Negroes in the United States, 1920-32 United States. Bureau of the Census,1935 *Negroes in the United States, 1920-32* ,1934 **Domestic Commerce** United States. Bureau of Foreign and Domestic Commerce,1935 *Negroes in the United States, 1920-32. Prepared ... by Charles E. Hall (assisted by Charles W. White).* United States. Bureau of the Census,Charles E. HALL (Specialist in Negro Statistics.),Charles W. WHITE,1935 *List of Publications of the Department of Commerce Available for Distribution* United States. Department of Commerce,1940 **Seeking El Dorado** Lawrence B. de Graaf,Kevin Mulroy,Quintard Taylor,2014-07-01 From the 18th century African Americans like many others have migrated to California to seek fortunes or often the more modest goals of being able to find work own a home and raise a family relatively free of discrimination Not only their search but also its outcome is covered in Seeking El Dorado Whether they settled in major cities or smaller towns African Americans created institutions and organizations churches social clubs literary societies fraternal orders civil rights organizations that embodied the legacy of their past and the values they shared Blacks came in search of the same jobs as other Americans but the search often proved frustrating Throughout the 19th and 20th centuries African American leadership in the state consistently focused on achieving racial justice The essays in this book speak of triumph and hardship success discrimination and disappointment Seeking El Dorado is a major contribution to black history and the history of the American West and will be of interest to both scholars and general readers A *Covenant with Color* Craig Steven Wilder,2000-07-05 Spanning three centuries of Brooklyn history from the colonial period to the present A Covenant with Color exposes the intricate relations of dominance and subordination that have long characterized the relative social positions of white and black Brooklynites Craig Steven Wilder examining both quantitative and qualitative evidence and utilizing cutting edge literature on race theory demonstrates how ideas of race were born how they evolved and how they were carried forth into contemporary society In charting the social history of one of the nation s oldest urban locales Wilder contends that power relations in all their complexity are the starting point for understanding Brooklyn s turbulent racial dynamics He spells out the workings of power its manipulation of resources whether in the form of unfree labor privileges of citizenship better jobs housing government aid or access to skilled trades Wilder deploys an extraordinary spectrum of evidence to illustrate the mechanics of power that have kept African American Brooklynites in subordinate positions from letters and diaries to family papers of Kings County s slaveholders from tax records to the public archives of the Home Owners Loan Corporation Wilder illustrates his points through a variety of cases including banking interests the rise of Kings County s colonial elite industrialization and slavery race based distribution of federal money in jobs and mortgage loans during and after the Depression He delves into the evolution of the Brooklyn ghetto tracing how housing segregation corralled African Americans in Bedford Stuyvesant The book explores colonial enslavement the rise of Jim Crow labor discrimination and union exclusion and educational inequality Throughout Wilder uses Brooklyn as a lens through

which to view larger issues of race and power on a national level One of the few recent attempts to provide a comprehensive history of race relations in an American city A Covenant with Color is a major contribution to urban history and the history of race and class in America *New Perspectives on the History of the Twentieth-Century American High School* Kyle P.

Steele,2021-11-07 The growth of the American high school that occurred in the twentieth century is among the most remarkable educational social and cultural phenomena of the twentieth century The history of education however has often reduced the institution to its educational function alone thus missing its significantly broader importance As a corrective this collection of essays serves four ends as an introduction to the history of the high school as a reevaluation of the power of narratives that privilege the perspective of school leaders and the curriculum as a glimpse into the worlds created by students and their communities and most critically as a means of sparking conversations about where we might look next for stories worth telling

For-Profit Democracy Loka Ashwood,2018-06-26 A fascinating sociological assessment of the damaging effects of the for profit partnership between government and corporation on rural Americans Why is government distrust rampant especially in the rural United States This book offers a simple explanation corporations and the government together dispossess rural people of their prosperity and even their property Based on four years of fieldwork this eye opening assessment by sociologist Loka Ashwood plays out in a mixed race Georgia community that hosted the first nuclear power reactors sanctioned by the government in three decades This work serves as an explanatory mirror of prominent trends in current American politics Churches become havens for redemption poaching a means of retribution guns a tool of self defense and nuclear power a faltering solution to global warming as governance strays from democratic principles In the absence of hope or trust in rulers rural racial tensions fester and divide The book tells of the rebellion that unfolds as the rights of corporations supersede the rights of humans *African Americans in the Post-Emancipation South* Alton

Hornsby,2010-12-16 Historians and other scholars often use first hand accounts including contemporary observations as sources for study of the past These types of sources are valuable especially when used in conjunction with other documents as they help us to approximate the past This study uses these types of sources to attain glimpses of African American life in the post emancipation South Spanning from the 1860s through the New Deal this study incorporates a broad cross section of the views of European travelersand Euro American visitors from the North based upon travel books as well as articles and essays from periodicals and scholarly journals The study synthesizes the outsiders observations and assesses their summaries overall validity for increasing our understanding of the lives of blacks in the post emancipation South Furthermore these accounts allow for a reconstruction of African American life and labor in the major aspects of black culture religion education politics criminal justice employment and entrepreneurship social life and status of the times The work is constructed in the context of contemporary anthropology ethnography psychology and sociology

A. Philip Randolph and the Struggle for Civil Rights Cornelius L. Bynum,2010-10-01 A Philip Randolph s career as a trade unionist and civil rights activist

fundamentally shaped the course of black protest in the mid twentieth century Standing alongside W E B Du Bois Marcus Garvey and others at the center of the cultural renaissance and political radicalism that shaped communities such as Harlem in the 1920s and into the 1930s Randolph fashioned an understanding of social justice that reflected a deep awareness of how race complicated class concerns especially among black laborers Examining Randolph s work in lobbying for the Brotherhood of Sleeping Car Porters threatening to lead a march on Washington in 1941 and establishing the Fair Employment Practice Committee Cornelius L Bynum shows that Randolph s push for African American equality took place within a broader progressive program of industrial reform Some of Randolph s pioneering plans for engineering change which served as foundational strategies in the civil rights movement of the 1950s and 1960s included direct mass action nonviolent civil disobedience and purposeful coalitions between black and white workers Bynum interweaves biographical information on Randolph with details on how he gradually shifted his thinking about race and class full citizenship rights industrial organization trade unionism and civil rights protest throughout his activist career *Preaching on Wax* Lerone A. Martin,2014-11-14 The overlooked African American religious history of the phonograph industry Winner of the 2015 Frank S and Elizabeth D Brewer Prize for outstanding scholarship in church history by a first time author presented by the American Society of Church History Certificate of Merit 2015 Award for Excellence in Historical Recorded Sound Research presented by the Association for Recorded Sound Collections From 1925 to 1941 approximately one hundred African American clergymen teamed up with leading record labels such as Columbia Paramount Victor RCA to record and sell their sermons on wax While white clerics of the era such as Aimee Semple McPherson and Charles Fuller became religious entrepreneurs and celebrities through their pioneering use of radio black clergy were largely marginalized from radio Instead they relied on other means to get their message out teaming up with corporate titans of the phonograph industry to package and distribute their old time gospel messages across the country Their nationally marketed folk sermons received an enthusiastic welcome by consumers at times even outselling top billing jazz and blues artists such as Bessie Smith and Ma Rainey These phonograph preachers significantly shaped the development of black religion during the interwar period playing a crucial role in establishing the contemporary religious practices of commodification broadcasting and celebrity Yet the fame and reach of these nationwide media ministries came at a price as phonograph preachers became subject to the principles of corporate America In *Preaching on Wax* Lerone A Martin offers the first full length account of the oft overlooked religious history of the phonograph industry He explains why a critical mass of African American ministers teamed up with the major phonograph labels of the day how and why black consumers eagerly purchased their religious records and how this phonograph religion significantly contributed to the shaping of modern African American Christianity **The Gendered West** Gordon Morris Bakken,Brenda Farrington,2013-09-13 First Published in 2001 This anthology of western history articles emphasizes the New Western History that emerged in the 1980s and adds to it a heavy dose of legal history a field

frequently ignored or misunderstood by the New Western historians From first contact American Indians knew that Europeans did not understand the gendered nature of America Confusion regarding the role of women within tribes and bands continued from first contact well into the late nineteenth century The journal articles that follow give readers a true sense of the gendered West Racial and ethnic heritage played a role in female experience whether Hispanic Japanese or Irish Women s work was part western history but women did not confine themselves to plow handles or brothels Women were very much a part of most occupations or in the process of breaking down barriers of access They worked in the fields for wages as well as for family welfare and prosperity Women demanded access to the professions whether teaching or law accounting or medicine The process of eliminating barriers varied in time and space but the struggle was constant Yet the story of women in polygamous Utah or Idaho was different and an integral part of the fabric of western history Because of their beliefs and practices these women suffered at the hands of the federal government and persevered
