

The top half of the book cover features two distinct religious figures. On the left is a Buddhist deity, likely a bodhisattva, depicted with a serene expression, adorned with elaborate golden jewelry and a crown, holding a blue stringed instrument. On the right is a Christian figure, possibly the Virgin Mary, shown in a blue robe with a red sash, holding a book, and surrounded by a halo. The background is a mix of warm, earthy tones.

Religious Feminism And The Future Of The Planet A Buddhist Christian Conversation

Todd Lewis, Gary Delaney DeAngelis

Religious Feminism And The Future Of The Planet A Buddhist Christian Conversation:

Religious Feminism and the Future of the Planet Rita M. Gross, Rosemary Radford Ruether, 2016-10-06 Rita Gross and Rosemary Radford Ruether have long been known for their feminist contributions to Buddhism and Christianity respectively. In this book they talk candidly about what these traditions mean to them in both their liberating as well as problematic aspects. Throughout the book their life stories provide the rich soil perhaps even the rationale for their theological and spiritual development. Despite the marked differences in their life histories and their respective religious faiths, Gross and Radford Ruether achieve surprising unanimity on the paramount issue: what engaged Buddhism and enlightened Christianity can offer in the struggle to create a new future for the planet. *Religious Diversity—What's the Problem?* Rita M. Gross, 2014-04-24 Once upon a time on grounds of both religion and common sense, people assumed that the earth was flat and that the sun literally rose and set each day. When newly developing knowledge made those beliefs untenable, giving them up was difficult. Today the belief that only one of the world's various religions is true for all people on earth is equivalent to the belief in a flat earth. Both notions have become untenable given contemporary knowledge about religion. Even though many people are still troubled by the existence of religious diversity today, that diversity is a fact of life. Religious diversity should be no more troubling to religious people than the fact that the earth is round and circles the sun. This provocative book, based on the author's longtime practice of Buddhism and comparative study of religion, provides tools with which one can truly appreciate religious diversity as a gift and resource rather than as a deficiency or a problem to be overcome. After we accept diversity as inevitable and become comfortable with it, diversity always enriches life, both nature and culture.

John Hick's Religious Pluralism in Global Perspective Sharada Sugirtharajah, 2023-01-01 This volume contains fresh scholarly contributions to mark the birth centenary of John Hick, the internationally well-known philosopher of religion whose works continue to have significant global relevance in today's religiously diverse and conflict-ridden world. His writings have reset the parameters of religious pluralism. Up till now, Hick's religious pluralism has been mainly seen in relation to the Western context where Christianity is the predominant religion. This volume includes both Western and non-Western engagement with his thinking in contexts such as Japan, China, Korea, Nigeria, and India, where Christianity is a minority religion with little political power. Its distinctiveness lies in widening the debate on religious pluralism by bringing Hick's pluralistic hypothesis into a constructive cross-cultural and interreligious conversation with scholars of Hinduism, Jainism, Daoism, Judaism, Christianity, Islam, and African traditional religions. In doing so, this collection examines how Hick's philosophy of religious pluralism has been received, appropriated, and appraised by these scholars. It has been appreciated and critiqued in equal measure and continues to impact on current thinking on religious pluralism. This volume makes a significant contribution to the debate initiated by Hick. *Western Buddhist Feminists' Contribution to Christian Theology* Dong Jin Kim, 2022-12-06 This book discusses gender injustice and justice in religious institutions and spiritual life. Fixed as a

gender God Goddess leads those who have the same gender to subordinate anyone who differs In this sense the patriarchal and androcentric system has caused many religious women to lose their spiritual and faithful equality and identities in a church This book details how Western Buddhist feminists find that after recuperating women s equivalent rights and identities both religious men and women need to meditate to achieve the emptiness of gender ego gender privilege and prejudice which then leads to awakening and enlightenment from ignorance To apply such skills in Christian theology gender justice comes from spiritual equality and courage awakening and repentance in their contemplative and meditative lives This book suggests that for women s spiritual and real liberation and happiness both inner trainings and external social actions have to go together

Understanding Interreligious Relations David Cheetham,Douglas Pratt,David Richard Thomas,David Thomas,2013-11 Understanding Interreligious Relations is a multi authored volume that explores the theme of the religious other from the perspective of five major religions Hinduism Judaism Buddhism Christianity and Islam and discusses a range of issues in which interreligious relations are central These include conversion the impact and nature of religious extremism the contemporary development of inter religious dialogue the dynamics operating between majority and minority religious groups belonging to more than one religion or faith tradition examples of cross religious co operation religion in the public domain and the task of peace building among others In a religiously plural world how different religious communities get along with one another is not just an academic question it is very much a focus of socio political and wider community attention The challenge to understand interreligious relations is of critical importance in today s world

Invest Your Humanity Julye Bidmead,Gail J. Stearns,2016-03-02 This volume is dedicated to Marvin C Meyer a person of passionate spirit and personality known to many as the preeminent scholar who brought to life the Gnostic Gospels Meyer made ancient discoveries relevant to our lives from his work with National Geographic informing thousands to the time he spent with individual students opening their eyes to the mystery and meaning of a Coptic text Friends students and scholars here pay tribute to Meyer with reflections new pedagogies and explorations in biblical texts ancient magic and archaeological discoveries

Christian Approaches to Other Faiths Paul Hedges,Alan Race,2008 A textbook that explains the history rationale and workings of the various approaches It deals with attitudes towards different faiths considering the problems and relations that exist with Christian approaches

Religious Pluralism and Interreligious Theology Schmidt-Leukel, Perry,2017-02-16

Dharma Veena R. Howard,2017-08-14 Dharma is central to all the major religious traditions which originated on the Indian subcontinent Such is its importance that these traditions cannot adequately be understood apart from it Often translated as ethics religion law or social order dharma possesses elements of each of these but is not confined to any single category familiar to Western thought Neither is it the straightforward equivalent of what many in the West might usually consider to be a philosophy This much needed analysis of the history and heritage of dharma shows that it is instead a multi faceted religious force or paradigm that has defined and that continues to shape the different cultures and

civilizations of South Asia in a whole multitude of forms organizing many aspects of life Experts in the fields of Hindu Jain Buddhist and Sikh studies here bring fresh insights to dharma in terms both of its distinctiveness and its commonality as these are expressed across and between the several religions of the subcontinent Exploring ethics practice history and social and gender issues the contributors engage critically with some prevalent and often problematic interpretations of dharma and point to new ways of appreciating these traditions in a manner that is appropriate to and thoroughly consistent with their varied internal debates practices and self representations

SCM Core Text: Christian Approaches to Other Faiths

Paul Hedges, 2013-02-11 The textbook begins with a chapter on exclusivism inclusivism particularity and pluralism and one on interfaith Each chapter explains the history rationale and workings of the various approaches Moreover each is divided into sub sections dealing with various forms of each approach so that each may be appreciated in its individuality i e the chapter on Inclusivism will include sections on fulfilment theology anonymous Christians etc The second part of this textbook deals with attitudes towards different faiths considering the problems and relations that exist with Christian approaches to each It will deal with the world s major faiths as well as primal religions and new religious movements The introduction and conclusion will deal with some central themes that run throughout in particular the questions of the Trinity and concepts of salvation In each section reference will be made to the key texts discussed in the Reader which accompanies this

9780334041155 however the work may be read as a stand alone text

Voices of Feminist Liberation Emily Leah

Silverman, Dirk von der Horst, Whitney Bauman, 2014-10-14 Voices of Feminist Liberation brings together a wide range of scholars to explore the work of Rosemary Radford Ruether one of the most influential feminist and liberation theologians of our time Ruether s extraordinary and ground breaking thinking has shaped debates across liberation theology feminism and eco feminism queer theology social justice and inter religious dialogue At the same time her commitment to practice and agency has influenced sites of local resistance around the world as well as on globalised strategies for ecological sustainability and justice Voices of Feminist Liberation examines the potential of Ruether s thinking to mobilize critical theology social theory and cultural practice The scholars gathered here present their personal engagements with Ruether s thinking and teaching The book will be invaluable to scholars policy makers and activists seeking to understand how colonial and patriarchal oppression in the name of religion can be confronted and defeated

Helpmates, Harlots, and Heroes,

Second Edition Alice Ogden Bellis, 2007-07-03 This best selling book now revised and updated shares the work of many feminist biblical scholars who have examined women s stories for several years These stories are powerful accounts of women in the Old Testament stories that have profoundly affected how women understand themselves as well as men s perception of them Here Alice Bellis shares the research of feminist biblical scholarship during a quarter of a century which renders a vast amount of refreshing exciting sometimes disturbing material

My Quests for Hope and Meaning Rosemary

Radford Ruether, 2013-10-02 This book is an autobiography tracing Rosemary Radford Ruether s intellectual development

and writing career Ruether examines the influence of her mother and family on her development and particularly her interactions with the Roman Catholic religious tradition She delves into her exploration of interfaith relations with Judaism and Islam as well Her educational formation at Scripps College and the importance of historical theology is also a major emphasis Mental illness has also affected Ruether s nuclear family in the person of her son and she details the family s struggle with this issue Finally in this intellectual autobiography Ruether explores her long concern and involvement with ecology feminism and the quest for a spirituality and practice for a livable planet

Jesus Beyond Christianity Gregory A. Barker, Stephen E. Gregg, 2010-01-29 For the first time classic readings on Jesus from outside of Christianity have been brought together in one volume Jesus Beyond Christianity The Classic Texts features significant passages on Jesus from Judaism Islam Hinduism and Buddhism The fifty six selections span two millennia of thought including translated extracts from the Talmud and the Qur an and writings by Mahatma Gandhi and the 14th Dalai Lama The volume features fresh translations of important texts Key Issues introductions questions for discussion and guides for further reading Importantly each set of readings ends with an entirely fresh reflection from a leading scholar in the field Every care has been taken to present these often controversial passages in a manner consistent with the aims of their authors accompanying notes directly address challenging issues This unique collection of readings promises to become an essential resource in the study of the world s religions providing rich guidance for anyone seeking to understand the central convergences and debates between religious traditions

A Garland of Feminist Reflections Rita M. Gross, 2009-03-05 Rita M Gross has long been acknowledged as a founder in the field of feminist theology One of the earliest scholars in religious studies to discover how feminism affects that discipline she is recognized as preeminent in Buddhist feminist theology The essays in A Garland of Feminist Reflections represent the major aspects of her work and provide an overview of her methodology in women s studies in religion and feminism The introductory article written specifically for this volume summarizes the conclusions Gross has reached about gender and feminism after forty years of searching and exploring and the autobiography also written for this volume narrates how those conclusions were reached These articles reveal the range of scholarship and reflection found in Rita M Gross s work and demonstrate how feminist scholars in the 1970s shifted the paradigm away from an androcentric model of humanity and forever changed the way we study religion

Teaching Buddhism Todd Lewis, Gary Delaney DeAngelis, 2017 Buddhist studies is a rapidly changing field of research constantly transforming and adapting to new scholarship This creates a problem for instructors both in a university setting and in monastic schools as they try to develop a curriculum based on a body of scholarship that continually shifts in focus and expands to new areas Teaching Buddhism establishes a dialogue between the community of instructors of Buddhism and leading scholars in the field who are updating revising and correcting earlier understandings of Buddhist traditions Each chapter presents new ideas within a particular theme of Buddhist studies and explores how courses can be enhanced with these insights Contributors in the first section

focus on the typical approaches figures and traditions in undergraduate courses such as the role of philosophy in Buddhism Nagarjuna Yogacara Buddhism tantric traditions and Zen Buddhism They describe the impact of recent developments like new studies in the cognitive sciences on scholarship in those areas Part Two examines how political engagement and ritual practice have shaped the tradition throughout its history Focus then shifts to the issues facing instructors of Buddhism dilemmas for the scholar practitioner in the academic and monastic classroom the tradition's possible roles in teaching feminism and diversity and how to present the tradition in the context of a world religions course In the final section contributors offer stories of their own experiences teaching paying particular attention to the ways in which American culture has impacted them They discuss the development of courses on American Buddhism using course material on the family and children the history and trajectory of a Buddhist Christian dialog and Buddhist bioethics environmentalism economic development and social justice In synthesizing this vast and varied body of research the contributors in this volume have provided an invaluable service to the field

Tiemeier, 2015-02-11 Interreligious Friendships after Nostra Aetate explores the ways in which personal relationships are essential for theology Catholic theologians tell the personal stories of their interreligious friendships and explore the significance of their friendships for their own life and work

Process and Pluralism Zhihe Wang, 2013-05-02

This book offers a uniquely process relational oriented Chinese approach to inter religious dialogue called Chinese Harmonism The key features of Chinese harmonism are peaceful co existence mutual transformation and openness to change As developed with help from Whiteheadian process thought Chinese harmonism provides a middle way between particularism and universalism showing how diversity can exist within unity Chinese harmonism is open to similarities among religions but it also emphasizes that differences among religions can be complementary rather than contradictory Thus Chinese harmonism implies an attitude of respect for others and a willingness to learn from others without reducing the other to one's own

identity that is to sameness By emphasizing the possibility of complementariness a process oriented Chinese harmonism avoids a dichotomy between universalism and particularism represented respectively by John Hick and S Mark Heim and will make room for a genuine openness and do justice to the culturally and religiously other Congress of Wo/men Elisabeth Schussler Fiorenza, 2021-03-16 Reframing Ideas about Feminist Theory and Theology for the 21st Century In Congress of Women Religion Gender and Kyriarchal Power leading feminist scholar Elisabeth Schussler Fiorenza challenges the tendency in feminist theory to leave behind religion a space of struggle resistance and social transformation as a place for feminist politics She also confronts the tendency of religious feminists to view women as if they are all the same or to limit them to complementary roles with men Presenting an alternative vision for global justice within the landscape of neoliberal kyriarchy Schussler Fiorenza calls upon religious and non religious feminists to engage in transformation through struggle friendship and community Further this groundbreaking book's final chapter opens up the discussion for future feminist work drawing the reader into an imagined community of feminist readers with whom the reader can agree or disagree but nevertheless struggle alongside to imagine a more just world

Religious Feminism And The Future Of The Planet A Buddhist Christian Conversation Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Religious Feminism And The Future Of The Planet A Buddhist Christian Conversation PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their

background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Religious Feminism And The Future Of The Planet A Buddhist Christian Conversation PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Religious Feminism And The Future Of The Planet A Buddhist Christian Conversation free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
