Stephen Bowman

North Atlantic Triangle The Interplay Of Canada The United States And Great Britain:

North Atlantic Triangle John Bartlet Brebner, 1949 *North Atlantic Triangle* John Bartlet Brebner, 1966 *North Atlantic Triangle* John Bartlet Brebner, 1968 **Rockefeller, Carnegie, and Canada** Jeffrey David Brison, 2005 In the first half of the twentieth century the Rockefeller Foundation and the Carnegie Corporation helped to create and maintain a cultural and intellectual infrastructure in Canada that benefited key institutions such as University of Toronto McGill University the National Gallery the Humanities Research Council of Canada and the Canadian Social Science Research Council Jeffrey Brison documents how American philanthropy facilitated the transformation from a private localized system of cultural intellectual and academic patronage to a complex nation based system of incorporated patronage a system in which the major patron was the federal state His study calls into question our essentialistic notions of contrasting national identities and the now mythologized juxtaposition of an American culture fuelled by the free market with a Canadian one sustained by state support **The Routledge History of Twentieth-Century United States** Jerald Podair, Darren Dochuk, 2018-05-02 The Routledge History of the Twentieth Century United States is a comprehensive introduction to the most important trends and developments in the study of modern United States history Driven by interdisciplinary scholarship the thirty four original chapters underscore the vast range of identities perspectives and tensions that contributed to the growth and contested meanings of the United States in the twentieth century The chronological and topical breadth of the collection highlights critical political and economic developments of the century while also drawing attention to relatively recent areas of research including borderlands technology and disability studies Dynamic and flexible in its possible applications The Routledge History of the Twentieth Century United States offers an exciting new resource for the study of modern American history **Colonialism and Capitalism: Canada's Origins 1500-1890** BRYAN D. PALMER, 2024-09-17 In the past decade Canadian history has become a hotly contested subject Iconic figures notably Sir John A Macdonald are no longer unquestioned nation builders The narrative of two founding peoples has been set aside in favour of recognition of Indigenous nations whose lands were taken up by the incoming settlers An authoritative and widely respected Truth and Reconciliation Commission together with an honoured Chief Justice of the Supreme Court have both described long standing government policies and practices as cultural genocide Historians have researched and published a wide range of new research documenting the many complex threads comprising the Canadian experience As a leading historian of labour and social movements Bryan Palmer has been a major contributor to this literature In this first volume of a major new survey history of Canada he offers a narrative which is based on the recent and often specialized research and writing of his historian colleagues One major theme in this book is the colonial practices of the authorities as they pushed aside the original peoples of this country While the methods varied the result was opening up Canada's rich resources for exploitation by the incoming European settlers The second major theme is the role of capitalism in determining how those resources were

exploited and who would reap the enormous power and wealth that accrued The first volume of this challenging and illuminating new survey history covers the period that concludes in the 1890s after the creation out of Britain's northern colonies of the semi autonomous federal Canadian state Volume II to be published in spring 2025 takes the narrative to the present Nation Maker Richard J. Gwyn,2012-08-21 1 NATIONAL BESTSELLER John A Macdonald Canada's first and most important prime minister is the man who made Confederation happen who built this country over the next quarter century and who shaped what it is today From Confederation Day in 1867 where this volume picks up Macdonald finessed a reluctant union of four provinces in central and eastern Canada into a strong nation despite indifference from Britain and annexationist sentiment in the United States But it wasn't easy Gwyn paints a superb portrait of Canada and its leaders through these formative years and also delves deep to show us Macdonald the man as he marries for the second time deals with the birth of a disabled child and the assassination of his close friend Darcy McGee and wrestles with whether Riel should hang Indelibly Gwyn shows us Macdonald's love of this country and his ability to joust with forces who would have been just as happy to see the end of Canada before it had really begun creating a must read for all Canadians

Transatlantic Partners Evan H. Potter,1999 The end of the Cold War and the advent of the European Union EU as an emerging political actor have fundamentally changed Canada's approach to its relations with Western Europe Trans Atlantic Partners traces the Canadian Government's reassessment of its traditional Atlanticist foreign policy orientation by looking at the rising importance of the EU as a key pillar in Canada's post World War II trans Atlantic relations *The Shaping of America: A Geographical Perspective on 500 Years of History* D. W. Meinig,2010-01-01 This landmark book the concluding volume of D W Meinig's magisterial series The Shaping of America presents the story of America's interwoven history and geography from 1915 to 2000 The author describes decades of enormous national growth and change in his characteristic engaging style and through more than seventy original maps he ingeniously depicts diverse twentieth century trends and developments The book addresses the expanding nation's progress in terms of the automotive revolution neotechnic evolution access to air travel growth of instantaneous forms of communication including telephones television and the Internet and such political events as World War II Meinig relates these developments to social and geographic trends among them patterns of urban migration regionalism metropolitanization the beginnings of the urban megalopolis shifts in ethnic and religious populations and on a more global scale transformations in America's connections with Europe Asia and Latin America A masterful synthesis of twentieth century history and geography this book offers unprecedented insights into the shaping and reshaping of the United States over the past century Late Georgian and Regency England, 1760-1837 Robert A. Smith,2004-07-08 A guide to historical literature on England between 1760 and 1837 emphasising more recent work

Global America, 1915-2000 D. W. Meinig,2006-09-01 This landmark book the concluding volume in a magisterial series presents the story of America's interwoven history and geography from 1915 to 2000 Discussing such developments as the

automotive neotechnic and communications revolutions the world wars urban migration and regionalism D W Meinig offers unprecedented insights into the reshaping of the United States Meinig at his best he presents a masterly synthesis of the cultural complexity of America a compelling account of the dramatic but immensely complicated restructuring of its human geography during the twentieth century Graeme Wynn *Journal of Historical Geography* This work will shape the way many people view the United States for a long time to come Essential Choice This splendid work concludes the most ambitious writing project of any American geographer ever Global America meets and even exceeds the high standards set by the previous three volumes John C Hudson Northwestern University **The Statesman's Year-Book 1972-73 J.**

Paxton,2016-12-23 The classic reference work that provides annually updated information on the countries of the world

Pilgrims Society and Public Diplomacy, 1895-1945 Stephen Bowman,2018-02-01 Drawing on rich archival research this book explores how the elite network of the Pilgrims Society whose members included J P Morgan and Andrew Carnegie attempted to influence the Anglo American relationship in the days before it became special [Historical Dictionary of U.S. Diplomacy from the Civil War to World War I](#) Kenneth J. Blume,2016-10-20 The period encompassed by this volume with the start of the Civil War and World War I as bookends has gone by a number of colorful names The Imperial Years The New American Empire America s Rise to World Power Imperial Democracy The Awkward Years or Prelude to World Power for example A different organizing theme would describe the period as one in which a transformation took place in American foreign relations But whatever developments or events historians have emphasized there is general agreement that the period was one in which something changed in the American approach to the world This second edition of Historical Dictionary of U S Diplomacy from the Civil War to World War I contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1 000 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about diplomacy during this period *The Statesman's Year-Book 1965-66* S. Steinberg,2016-12-26

The classic reference work that provides annually updated information on the countries of the world *Two-Edged Sword* Nicholas Tracy,2012 An examination of the Royal Canadian Navy and its promotion of sovereignty through collective defence

The Seabound Coast William Johnston,William G.P. Rawling,Richard H. Gimblett,John MacFarlane,2011-01-14 Commended for the 2011 Keith Matthews Award From its creation in 1910 the Royal Canadian Navy was marked by political debate over the countrys need for a naval service The Seabound Coast Volume I of a three volume official history of the RCN traces the story of the navys first three decades from its beginnings as Prime Minister Sir Wilfrid Lauriers tinpot navy of two obsolescent British cruisers to the force of six modern destroyers and four minesweepers with which it began the Second World War The previously published Volume II of this history Part 1 No Higher Purpose and Part 2 A Blue Water Navy has already told the story of the RCN during the 1939-1945 conflict Based on extensive archival research The Seabound Coast

recounts the acrimonious debates that eventually led to the RCNs establishment in 1910 its tenuous existence following the Laurier governments sudden replacement by that of Robert Borden one year later and the navys struggles during the First World War when it was forced to defend Canadian waters with only a handful of resources From the effects of the devastating Halifax explosion in December 1917 to the U boat campaign off Canadas East Coast in 1918 the volume examines how the RCNs task was made more difficult by the often inconsistent advice Ottawa received from the British Admiralty in London In its final section this important and well illustrated history relates the RCNs experience during the interwar years when anti war sentiment and an economic depression threatened the services very survival *Married Women and Property Law in Victorian Ontario* Anne Lorene Chambers,Osgoode Society for Canadian Legal History,1997-01-01 A meticulously researched and revisionist study of the nineteenth century Ontario s Married Women s Property Acts They were important landmarks in the legal emancipation of women

The A to Z of U.S. Diplomacy from the Civil War to World War I
Kenneth J. Blume,2010-02-12 The A to Z of U S Diplomacy from the Civil War to World War I provides a convenient introduction to a critical period of American diplomacy The half century from 1861 to 1914 formed a crucial time in the development of the American approach to the world for the United States laid the foundations for its 20th century foreign policy While the famed Monroe Doctrine insisted that no foreign power meddle in the American continent it did not stop the U S from waging war against Spain mixing in conflicts in Cuba Chile and Mexico nor in backing independence for Panama all the while acquiring smaller Pacific islands The book includes o An introductory essay outlining main themes and problems of the era o A chronology of main events o Over 1 000 separate cross referenced dictionary entries exploring all aspects of American Diplomacy o Appendixes providing lists of presidents secretaries of state war and navy all American diplomatic ministers and ambassadors and most U S consuls o A photographic section with images of significant individuals and locations o A bibliography facilitating further research

[A Companion to Franklin D. Roosevelt](#) William D. Pederson,2011-03-21 A Companion to Franklin D Roosevelt presents a collection of historiographical essays by leading scholars that provides a comprehensive review of the scholarship on the president who led the United States through the tumultuous period from the Great Depression to the waning days of World War II Represents a state of the art assessment of current scholarship on FDR the only president elected to four terms of office and the central figure in key events of the first half of the 20th century Covers all aspects of FDR s life and times from his health relationships and Supreme Court packing to New Deal policies institutional issues and international relations Features 35 essays by leading FDR scholars
