Passion For Acting Exploring The Creative Process:

A Passion for Acting Allan Miller, 1995-03 This book takes the aspiring actor down that path using an innovative set of acting exercises and fascinating anecdotes to help the actor fully develop his or her own craft Drawing on early studies at New York's legendary Actors Studio as well as teaching experiences with Barbra Streisand the author explores key acting topics like inspiration relaxation sense and emotional memories character work auditions and rehearsals

Shakespearean Characterization Leslie O'Dell, 2001-10-30 Shakespeare's plays were written some four hundred years ago and while his characters are enduring they are also alien In grappling with the text of his plays the modern actor must bring Shakespeare's Renaissance characters to life for a modern audience And while it is difficult enough for twentieth century spectators to make sense of the plays it is also hard for modern actors to understand the Elizabethan world that created the personalities so vividly sketched in Shakespeare's texts This reference is a convenient and practical guide for actors faced with the task of playing Shakespeare's characters The volume begins with an overview of Elizabethan theatrical conventions including the training of actors It then looks at the dramatic tradition of personification which Shakespeare's world inherited from the medieval stage Later chapters give special attention to how language reveals character and to the social and cultural contexts of the Renaissance Throughout the emphasis is on how to translate Shakespeare's text into action on the stage While the volume contains much useful information that information is presented to meet the special needs of theater professionals

Hello, Gorgeous William J. Mann, 2012 In this intimate portrait Mann incisively illuminates Streisand's climb to fame before she became the icon

Shakespearean Language Leslie O'Dell, 2001-10-30 Shakespeare was a master of language his sayings have become part of everyday speech and his plays endure in part because of the beauty of his verse Shakespeare's language however poses special difficulties for modern actors because many of his words seem unusual or difficult to pronounce he employs rhetorical devices throughout his works and he carefully uses rhythm to convey sense The relation of the modern actor to the Shakespearean text the importance of understanding the nuances of his language and the fundamentals of grammar are all thoroughly examined in this volume Its heart is a detailed consideration of the iambic code the metrical system that Shakespeare used to give so much power to his verse O'Dell also examines the importance of formal rhetoric in Elizabethan England and Shakespeare's artful use of rhetorical devices in his plays As a practical reference guide this volume keeps in mind the particular needs of theater professionals

Acting is Everything Judy Kerr, 2000 This really is the ultimate guidebook for actors who are determined to initiate and sustain a successful acting career in Los Angeles or in their hometowns Filled with practical advice Acting Is Everything helps beginners avoid scams so they can get down to the business of getting work Written by a renowned acting coach it helps actors do it right the first time saving them time money and heartache Enlisting the thoughts and advice of many Hollywood insiders Kerr teaches actors to approach acting as an art a business and a career and gives them the tools to

succeed in all three areas Kerr's essential book covers it all including Developing your talent Breaking into the biz Places to work as an actor Career team Career tools Personal tools style and image Acting in everything Child actors Becoming geographically desirable Drawing upon more than twenty years in the business Kerr gives actors the resources they need to make it From headshots to fake cigarettes from changing one's name to that great plastic surgeon it's all in this book Filled with invaluable lessons this book is like eavesdropping at all the right Hollywood parties The author's hands-on experience as an acting coach actress dialogue coach and producer comes to life on the pages of this essential book
