Encyclopedia of Stock Car Racing Lew Freedman, 2013-03-14. This two-volume encyclopedia is the Daytona 500 of stock car racing books: an essential Bible that provides an all-encompassing history of the sport as well as an up-to-date examination of modern-day stock car racing. How did stock car racing become firmly entrenched in American pop culture, especially in light of the lack of interest in motorsports overall as a spectator activity in the United States? And what has been the secret to NASCAR's financial success and growth over the last six decades? *Encyclopedia of Stock Car Racing* highlights approximately 250 subjects that have defined the sport since stock car racing was first organized. Organized in A-Z order, it covers all of the greatest drivers such as Richard Petty, Jimmie Johnson, Junior Johnson, and David Pearson; the special races such as the Daytona 500 and Brickyard 400; and the famed tracks across the country from Bristol Motor Speedway to Darlington Raceway to Talladega Superspeedway. This unprecedented resource collects information about every element of NASCAR history in one place: the early personalities who shaped the sport and set things in motion; the past greats who have now retired; and today's rising stars who continue to make stock car racing one of the most popular sports in the United States.

Rolling Thunder Stock Car Racing: First to the Flag Kent Wright, Don Keith, 2025-09-23. The pedal meets the metal in *Rolling Thunder Stock Car Racing*, the thrilling series that traces the history of stock car racing from the dusty dirt tracks of East Tennessee to the multi-million-dollar high-tech venues of today. In the 200-mile-per-hour world of championship stock car racing, if you aren't the first man to the flag, all the talent and promise in the world ain't worth a bucket of spit. Rocket Rob Wilder is everything the fans and those inside big-time car racing knew he could be: daring, polished, talented, and a sure threat to win. His meteoric rise to the top of the tough Grand National division, as well as his thrilling crowd-pleasing showdowns with some of the other young racers, promise even more success. But you can't bake a pie with nothing but promise. In order to prove he really is the real deal, Wilder is going to have to make the jump into the big league. And that means racing and beating the likes of Dale Earnhardt, Mark Martin, and Jeff Gordon. Does the Rocket have what it takes? *First to the Flag*, by Kent Wright and Don Keith, continues the saga of the men who risk it all to be the first under the checkered flag.
