The Bullet and the Ballot Box Aditya Adhikari, 2014-10-07 The Bullet and the Ballot Box offers a rich and sweeping account of a decade of revolutionary upheaval When Nepal's Maoists launched their armed rebellion in the nineties they had limited public support and many argued that their ideology was obsolete Twelve years later they were in power and their ambitious plan of social transformation dominated the national agenda How did this become possible Adhikari's narrative draws on a broad range of sources including novels letters and diaries to illuminate the history and human drama of the Maoist revolution An indispensable account of Nepal's recent history the book offers a fascinating case study of how communist ideology has been reinterpreted and translated into political action in the twenty first century

The Cambridge Survey of World Migration Robin Cohen, 1995-11-02 This extensive survey of migration in the modern world begins in the sixteenth century with the establishment of European colonies overseas and covers the history of migration to the late twentieth century when global communications and transport systems stimulated immense and complex flows of labour migrants and skilled professionals In ninety five contributions leading scholars from twenty seven different countries consider a wide variety of

issues including migration patterns the flights of refugees and illegal migration Each entry is a substantive essay supported by up to date bibliographies tables plates maps and figures As the most wide ranging coverage of migration in a single volume The Cambridge Survey of World Migration will be an indispensable reference tool for scholars and students in the field

Development In Modern Africa Martin S. Shanguhya, Toyin Falola, 2019-10-08 Development in Modern Africa Past and Present Perspectives contributes to our understanding of Africa's experiences with the development process It does so by adopting a historical and contemporary analysis of this experience The book is set within the context of critiques on development in Africa that have yielded two general categories of analysis skepticism and pessimism While not overlooking the shortcomings of development the themes in the book express an optimistic view of Africa's development experiences highlighting elements that can be tapped into to enhance the condition of African populations and their states By using case studies from precolonial colonial and postcolonial Africa contributors to the volume demonstrate that human instincts to improve material social and spiritual worlds are universal They are not limited to the Western world which the term and process of development are typically associated with Before and after contact with the West Africans have actively created institutions and values that they have actively employed to improve individual and community lives This innovative spirit has motivated Africans to integrate or experiment with new values and structures challenges and solutions to human welfare that resulted from contact with colonialism and the postcolonial global community The book will be of interest to academics in the fields of history African studies and regional studies

Media as Politics in South Asia Sahana Udupa, Stephen McDowell, 2017-07-14 From the puzzling liberalization of media under military dictatorship in Pakistan to the brutal killings of journalists in Sri Lanka and the growing influence of social media in riots and political protests in India Nepal and Bangladesh the chapters analyse some of the most important developments in the media fields of contemporary South Asia Attentive to colonial histories as well as connections within and beyond South Asia in the age of globalization the chapters combine theoretically grounded studies with original empirical research to unravel the dynamics of media as politics

Global Nepalis David N. Gellner, Sondra L. Hausner, 2018-06-09 Migration has been a basic fact of Nepali life for centuries Over the last thirty years migration from Nepal has increased diaspora communities across the world In these diverse contexts to what extent do Nepalis reproduce their culture and pass it on to subsequent generations How much of diaspora life is a response to social and political concerns derived from the homeland What aspects of Nepali life and culture change In this volume twenty one authors address these issues through eighteen detailed case studies that tackle issues of livelihood identity and belonging internal conflict and religious practice in the UK the USA India Southeast Asia the Gulf countries and Fiji Throughout the volume we see how being Nepali outside Nepal enables new categories and new kinds of identity to emerge whether as Nepali Gorkhali or as a member of a particular ethnic regional or religious group The common theme of Global Nepalis is the exploration of continuity change and conflict as new practices and identities develop in Nepali
