Return To God The Scottsdale Mebage:

The Power of Return John Goyette, 2011-07-28 The Power of Return provides a blueprint for the church to return to God Twelve great biblical awakenings present a model that helps us understand what God expects us to do to prepare for His powerful touch on church and society A fascinating concept the revival protocol is revealed and sets the stage for us to find our way back to God This pattern and the wonderful results that follow its application are clearly seen Riveting accounts of glory clouds and heavenly fire idols torn from their pedestals and people swept together in powerful times of repentance and worship fill these pages **Wake Up! Return to God** Yvonne Rose, 2024-04-09 Alarms are sounding Warning signs are everywhere The call is now God longs for His people those who call themselves believers in Jesus Christ to return to Him and experience His forgiveness and love again As this world becomes a dark place God is calling His people to rise up rise above and take off the basket that has been hiding their light be that light in the darkness You may have been lulled into a deep spiritual sleep but God is calling you now to wake up Come back to Him and be revived and restored to the abundant life He promised for those who believe in His son Jesus Come let us return to the LORD he will restore us so that we may live in his presence Hosea 6 1 I the Lord made you and I will not forget you Oh return to me for I have paid the price to set you free Isaiah 44 21 22 Learn more and connect with Yvonne s ministry at restoreabundantly.org **The Return to God** Edward Shillito, 1920 **Rebound, Return, Restore** Jeremiah Sinsheimer, 2021-06-10 Rebound Return Restore reveals one of the most beautiful stories of redemption Most people feel like they have gone too far for God to redeem them Yet one of the oldest stories in the Bible shows us that this is not the case If you feel like you could never bounce back from your past mistakes like it s too late to return to a right relationship with Christ and He could never restore all that was lost then this is the book for you Don t be bound by your past and don t give up on your future Come back to a place of hope found in Christ You will find answers to questions like these Have I gone too far Does God love me Can I come back to the place I once was Will Christ redeem all that I lost This book helps you to return to a place of peace and hope in Christ and empowers you to live a life that is no longer hindered by your mistakes or failures Have you ever gone down a path that slowly but incrementally got worse and worse Perhaps it was a business idea that required more and more investment but never generated a profit Or it could be someone you were dating longer than you should have before you realized he or she was not the one for you It is a horrible feeling It feels like you wasted time and energy only to end up going backwards Well that might very well be what you should do Go backwards Go back to the place God called you to be There is no shame in turning around and turning your life around The title of this book says it all Rebound Return Restore Read it Then start your journey back to God Remember that a path that started out good but got worse and worse is also the very same path that gets better and better on the trip back Nick Gromicko Nick Gromicko bestselling author founder of Cozy Coats for Kids This book is a profound way to look at the story of Ruth Christianity and life as a whole Generally when people preach about Ruth that is

exactly where they start they never talk about the back story of Naomi The fact that she had a choice of the house of bread life or house of death I thoroughly enjoyed the description of that choice Secondly what truly blew me away was the description of the genealogy of Jesus which Ruth became a part of Every name is a prophetic picture of Christ s sacrifice and victory through the cross and resurrection I have always known that those names are important but have never been able to put them together I truly believe that this one revelation in the book is like striking gold You will love this book It will encourage you if you are minister backslidden or someone who has not made Jesus Christ your personal Savior Enjoy the journey as God opens your eyes to who God has made you to be through this book Philip Renner Author and Worship Leader

Return to God Denise Robinett, 2023-12-26 The headlines are depressing The information we need to make sound decisions or choose political leaders or even understand the weather is often biased and peppered with propaganda Our institutions have failed Families are under attack from every angle and children are offered up on the altar of narcissism and woke culture Our country is being invaded at the southern border Americans are dying from suicide drugs man made viruses and lawlessness while lying and censorship has invaded the public discourse needed to address these fatalities America has seen better days Hope for a return to sanity is fading fast Every American has an interest in the health and welfare of our country but Christians are called to a higher standard than self interest Christians are called to respond to darkness with God s truth prayer and loving actions Disciples of Jesus are commanded to love God and love others and in keeping with this command Christians have a duty to intercede for America Is it too late to ask God to heal America Do we know how to return to God Will God hear us How do we know what to do when many woke churches have joined the enemy This is a practical book about how to return to God It was written after years of praying and fasting for insight into the divine prescription for a terminally ill nation If you want to follow Jesus s example and if you are tired of watching evil win this book shows you how to return to God in the way he prescribes Based on the three actions of Revelation 1 3 reading hearing and heeding the book is a map for Christians called to partner with God during this time of growing apostasy Unapologetically calling out sin and rebellion this book provides step by step guidance for reclaiming your Christian life and helping your family church and nation the way God directed it centuries ago This book is both a scriptural based commentary and a Bible study to guide individuals families and churches in petitioning God to save a dying country
