Handbook for Students** Barbra Teater, 2014-04-16 This exciting new book provides an overview of fifteen different contemporary social work practice settings spanning across the statutory voluntary private and third sectors It serves as the perfect introduction to the various roles social workers can have and the numerous places they can work equipping students with the knowledge skills and values required to work in areas ranging from mental health to fostering and adoption and from alcohol and drug treatment services to youth offending Each chapter provides An overview of the setting including the role of the social worker how service users gain access to the service and key issues definitions or terms specific to the setting Legislation and policy guidance related to the specific setting The key theories and methods related to the setting Best practice approaches and the benefits and challenges of working within the setting Case examples illustrating the application of the information to practice Social work students will find this an invaluable handbook that they will refer to time and again throughout their education and into their assessed and supported year of employment Contributors Mark Baldwin Jo Bell Jenny Clifford Jill Chonody Clare Evans Benedict Fell Alinka Gearon Issy Harvey Caroline Hickman Tony Jeffs Debbie Martin Malcolm Payne Justin Rogers Sue Taplin Barbra Teater John Watson Michele Winter It is an excellent student introduction to this diverse profession Full of information that provides a thought provoking read Andrew Ellery Social Care Professional This book really is an excellent resource for social work students at an introductory level and for preparation for placement levels It provides a comprehensive overview of a range of service user groups as well as specific issues such as domestic violence homelessness and substance use Each

section is structured around the policy and legislative context and includes comment on theory challenges and anti oppressive practice with case examples to aid learning The focus on the settings within which social work is practiced is particularly welcome and provides an essential companion to introductory books which look more at values professional behaviour and skills The range of different settings covered provides excellent preparation for students about to start a placement The sections on rehabilitation of offenders and self harm highlight topics that are often given less attention but may well be encountered by students on placement I will certainly be including this book as essential reading for students on introductory and practice preparation modules Allan Rose Social Work Lecturer Brunel University UK

Death Across Cultures Helaine Selin, Robert M. Rakoff, 2019-07-01 Death Across Cultures Death and Dying in Non Western Cultures explores death practices and beliefs before and after death around the non Western world It includes chapters on countries in Africa Asia South America as well as indigenous people in Australia and North America These chapters address changes in death rituals and beliefs medicalization and the industry of death and the different ways cultures mediate the impacts of modernity Comparative studies with the west and among countries are included This book brings together global research conducted by anthropologists social scientists and scholars who work closely with individuals from the cultures they are writing about

Sustaining Persons, Grieving Losses Dianne Crowther, 2017-01-19 Dementia presents a significant social issue in a hyper cognitive culture where stigma relational neglect and isolation still accompany forgetfulness This raises serious theological ecclesiological and pastoral questions calling for a Christian response To fight against a malignant social positioning of anyone as an empty shell is crucial nonetheless there is another pressing reality the reality of ongoing loss Often the focus is on one or the other side affirming personhood or acknowledging loss and grief Spiritual caregiving and Christian pastoral caregiving are uniquely placed to offer both sustaining relationship and grief support to both caregivers and persons with dementia This pastoral approach emerges from cultural scholarship rigorous on the ground research and theological reflection on God s purposes in responding to persons in and beyond the Christian community Christian communities are called to be places of agape love compassion and hospitality We individually and corporately are called to care to love honor value comfort and sustain one another and one another includes those who travel the road of forgetting and those who travel with them This fresh pastoral approach offers theologically and culturally informed practical ways of sustaining persons in the midst of their losses throughout the dementia journey

Young People'S Experiences Of Loss And Bereavement: Towards An Interdisciplinary Approach Ribbens McCarthy, Jane, 2006-11-01 Everyone from health care workers to family therapists will find a treasure trove of insight into how young people deal with the deaths of loved ones This book draws together a range of research and includes narrative based case studies to compose a comprehensive overview of various theories and research

Encyclopedia of Death and the Human Experience Clifton D. Bryant, Dennis L. Peck, 2009-07-15 Death and dying and death related behavior involve the causes of death and the nature of the actions and

emotions surrounding death among the living Interest in the varied dimensions of death and dying has led to the development of death studies that move beyond medical research to include behavioral science disciplines and practitioner oriented fields As a result of this interdisciplinary interest the literature in the field has proliferated This two volume resource addresses the traditional death and dying related topics but also presents a unique focus on the human experience to create a new dimension to the study of death and dying With more than 300 entries the Encyclopedia of Death and the Human Experience includes the complex cultural beliefs and traditions and the institutionalized social rituals that surround dying and death as well as the array of emotional responses relating to bereavement grieving and mourning The Encyclopedia is enriched through important multidisciplinary contributions and perspectives as it arranges organizes defines and clarifies a comprehensive list of death related perspectives concepts and theories Key Features Imparts significant insight into the process of dying and the phenomenon of death Includes contributors from Asia Africa Australia Canada China eastern southern and western Europe Iceland Scandinavia South America and the United States who offer important interdisciplinary and cross cultural perspectives Provides a special focus on the cultural artifacts and social institutions and practices that constitute the human experience Addresses death related terms and concepts such as angel makers equivocal death end of life decision making near death experiences cemeteries ghost photography halo nurses caregiver stress cyberfunerals global religious beliefs and traditions and death denial Presents a selective use of figures tables and images Key Themes Arts Media and Popular Culture Perspectives Causes of Death Conceptualization of Death Dying and the Human Experience Coping With Loss and Grief The Human Experience Cross Cultural Perspectives Cultural Determined Social Oriented and Violent Forms of Death Developmental and Demographic Perspectives Funerals and Death Related Activities Legal Matters Process of Dying Symbolic Rituals Ceremonies and Celebrations of Life Theories and Concepts Unworldly Entities and Events With an array of topics that include traditional subjects and important emerging ideas the Encyclopedia of Death and the Human Experience is the ultimate resource for students researchers academics and others interested in this intriguing area of study

Learning Disabilities Helen Atherton,Debbie Crickmore,2011-05-19 Learning Disabilities Toward Inclusion formerly edited by Bob Gates is one of the leading textbooks in this field It offers real ways to improve quality of experience for people with learning disabilities in all areas of life This new edition brings together a comprehensive and coherent collection of material from eminent authors with a wealth of professional backgrounds and roles Its contemporary focus reflects practice developments including the impact of changing policy and legislation on the nature and configuration of services The leading textbook for carers of people with learning disabilities A comprehensive overview of the field of learning disabilities care Well written accessible content Activities case studies diagrams and further resources including useful web links the embedding of key themes across chapters to draw diverse material into an integrated whole These are person centredness values the reality of practice the range of ability the range of services and national and

international perspectives chapters on advocacy personal narratives and life story inclusive research risk safeguarding sensory awareness epilepsy and end of life care online case studies and activities with critical thinking questions and hot links to web resources to extend knowledge and understanding thereby facilitating learning a fully searchable customisable electronic version of the text to enable easy access and quick reference

Helping Grieving People - When Tears Are Not Enough J. Shep Jeffreys, 2011-05-09 Helping Grieving People When Tears Are Not Enough is a handbook for care providers who provide service support and counseling to those grieving death illness and other losses This book is also an excellent text for academic courses as well as for staff development training The author addresses grief as it affects a variety of relationships and discusses different intervention and support strategies always cognizant of individual and cultural differences in the expression and treatment of grief Jeffreys has established a practical approach to preparing grief care providers through three basic tracks The first track Heart calls for self discovery freeing oneself of accumulated loss in order to focus all attention on the griever Second track Head emphasizes understanding the complex and dynamic phenomena of human grief Third track Hands stresses the caregiver's actual intervention and speaks to lay and professional levels of skill as well as the various approaches for healing available Accompanying these three motifs the Handbook discusses the social and cultural contexts of grief as applied to various populations of griever as well as the underlying psychological basis of human grief Throughout the book Jeffreys presents the role of the caregiver as an Exquisite Witness to the journey of grief and pain of bereaved family and friends and also to the path taken by dying persons and their families The second edition of Helping Grieving People remains true to the approach that has been so well received in the original volume It includes updated research findings and addresses new information and developments in the field of loss grief and bereavement

Dying, Assisted Death and Mourning Asa Kasher, 2009 Dying and death are topics of deep humane concern for many people in a variety of circumstances and contexts However they are not discussed to any great extent or with sufficient focus in order to gain knowledge and understanding of their major features and aspects The present volume is an attempt to bridge the undesirable gap between what should be known and understood about dying and death and what is easily accessible Included in the present volume are chapters arranged in three sections First there are chapters on aspects of dying written by people who have professional experience and personal insights into the nature of the processes at work and the ways it should be treated Secondly there are chapters on assisted death Euthanasia that illuminate the practices involved in the professional assistance given to persons who suffer from an incurable illness and who do not want their painful life to be medically extended Thirdly there are chapters on mourning examined in a variety of cultural contexts These provide insights for different ways of maintaining the presence of the dead in the life of the living life in the hearts

The Social Work Companion Neil Thompson, Sue Thompson, 2017-09-16 This new and fully updated edition of a hugely popular textbook is a practical and user friendly guide that lets students know what to expect from their course and will be there every step of the

way as a reference tool Written by experts in the field the book guides the reader through from their academic study on social work courses to entering the field as a practitioner The Social Work Companion is the essential survival guide for students on qualifying courses in social work and a helpful resource for experienced practitioners New to this Edition A indispensable wide ranging yet accessible coverage of the core areas of theory and practice studied on a typical social work degree course A wealth of guidance on study skills advice about possible career directions and extensive signposting to sources of further information

Handbook for Practice Learning in Social Work and Social Care Joyce Lishman, 2007 Rev expanded and updated ed of Handbook of theory for practice teachers in social work London J Kingsley 1991

Promoting Health and Well-being in Social Work Education Beth R. Crisp, Liz Beddoe, 2013-10-18 Social work educators can play an important part in ensuring that the promotion of health and well being is firmly on the social work agenda for service users as well as for students and educators Nevertheless this has not been a priority within social work education and presents a challenge which requires some re thinking in terms of curriculum content pedagogy and how social workers respond to social problems Furthermore if the promotion of health and well being is not considered a priority for social workers this raises important questions about the role and relevance of social work in health and thus poses challenges to social work education both now and in the future This book contains contributions from social work educators from Australia America Canada New Zealand and the UK They reflect on how best to prepare students to put health and well being to the forefront of practice drawing on research on quality of life subjective well being student well being community participation and social connectedness religion and spirituality mindful practices trauma and health inequalities This book is an extended version of a special issue of Social Work Education

Negotiating Death in Contemporary Health and Social Care Margaret Holloway, 2007-10-17 This book brings together perspectives from social science health care and

pastoral theology looking at the way death is handled in contemporary society and the sensitive ethical and practical dilemmas facing nurses social workers doctors and chaplains
