string of attempted departures most orchestrated in my tired mind Always a bitter reminder of all that had been lost and destroyed by my foolishness When suicide feels like your best option you know something has gone horribly wrong and that's just how Matt Thomson felt He had lost everything his wife his children his job all his money and his front door key But everything changes when he meets Joey Murphy ex Merchant Marine entrepreneur teacher and wild man an enigmatic mixture of Forrest Gump Merlin and a long lost best friend Upon hearing Matt's woes Joey offers Matt a life changing deal he can't resist The life you know has been completely predetermined by automatic habits both your triumphs and your failures If you are really at the end of your rope these habits will drop away and you will be free I give you ten days starting today I will show you all you need to see It is up to you And with the deal struck Joey leads Matt on the roller coaster ride of his life a ten day adventure filled with dodging cop cars playing Blind Man's baseball on the edge of a cliff finding heaven in a Taco Bell and learning how to open the hearts of total strangers Joey introduces Matt to the True Teacher but also leads him to face his own deepest darkness and despair **Forthcoming Books** Rose Arny, 1998 **Subject Guide to Books in Print**, 1991
