A Soul,2017-07-10 This book is the first volume in the series Mary Protectress of the Faith This book is a Primer as it is meant to be a simple introduction to the Christian faith and the spirituality of the Immaculate Heart of Mary It is meant to be an Invitation from God and Our Lady to you dearest reader to enter into the Divine Heart and Divine Will of Our Heavenly Father This first volume is meant to be used in the immediate aftermath of The Great Warning Illumination of Conscience as prophesied by Our Lady at Garabandal Spain during the 1960s This book contains prayers heavenly messages and commentaries meant to help people who are looking for credible and relevant information and reconciliation with God It is the author s hope that this book serves its purpose Although this book is written by a Catholic Christian the intended audience is for all peoples of all faiths and non believers Series Mary Protectress of the Faith Volume 1 When Death Speaks Stephen Lloyd Garrett,2013-06 Death has been pushed out of life and into a dark and lonely morgue North American s generally approach the topic of death with fear and denial in hand When Death Speaks is all about changing the conversation to one of openness and inspiration When Death Speaks approaches death with compassion love and frankness talking openly about death planning for the inevitable and supporting family and friends with tools and skills to begin a new type of conversation The tools information and real life stories are all designed to offer a different perspective in dealing with death and loss The practices offered are designed to use smaller deaths as preparation for the death of our body When Death Speaks is all about bringing death back to life **Love Me to Life** Veronica Sites,2020-12-21 An unacknowledged crisis haunts the church as we fail to deal with the causes and aftermath of suicide and the stigma society often places on victims and their loved ones How can we stand up for life and love these people as the Body of Christ In Love Me to Life Veronica Sites responds from personal experience serious research and training and a biblical perspective Combining these crucial elements she presents a plan for responding with the gospel message as we live out the message of Jesus in our churches Crucial to this plan is involving leaders but also in educating and empowering all members to understand and positively impact those in need of support In support of this she provides detailed information on the situation as we find it in most churches She then looks at scripture for guidance in how we should deal with those who most need our support and sometimes active intervention Finally she looks at how the church can follow up and build the lives and ministries of the church to those in need This book is filled with practical experience detailed data and scriptural support It can provide the basis for a church to plan how they will acknowledge and respond to the suicide crisis Individuals and small groups can benefit greatly as well but we recommend studying this issue at the congregational level so that everyone is prepared to love their neighbors whether down the pew or down the street into a life of restoration and identity in Christ and not identified by a tragic event Thus this book is for everyone Norman N. Dark Clouds Gather Katy Sara Culling,2011-06-01 Description This book includes a true story about reaching the very edge the very depths and heights of bipolar illness but almost always with a sense of humour Much like a car crash people cannot help but look when they spy on these sort of black events It is a new perspective on manic depression as in Prof K R Jamison s autobiography about her illness in *An Unquiet Mind* but mixed explosively with S Kaysen s immersion into madness in *Girl Interrupted* except this book feels like it s been written whilst on crack cocaine and directed by Quentin Tarantino on a blood thirsty day This book may be dark but its underlying message is one of hope Sometimes you have to see the depths of Hades before you can really appreciate life and health Being a manic depressive from just 5 then adding in anorexia bulimia self harm and hundreds of suicide attempts typical student substance misuse on the heavy end of normal culminating in a long hospitalisation when I was an Oxford doctoral student in clinical medicine I ended up totally mad in a long term psychotic mixed episode being both manic and depressed concurrently and suffering from delusions and hallucinations and several actual deaths that I was revived from This had a massive impact on the lives of my friends and

family who have been dragged through 25 years of serious illness whilst feeling helpless and scared I also experienced a lot of unhelpful medical treatment and misdiagnoses all detailed here which should teach those in the profession what not to do This book will also answer the questions of friends and family and give some pointers of ways to help and not help I lost many friends as I withdrew into my illness but I made many friends with people similarly ill Some have died some have recovered and some remain ill All agree that such a complete and honest book like mine is needed This is my autobiographical tale a girl who came from nowhere up North to study medicine at Oxford University and spent the majority of her life quite literally mad but never stopped laughing about it This suits a wide audience for personal and professional reasons I want to reach sufferers carers and professionals I am proof that anything can be overcome what should not be survived can be and that nothing is more important in these diseases than hope About the Author Katy Sara Culling was born in Liverpool North England in 1975 Daughter of Sue and Paul Culling her family moved back to its roots in Derbyshire where she grew up along with her younger sister Beth in the village of Castle Donington on the Derbyshire Leicestershire border However even as young as 5 she exhibited symptoms of bipolar disorder She attended a private school for girls Loughborough High School where she was a high achieving student Unfortunately due to bullying and also to numb her mania and depression she developed anorexia nervosa and began to self harm Katy Sara then went to The University of Nottingham where she studied Biochemistry and Nutrition She did her 1st class thesis on alcohol and metabolism interested in the psychology of Alcoholism All this was done despite considerable illness including over 60 suicide attempts and purging type anorexia and yet more bullying Her good work at Nottingham lead to an offer of a place at The University of Oxford where she studied for a PhD DPhil in Clinical Medicine In her final year she became so ill with bipolar disorder that she was in hospital first as a day patient then an inpatient and eventually a sectioned inpatient During that year and a half she attempted suicide over 300 times dying twice only to be revived She finally at the age of 28 got a diagnosis of bipolar disorder and the correct medication and has been mostly fine ever since She later wrote up her PhD thesis and published her results Now Katy Sara is mostly well and has become a writer wanting to prevent others
