Campbell, 2012-06-20 Western Civilization A Comparative and Global Approach is a one author one voice narrative history of western civilization from ancient times to the present Within an overarching chronological approach individual chapters focus on social cultural political economic and intellectual life during particular sometimes overlapping periods Religion everyday life and transforming moments are the three main themes of the book that make the past interesting intelligible and relevant to today s students Another important feature is the incorporation of a comparative approach using illustrations documents quotes and visual or written material to provide students with a keener understanding of the West through comparison with other civilizations and cultures Every chapter includes original source boxes timelines and web links to additional and complementary information An online Instructor s Manual written by the author provides instructors with access to a wide variety of resources including image galleries web links maps test materials and suggested readings *Jenatsch's Axe* Randolph Conrad Head, 2008 During the turbulent events of Europe s Thirty Years War both ruthlessness and adaptability were crucial ingredients for success In this engaging volume Randolph C Head traces the career of an extraordinarily adaptable and ruthless figure George Jenatsch 1596 1639 Born a Protestant pastor s son Jenatsch s career took him from the clergy to the military to the nobility A passionate Calvinist in his youth he converted to Catholicism and prudence as his power grew A native speaker of the Romansh language he crossed the boundaries of language and local loyalty in his service to France Venice and his own people Violence marked every turning point of his life After fleeing the Holy Massacre of Protestants in the Valtellina in 1620

Jenatsch helped assassinate the powerful Pompeius von Planta in 1621 using an axe. He killed his commanding officer in a duel in 1629 and his own life ended in a tavern in 1639 when he was murdered with an axe by a man dressed as a bear. After his death, myth took over. Rumors spread that Jenatsch was killed by the same axe that he had wielded on von Planta and from there the story only got better, culminating in Conrad Ferdinand Meyer's celebrated 1876 novel *Jürg Jenatsch*. This study meticulously traces the social boundaries that characterized seventeenth-century Europe: region, religion, social state, and kinship by analyzing a distinctive life that crossed them all.
