A Tribute to John M. Hull Siebren Miedema, 2009 This volume is a tribute to our esteemed colleague Professor John Martin Hull for his exceptional academic achievements in the field of religious education Especially worth mentioning are his worldwide continuous efforts in trying to realize interreligious education and interreligious learning in public schools In his approach there is a strong emphasis on openness dialogue and encounter When we are looking for an adequate vignette to characterize the contribution of this famous religious educator a good one might be religious education as encounter That is why this volume is systematically focusing on this topic It brings together contributions from leading researchers in the international field of religious education adhering to a great variety of religious or worldview traditions and it addresses a wide range of perspectives regarding the concept of encounter in religious education *Living Spiritual Praxis* Eric J. Kyle, 2013-10-24 Christian ministers working in congregations and with nonprofits seek to discern what it is that God has been doing and where it is that the Spirit might be leading them In *Living Spiritual Praxis* Eric Kyle looks to address the lack of resources on the work and dynamics of Christian spiritual formation that actually develop a specific process for spiritual formation programs Kyle strives to provide a guide for spiritual formation by using the praxis oriented fields of action research and practical theology He explores a process for understanding the nature and dynamics of a situation discerning specific formative interventions assessing various approaches and continually assessing and modifying these understandings and approaches *Living Spiritual Praxis* will be an invaluable resource for all Christians leaders and laity alike who are challenged by the spiritual formation of church members communities groups and individuals **Pentecostal Formation** Cheryl Bridges Johns, 2010-11-01 The Pentecostal movement has been subject to some negative external assumptions In this enlightening and challenging book Cheryl Bridges Johns argues that in fact Pentecostals employ a powerful process of formation of catechesis which has enabled millions of believers to own and articulate the Christian story She engages dialectically with the work of Paulo Freire a specialist in education among the marginalized As well as looking more broadly at the nature of all catechesis there is also an attempt to move beyond the rationalism found in a praxis epistemology **International Handbook of Practical Theology** Birgit Weyel, Wilhelm Gräb, Emmanuel Lartey, Cas Wepener, 2022-09-06 Practical theology has outgrown its traditional pastoral paradigm The articles in this handbook recognize that faith spirituality and lived religion within and beyond institutional communities refer to realms of cultures ritual practices and symbolic orders whose boundaries are not clearly defined and whose contents are shifting The *International Handbook of Practical Theology* offers insightful transcultural conceptions of religion and religious matters gathered from various cultures and traditions of faith The first section presents concepts of

[Obedience, Suspicion and the Gospel of Mark](#) Lydia Neufeld Harder, 2006-01-01 How do our social political and religious commitments influence our interpretation of biblical texts Are obedience and suspicion necessarily opposite ways to respond to the authority of the Bible Can one criticize and be transformed at the same time Lydia Neufeld Harder explores these questions from the vantage point of a scholar a feminist and a member of a faith community A hermeneutics of obedience rising out of the Mennonite theological tradition and a hermeneutics of suspicion advocated by many feminist theologians seem to represent opposite approaches to the Bible's authority The resulting polarization could easily have led to static definitions of authority and the subtle domination of those who differ from the majority However by focusing on the common theological concept of discipleship Harder has constructed a critical dialogue beginning a process of creative change in her own view of authority This new view opens the way for an interpretation of the Gospel of Mark A new appreciation of both the power and the vulnerability of the biblical text leads to a view of authority that embraces both suspicion and obedience in a dynamic interpretative process
