Watson, 2006-10-01 For many many years you may have heard that God doesn't still perform miracles *A Mother In Mourning* will restore your faith if you are among the many who don't believe Kathy will tell you too of the many miracles God has given to her One of the miracles was giving birth to her sons Another came after the fatal accident of her oldest son when an angel was waiting for her in the most unusual place her favorite coffee house *A Mother In Mourning* is sure to be a best seller of its kind Kathy delivers a truly powerful love story involving herself her two sons and her God From the first day she gave birth to her sons she held them close to her To Aaron and Kendrick she was a one of a kind mother she was their mentor their right hand their best friend and their preparedness for this thing called life Most importantly she was Aaron's and is Kendrick's overseer in making sure that without a doubt their ultimate destination would be heaven *A Mother In Mourning* will take you on a journey filled with nothing but love joy and the pain of being a mother This heart felt true story will have you laughing out loud and at the same time bring joyful tears to your eyes It's clear that Kathy understood from the very beginning what it took to be a good mother You will also read how God gave her a premonition that something tragic was going to happen five months before his death She didn't know what it was until a knock came on her door one early morning She opened the door only to see two police officers standing there and one of them was holding her son's driver's license Through all of their years together with his following closely in her footsteps she never could have predicted that Aaron would have had such a short life Kathy and her sons were so close it seemed to her that the sun would shine on them forever One Wednesday evening just as the sun was going down God called Aaron's name Even though she has always been a natural teacher of having faith in God

the devastation of losing her son has caused her faith to increase even more You will read how God got her through the lowest stage of her life when no one else was there for her A Mother In Mourning is not just for someone who has lost a loved one It is a book that unmistakably teaches us to have faith in God and to realize that life is a journey Yes it is a journey that we all must travel and that will one day make no mistake about it come to an end **Do You Remember Me?** Pierre

from all over Angus Perthshire and Fife and for three shillings they could have their photograph taken sitting at a table inside the whale's propped open mouth. The whale was immortalised by the poetry of William McGonagall and went on tour by train on a specially built cradle to Aberdeen Glasgow Liverpool Manchester London and Edinburgh before returning to Dundee. Its skeleton was presented to Dundee Museum despite lucrative offers from big museums in London Europe and America. The Winter Whale is a remarkable historical set piece, a product of its time although even then public opinion was divided between glee and outrage pro whaler and pro whale.
