The Expansion of Economics Shoshana Grossbard-Shechtman, Christopher K. Clague, 2016-07-08 Economics like most other social sciences is not a pure discipline Indeed it has been enhanced by the fact that there is so much overlap between it and the related fields of business industrial relations political science social psychology and sociology This book is the first attempt to explain how work in economics has influenced and benefited from a merging of economic analysis with the research practices of these related fields of study With contributions from leading economists from around the world it demonstrates how economics is leading the way toward a more unified social science

Person-Centered Leadership for Nonprofit Organizations Jeanne M. Plas, Susan E. Lewis, 2001 This book is unique because it presents a case study account of an award winning non profit organization that has implemented a powerful participatory management approach and demonstrates in a convincing way what the benefits of it can be for staff as well as clients

Reflexive Labour Law in the World Society Ralf Rogowski, 2013-09-30 Rogowski's challenging book offers readers a rigorous but accessible introduction to the theory of reflexive law important and original insights into current issues in industrial relations and labour law and a fascinating preview of how a broad based

Communicative Practices at Work Jo Anne Kleifgen, 2013-10-28 This book examines communicative practices in a circuit board manufacturing plant in California's Silicon Valley where the employees come from diverse ethnolinguistic backgrounds their activities involve the use of high tech equipment and their practices are shaped by and sometimes contest local and global forces Analyses of the data show that learning occurs optimally when workers make strategic use of both their home languages and English within an ecology of semiotic systems The book demonstrates the importance of accounting for multilingual practices in studies of multimodality Through detailed ethnography it brings the reader to a better understanding of learning in practice in work environments where the complexities and accelerated growth of new technologies along with a globalized world produce new forms of multilingual and multimodal communication

New Labour S. White, 2001-03-13 This collection of essays examines New Labour's claim to stand in the vanguard of a new form of progressive politics By examining the ideology of New Labour the major policy initiatives of Labour government and the record and prospects of social democratic and progressive governments in the USA

and elsewhere in Europe the contributors attempt to disentangle the progressive and conservative aspects of New Labour politics and the possibilities for genuine progressive advance in Britain and other advanced capitalist countries *Spark* Frank Koller,2010-11 While factories across the Midwest shutter their doors Cleveland based manufacturer Lincoln Electric has thrived for more than a century In addition to being profitable and technologically innovative through good times and bad the company has fulfilled its unique promise of guaranteed continuous employment Workers are viewed as assets not liabilities Through flexible hours and job assignments as well as a merit based bonus system Lincoln Electric s employment policies have proven healthy for the company s bottom line its employees and its shareholders In *Spark* veteran journalist Frank Koller tells the story of how this unusual and profitable Fortune 1000 multinational company challenges the conventional wisdom shaping modern management s view of the workplace Through insightful storytelling and extensive interviews with executives workers and leading business thinkers Koller uses the Lincoln Electric example to illustrate how job security can inspire powerful growth and prosperity in our communities **Leadership Moments** Harold Coleman,Jon Corey,Arthur L. Jue,Peter Amato,2007-05 Have you experienced an act of courage at the workplace If so these true stories will have special meaning for you **Theoretical Perspectives on Work and the Employment Relationship** Bruce E. Kaufman,Industrial Relations Research Association,2004 Developing a strong theoretical base for research and practice in industrial relations and human resource management has to date remained a largely unfulfilled challenge This text presents contributions from 15 scholars developing their perspectives on work and the employment relationship
