

PASTORALE DES JEUNES

DIOCESE DE LA REUNION

Pastorale Des Funerailles Points De Repare

Louis-Michel Renier

Pastorale Des Funerailles Points De Repare:

Pastorale des funérailles, 2003 Les personnes engagées dans la pastorale des funérailles et l'accompagnement des familles en deuil sont confrontées des questions délicates voire difficiles Elles reçoivent pour cela une formation la fois théologique et pastorale C'est dans cette perspective que ce Guide Célèbrer propose Des Points de repères laborés par la Commission épiscopale de liturgie et de pastorale sacramentelle septembre 1997 situant la pastorale des funérailles comme lieu d'vangélisation respectant le cheminement de chacun Des documents articles de pasteurs de théologiens et de praticiens apportant un éclairage complémentaire aux questions les plus délicates la mort et l'au-delà le rapport l'eucharistie la place des laïcs dans la célébration le corps du défunt la crémation les relations avec les Pompes funèbres les finances etc De nombreux diocèses ont élaboré des orientations diocésaines pour cette pastorale en s'appuyant sur les points de repères publiés ici Chacun peut en mesurer l'enjeu car dans des conditions nouvelles la pastorale des funérailles fait partie intégrante de la mission de l'église lorsqu'elle propose la foi au Christ ressuscité face à la vie et au mystère de la mort Préface de Mgr Albert Marie de Monloup président de la Commission épiscopale de liturgie et de pastorale sacramentelle

Les funérailles Louis-Michel Renier, 1997

Les funérailles aujourd'hui Christian Pian, Laurent Villemin, 2009

40 années au service de l'Église catholique 1985-2025 François-Eugène Wernert, 2025-06-27 Le retour en arrière de François WERNERT sur un temps long de ministre de prêtre catholique 40 ans entre 1985 et 2025 Diocèse de Strasbourg le sien en l'occurrence constitue une pièce importante pour l'historien du catholicisme contemporain qui constate depuis plus d'un demi-siècle une formidable mutation sociale le passage d'un catholicisme de tradition aux gros rangs serrés lors des processions ou d'une venue épiscopale pour une confirmation d'un catholicisme de conviction aux effectifs réduits où la théologie devient paradoxalement si belle L'ouvrage répond une interrogation déclinée en plusieurs Que peut bien faire durant sa vie un prêtre alsacien au tournant du troisième millénaire dans le cadre d'un ministère exigeant qu'il a choisi Que peut-il bien faire dans le cadre du contexte historique plus haut Que peut-il bien faire encore quand son charisme le pousse à exposer des points de vue proposer une théologie pratique pour son temps L'on trouve dans cet opus du grain moulu sur les enjeux des choix sociétaux des questions et des réponses apportées par François WERNERT au bout d'un parcours jalonné par de nombreux ouvrages dont certains ayant connu un certain succès donc ayant suscité un intérêt certain

PROPOS DE L'AUTEUR François WERNERT né en 1960 est au service de l'Église catholique en Alsace diocèse de Strasbourg depuis 1985 D'entrée de jeu il ouvre l'horizon de sa formation en assumant deux cursus universitaires l'un en théologie Thèse en 1991 sur Vie liturgique et Mouvement liturgique en Alsace de 1900 nos jours publiée en 1992 aux Éditions Ercal Strasbourg l'autre en musicologie Diplômée de études approfondies DEA en 1987 avec une Transcription des Psaumes de Didier Lupi second XVI^s Cette ouverture initiale va caractériser son parcours au cours duquel il lui tiendra sans cesse à cœur de laisser résonner et corriger les pratiques pastorales et les théories théologiques son enseignement comme Maître de conférences habilité à diriger des recherches la Faculté de Théologie

catholique de Strasbourg est nourri par les actions pastorales diverses et variées vécues tantôt comme vicaire puis curé de paroisses tantôt comme prêtre coopérateur. L'orthopraxie va toujours précéder l'orthodoxie. François WERNERT est aussi sensible à la spiritualité chrétienne dans ses écrits. 25 ouvrages il conjugue sa ligne de créativité en alternant des ouvrages de réflexions fondamentales avec des ouvrages de spiritualité. **Point de repère**, 2002. Les funérailles avec les personnes éloignées de l'Eglise Pierre Vibert, 2000. Ce guide propose des pistes concrètes pour que la diversité des personnes rassemblées soit respectée et reconnue dans le déroulement des funérailles chrétiennes. Voyage au pays du Catholicisme français contemporain François-Eugène Wernert, 2023-12-02. Depuis le début de son ministère presbytéral en 1987, François Eugène WERNERT est sensible à l'interaction entre théories théologiques et pratiques pastorales. Beaucoup de ses travaux universitaires en portent la trace. En 2023, fort d'une large expérience humaine et ecclésiale, il se sentait prêt pour assembler dans un dictionnaire l'ensemble des mots de la foi catholique marquée par le dernier concile œcuménique, savoir Vatican II 1962-1965. Le dernier concile est un point d'aboutissement et un vrai point de départ. Quelquefois seront donc mentionnées des données antérieures à notre cadre temporel. Concile Vatican II 1962-1965-2023, en effet, bien des nouveautés conciliaires prennent racines dans des mouvements préparatoires qu'il est indispensable de nommer. Ainsi en est-il par exemple de Sacrosanctum Concilium, Constitution sur la liturgie. Vatican II, tout le travail de recherche anté-conciliaire, le Mouvement liturgique doit impérativement être vu. Les articles de l'ouvrage concernent le champ ecclésial du Catholicisme français. La richesse de ce dictionnaire avec ses 420 entrées est assurément sa large vision panoramique de la foi catholique. Choix pédagogique a-t-il fait d'ordonner le contenu selon l'ordre alphabétique mélangeant ainsi noms communs et noms propres. Tout n'est pas de même niveau d'importance, mais chaque terme a sa place. Ainsi, structuré cet outil de travail laisse apparaître combien réel est l'enchevêtrement des items. Ainsi que seraient les encycliques papales sans le Peuple de Dieu qui peut les recevoir, les étudier et en vivre. Que serait le travail pastoral sans l'approfondissement des théologiens. Que seraient les pratiques sans les théories et vice versa. L'ordonnement de ce dictionnaire reflète l'ventail très large des réalités de la foi catholique. Ce dictionnaire donne une place importante aux théologiens, certains d'entre eux ne sont pas français mais leurs travaux sont traduits et ils ont une influence souvent importante pour la vie culturelle, intellectuelle, théologique et ecclésiale françaises. PROPOS DE L'AUTEUR. François Eugène WERNERT né en 1960 est l'auteur d'une thèse en théologie catholique sur Vie liturgique et le Mouvement Liturgique en Alsace de 1900 nos jours parue aux Editions Erca, Strasbourg en 1992. Il est Maître de conférences en théologie pastorale, théologie pratique, habilité à diriger des recherches à la Faculté de théologie catholique de l'Université de Strasbourg. Depuis novembre 2021, il est en détachement de l'Université comme prêtre dans la communauté de paroisses du Piémont du Hohenbourg en centre Alsace, Obernai et alentours. Il lui tient cœur de corriger théories et pratiques, notamment dans le domaine de la pastorale et de la pastorale liturgique et sacramentelle. Titulaire également d'un Diplôme d'études approfondies de musicologie, Université de Strasbourg, 1987, il lui importe de mettre en résonance les dimensions culturelles et

culturelles Dans ses crits il conjugue sa ligne de cr ativit en alternant des ouvrages de r flexions fondamentales avec des ouvrages de spiritualit **Le métier de prêtre** Céline Béraud,2006 Le m tier de pr tre est pr sent comme tant en profonde mutation gestion de la p nurie sacerdotale rapport l espace paroissial modifi collaboration plus troite et plus complexe avec les la cs et les diacres L enqu te men e dans plusieurs dioc ses fran ais montre comment les pr tres et particuli rement les plus jeunes sont sensibles aux crit res de comp tence accomplissement de soi etc Pour commenter la parole de Dieu à l'occasion des funérailles Bernard Le Gal,2017-11-06 De plus en plus de personnes sont aujourd hui impliqu es dans la pr paration et la c l bration des fun railles Mais beaucoup manquent d outils pour commenter la Parole de Dieu cette occasion Cet ouvrage est donc destin aux officiants lors des c l brations et particuli rement aux officiants la cs pour aider la prise de parole apr s l vangile Sans fournir des textes tout faits ni chercher imiter les hom lies des ministres ordonn s il s agit d offrir pour chaque texte du Lectionnaire des fun railles des l ments permettant de pr parer et de r diger un commentaire personnel destination de l assembl e Chacun pourra s en inspirer et se l approprier pour que sa prise de parole soit juste et naturelle L ensemble de ce travail a t pr par par le P Bernard Le Gal et le Service Dioc sain de Pastorale Liturgique et Sacramentelle du dioc se de Saint Brieuc et Tr guier **Histoire des liturgies chrétiennes de la mort et des funérailles** Philippe Rouillard,1999
