Don't Let a Break-Up Break You Down Cassandra Mack,2018-03-04 Breaking up sucks Your ex dumped you You cut him off You both agreed to go your separate ways even though you really didn t want to When it s all said and done it doesn t even matter The feelings that follow are basically the same You can t stop crying You can t stop thinking about him And you can t stop wondering Where did we go wrong One minute you hate him The next minute you miss him desperately The days drag on and the nights are absolutely torturous You find yourself waiting by the phone hoping he calls With the compulsion of a telemarketer you check your email hoping he reaches out to say how sorry he is and that letting you go was all a big mistake Lately you don t know whether you re coming or going You re angry depressed and confused all at the same time And you re starting to wonder if you ll ever feel happy again Every love song reminds you of him Every romantic movie reinforces how lonely you feel Your heart is aching Your head is spinning And every fiber of your being longs to be with him again No matter how much you tell yourself that you need to move on you just can t seem to pull yourself out of this slump Your friends are tired of hearing about him Between your play by play relationship reruns and your never ending phone rants that begin and end with Do you think he still cares You are driving your friends completely nuts Deep down you know you need to move on But you just can t find the wherewithal to get on with your life And nowadays with the advent of Facebook and Twitter getting over a break up is increasingly hard to do This is where Don t Let A Break Up Break You Down comes in It s a break up survival guide designed to help you get through your break up with your self respect and dignity intact because as sad and as bad as you feel right now this break up doesn t have to break you down The hard cold truth is as sad as you feel right now surviving a break up has more to do with your mindset and willingness to move forward than it has to do with your mood and emotions In no way am I downplaying your break up because the pain that comes with the end of a relationship hurts like hell no matter who ended it Be that as it may the longer you hold on to an ex who doesn t want to be with you or who is unwilling or unable to give you what you need the more you prolong your heartbreak and keep yourself trapped in relationship purgatory So why not get in the driver s seat of your break up by turning your break up into a break over After all a smart girl like you doesn t want to waste a whole lot of time moping over a guy who has chosen to call it quits or who has treated you so poorly that he s left you with no alternative than to kick his sorry ass to the curb With that said here s what s going to happen in this book you ll receive my break up survival rules which are bite sized strategies designed to help you do three things put your situation into perspective refuse to get trapped in relationship purgatory and take proactive steps to move forward Also included are the Crazy Pages which are blank pages

specifically designed for you to put the crazy on paper so that you don't bring your crazy onto the job out in cyberspace or on your ex's front lawn. Let me be clear here: Reading this book does not mean that you won't miss your ex, have occasional crying spells or that you won't feel sad and lonely sometimes. You will. Not only that, you will still go through the gamut of emotions that come with the end of a relationship. The difference is you will go through with a survival guide that will help you get to the other side. Here's the other piece: even if you feel a little sad initially, what will happen over time is day by day you will start to feel better. What's more, you will fast forward the healing process. You will also come to realize that you have the strength to move on and become hopeful about your future.

Breaking Up Without Breaking Down Kristina De La Cal, 2007-10 Sometimes picking up the pieces after a divorce or break up can prove to be more of a challenge than the relationship was. What if you had a manual to help guide you through the ruins of a messy break up, a road map that could light the way as you navigate through the murky waters of heartache? What if you knew what series of emotions you could expect to feel and then armed yourself with ways to channel those emotions effectively? Breaking Up Without Breaking Down puts you back into the driver's seat of your life. Using a step by step approach, it offers valuable insight and provides readers with common sense as well as innovative ideas to facilitate healing. Additionally, readers are invited to take a glimpse into the personal struggles of both men and women who have endured and ultimately survived a painful break up. By addressing potential obstacles faced by people from all walks of life, Breaking Up Without Breaking Down adopts a universal approach to healing so that you can start picking up the pieces to become whole again.

A Guide Through Breaking Up Without Heartbreak Christopher Walker, 2008-10 Christopher Walker has employed Eastern arts tools for years, embracing the impermanence of life and helping people learn to naturally heal themselves from the stress and emotional turmoil experienced at the end of an intimate personal relationship. Founder of Innerwealth Consulting, Walker has coached thousands of individuals to evolve and grow using the universal laws of nature. The ancient laws of nature tap the deepest core of an individual's humanity, dealing with emotional attachments, heartbreak, and complex human dynamics. The laws recognize three levels of human mind: the lower mind, which is guided by material attachments; the middle mind, which is guided by emotions; and the higher mind, which is guided by the experience of the journey and cares nothing of the outcome. The ancient laws provide guidance regarding how to work with all three levels of mind to achieve harmony. Breaking Up Using the Laws of Nature to Learn How to Let Go applies ancient wisdom to modern times to help one manage the end of a relationship, to let go through the challenge of emotional and physical separation, to move forward in life with love and passion, and to maintain respect for everyone involved.

Break Ups: The Guide For Men And Women On How to Stop Break Ups Jason Daley, 2013-07-05

Break Ups: The Guide For Men And Women On How to Stop Break Ups is a text that delves into the many challenges that a couple can go through in a relationship which can lead to the end of that relationship. In addition to that, the author opts to put a positive spin on things and highlight how these negative situations can be converted into positive ones and save the relationship from ending. Numerous persons are struggling every day to keep their relationship going and simply have no idea on how exactly they can get it done. Once they acquire a copy of this text, they will be privy to information that can help them to navigate the turbulent waters of a relationship. The aim is to have the reader learn not only how to communicate with the other person but to keep them happy and interested in fostering an even better relationship as well.

About the Author: Jason Daley, like so many others, knows what it is like to have loved and lost. He has been in relationships that simply have not worked out and he was not able to figure out what was happening. After a while, he started to figure out what had gone wrong with those relationships and was then able to get some research done, find solutions to those problems to prevent them from recurring. Jason even took things a step further and started giving advice to friends as well. His advice worked and they encouraged him to create a video or text that would help others as well. He took their advice and created a text that would help couples solve their problems. He presents the information in simple terms that any reader can understand. The solutions are also pretty simple, which many may find surprising. Jason simply highlights the best options and leaves the reader to execute them.
