Religion And Moral Reason A New Method For Comparative Study

Emily K. Arndt

Religion And Moral Reason A New Method For Comparative Study:

Religion and Moral Reason Ronald Michael Green, 1988 Continuing in the tradition of his well received *Religious Reason* Ronald Green here offers a penetrating moral understanding of religious belief and practice Human religiousness he contends principally arises from a universal deep structure of moral reasoning that comprises three essential elements one guides impartial moral reasoning a second affirms the reality of moral retribution and a third provides escape from the penalties that justly accompany unavoidable human moral failure Using this innovative approach Green confronts a series of different religious traditions and issues including African primal religions classical Chinese religion the Divine Command tradition in Judaism and Christianity religious ritual and the economic teachings of Judaism Christianity Islam and Buddhism Drawing on contemporary rationalist ethical theory Green provides a simple but effective model for understanding the complexity of religious life

Why Philosophy Matters for the Study of Religion—and Vice Versa Thomas A. Lewis, 2015-12-18 Work in philosophy of religion is still strongly marked by an excessive focus on Christianity and to a lesser extent Judaism almost to the exclusion of other religious traditions Moreover in many cases it has been confined to a narrow set of intellectual problems without embedding these in their larger social historical and practical contexts *Why Philosophy Matters for the Study of Religion and Vice Versa* addresses this situation through a series of interventions intended to work against the gap that exists between much scholarship in philosophy of religion and important recent developments that speak to religious studies as a whole This volume takes up what in recent years has often been seen as a fundamental reason for excluding religious ethics and philosophy of religion from religious studies their explicit normativity Against this presupposition Thomas A Lewis argues that normativity is pervasive not unique to ethics and philosophy of religion and therefore not a reason to exclude them from religious studies Lewis bridges more philosophical and historical subfields by arguing for the importance of history to the philosophy of religion He considers the future of religious ethics explaining that the field as whole should learn from the methodological developments associated with recent work in comparative religious ethics and comparative religious ethics should no longer be conceived as a distinct subfield The concluding chapter engages broader post 9 11 arguments about the importance of studying religion arguing that prominent contemporary notions of religious literacy actually hinder our ability to grasp religion's significance and impact in the world today

In Defense of Kant's Religion Chris L. Firestone, Nathan Jacobs, 2008-10-09 Chris L Firestone and Nathan Jacobs integrate and interpret the work of leading Kant scholars to come to a new and deeper understanding of Kant's difficult book *Religion within the Boundaries of Mere Reason* In this text Kant's vocabulary and language are especially tortured and convoluted Readers have often lost sight of the thinker's deep ties to Christianity and questioned the viability of the work as serious philosophy of religion Firestone and Jacobs provide strong and cogent grounds for taking Kant's religion seriously and defend him against the charges of incoherence In their reading Christian essentials are incorporated into the confines of reason and they argue

that Kant establishes a rational religious faith in accord with religious conviction as it is elaborated in his mature philosophy For readers at all levels this book articulates a way to ground religion and theology in a fully fledged defense of Religion which is linked to the larger corpus of Kant's philosophical enterprise The Oxford Handbook of the Sociology of Religion Peter Clarke, 2011-02-04 The Oxford Handbook of the Sociology of Religion draws on the expertise of an international team of scholars providing both an entry point into the sociological study and understanding of religion and an in depth survey into its changing forms and content in the contemporary world The role and impact of religion and spirituality on the politics culture education and health in the modern world is rigorously discussed and debated The study of the sociology of religion forges interdisciplinary links to explore aspects of continuity and change in the contemporary interface between society and religion Using a combination of theoretical methodological and content led approaches the fifty seven contributors collectively emphasise the complex relationships between religion and aspects of life from scientific research to law ecology to art music to cognitive science crime to institutional health care and more The developing character of religion irreligion and atheism and the impact of religious diversity on social cohesion are explored An overview of current scholarship in the field is provided in each themed chapter with an emphasis on encouraging new thinking and reflection on familiar and emergent themes to stimulate further debate and scholarship The resulting essay collection provides an invaluable resource for research and teaching in this diverse discipline Demanding Our Attention Emily K. Arndt, 2011-03-09 What can we possibly learn about our relationships to others from reading the story of an ancient father who raised a knife to slaughter his beloved only son Contemporary Christian ethicists faced with such dilemmas are often tempted to treat the Hebrew Bible in a limited distanced and even dismissive way Yet Emily Arndt here argues that ancient scriptures can be a vital resource for Christian ethical studies today Focusing on a close analysis of the akedah the story of Abraham's near sacrifice of Isaac she demonstrates the power of even the most troubling and uncomfortable Old Testament narratives to teach valuable ethical lessons Placing ourselves in relationship to such complex perhaps unresolvable and always challenging sacred texts she says is in itself a practice that can help us learn to relate authentically and ethically to others This is a fully formed sophisticated and beautifully written book offering an important contribution to the field of theological ethics A fitting tribute to a scholarly career that was cut short all too soon Jean Porter from the foreword Religious Ethics in a Time of Globalism E. Bucar, A. Stalnaker, 2012-11-09 This book contains essays on current projects from several rising figures in religious ethics collected into a field shaping anthology of new work As a whole the book argues that religious ethics should make cultural and moral diversity central to its analysis This can include three main aspects in various combinations first describing and interpreting particular ethics on the basis of historical anthropological or other data second comparing such ethics in the plural which requires rigorous reflection on the methods and tools of inquiry and third engaging in normative argument on the basis of such studies and thereby speaking to particular moral controversies as well as contemporary concerns about overlapping

identities cultural complexity and plurality universalism and relativism and political problems regarding the coexistence of divergent groups

Reinhold Niebuhr and Christian Realism Robin W. Lovin, 1995-01-26 A new and penetrating assessment of the work of the twentieth century's best known public theologian

Kant, Religion, and Politics James DiCenno, 2011-08-18 This book offers a systematic examination of the place of religion within Kant's major writings Kant is often thought to be highly reductionistic with regard to religion as though religion simply provides the unsophisticated with colourful representations of moral lessons that reason alone could grasp James DiCenno's rich and innovative discussion shows how Kant's theory of religion in fact emerges directly from his epistemology ethics and political theory and how it serves his larger political and ethical projects of restructuring institutions and modifying political attitudes towards greater autonomy It also illustrates the continuing relevance of Kant's ideas for addressing issues of religion and politics that remain pressing in the contemporary world such as just laws transparency in the public sphere and other ethical and political concerns The book will be valuable for a wide range of readers who are interested in Kant's thought

Fifty Years of Philosophy of Religion: A Select Bibliography (1955-2005) Andy Sanders, Kristof de Ridder, 2007-06-28 The bibliography lists about 10 000 titles of monographs collections and articles in the field of the philosophy of religion and philosophical theology that appeared between 1955 and 2005 The majority of them are in the English language but publications in German Dutch and French are listed as well Though it is not claimed to be exhaustive the bibliography offers a fairly representative survey of scholarly work on the main topics of interest Publications have been systematically classified according to eleven main categories Introductions Surveys and Historical Issues Part I Religious Language Part II Religious Experience Part III Religious Epistemology Part IV Theism Part V Hermeneutics Part VI Religion and Science Part VII Religion and Aesthetics Part VIII Religion and Morality Part IX Religious Pluralism Part X and Feminist Philosophy of Religion Part XI Part III has been subdivided into Religious Experience and Mystical Experience Part VII into The Concept of God arguments for The Existence of God The Problem of Evil and Atheism and Part VII into General and Historical Issues Theological Issues and implications of Modern Physics Cosmology and Biology The bibliography will particularly be useful to scholars teachers and students in the philosophy of religion philosophical theology and systematic theology as well as to those who are interested professionally or otherwise in the results of academic scholarship in those fields

Kant and the Cultivation of Virtue Chris W. Surprenant, 2014-06-13 In this book Chris W Surprenant puts forward an original position concerning Kant's practical philosophy and the intersection between his moral and political philosophy Although Kant provides a detailed account of the nature of morality the nature of human virtue and how right manifests itself in civil society he does not explain fully how individuals are able to become virtuous This book aims to resolve this problem by showing how an individual is able to cultivate virtue the aim of Kant's practical philosophy Through an examination of Kant's accounts of autonomy the state and religion and their effects on the cultivation of virtue Surprenant develops a Kantian framework for moral education and

ultimately raises the question of whether or not Kantian virtue is possible in practice

Religion And Moral Reason A New Method For Comparative Study Introduction

In the digital age, access to information has become easier than ever before. The ability to download Religion And Moral Reason A New Method For Comparative Study has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Religion And Moral Reason A New Method For Comparative Study has opened up a world of possibilities. Downloading Religion And Moral Reason A New Method For Comparative Study provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Religion And Moral Reason A New Method For Comparative Study has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Religion And Moral Reason A New Method For Comparative Study. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Religion And Moral Reason A New Method For Comparative Study. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Religion And Moral Reason A New Method For Comparative Study, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Religion And Moral Reason A New Method For Comparative Study has transformed the way we access information. With the convenience, cost-

effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Religion And Moral Reason A New Method For Comparative Study Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Religion And Moral Reason A New Method For Comparative Study is one of the best book in our library for free trial. We provide copy of Religion And Moral Reason A New Method For Comparative Study in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Religion And Moral Reason A New Method For Comparative Study. Where to download Religion And Moral Reason A New Method For Comparative Study online for free? Are you looking for Religion And Moral Reason A New Method For Comparative Study PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Religion And Moral Reason A New Method For Comparative Study. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress.
