A GOOD RAT Dandy Ahuruonye,2024-08-31 In the shadowy recesses of an attic where the sun s rays play hide and seek with the dust of ages resides a rat of remarkable repute His name is Budda Brie a moniker that echoes with the charisma of a fabled hero *A Good Rat* by Dandy Ahuruonye is a whimsical and enchanting tale that transports readers into a world where the ordinary becomes extraordinary and the mundane is infused with magic and wonder

Introduction Dandy Ahuruonye s *A Good Rat* is a delightful narrative that blends fantasy with a touch of reality creating a story that is both captivating and thought provoking The protagonist Budda Brie is no ordinary rodent He is a Groccolli robot a marvel of whiskered engineering whose existence defies the mundane laws of rat dom With fur as grey as twilight shadows and eyes that sparkle like digital constellations Budda Brie is a character that leaps off the page and into the reader s imagination

Review The story unfolds in an ancient attic a setting that Ahuruonye describes with such vivid detail that one can almost feel the dust motes pirouetting in the slanting sunbeams This attic is not just a backdrop but a character in itself filled with forgotten treasures and secrets waiting to be uncovered It is here that Budda Brie embarks on his adventures

accompanied by his confidant Giggles McWhisker a mouse with a penchant for puns and a tail that twitches like a Morse code machine One of the most memorable aspects of A Good Rat is Ahuruonye s masterful use of language His prose is rich and lyrical painting pictures with words that linger in the mind long after the book is closed For instance when describing Budda Brie s love for cheese Ahuruonye writes Budda Brie didn t nibble he savoured Each morsel was a symphony of flavour a sonnet composed by dairy deities Such lines not only add depth to the character but also immerse the reader in the sensory experiences of the story The relationship between Budda Brie and Giggles McWhisker is another highlight of the book Their conversations crackle with wit and whimsy providing both humour and insight They discuss everything from the weather mostly cloudy with a chance of cheese showers to philosophy whether the moon was made of Gouda or Swiss and their banter is a joy to read Through their interactions Ahuruonye explores themes of friendship empathy and self awareness making the story not just entertaining but also meaningful The plot of A Good Rat is filled with delightful escapades and conflicts One particularly amusing episode is the Cheese Heist Hullabaloo where the cheddar wedge accuses the brie wheel of favouritism You re always the toast of the party grumbles the cheddar to which the brie retorts Well you re too sharp for your good Such exchanges are peppered throughout the book adding a layer of humour that will appeal to readers of all ages But A Good Rat is not just about light hearted fun It also delves into deeper themes such as the importance of forgiveness and understanding In one poignant scene the old cuckoo clock apologises to the broken teacup and the moth forgives the spider for stealing its silk These moments of reconciliation and empathy are beautifully woven into the narrative making the story resonate on an emotional level In conclusion A Good Rat by Dandy Ahuruonye is a charming and enchanting tale that will captivate readers with its rich prose memorable characters and thought provoking themes It is a book that celebrates the magic in the mundane and reminds us of the importance of friendship empathy and self awareness Whether you are a child or an adult this story will leave you with a smile on your face and a warmth in your heart As Budda Brie himself might say Emotions are akin to the array of cheeses Some are sharp slicing through indifference others are mellow soothing the palate of the soul

Crying, Laughing, Dancing Pots: The Lives, Loves, and Legends of the Kumbhars of Zanzibar Issak Esmail Issak, Suleman Esmail Ayub, 2025-04-21

Crying Laughing Dancing Pots highlights a smooth historical undertaking of Zanzibarisation par excellence It offers a comprehensive exploration of the Kumbhar community a group that migrated from Kutch India to Zanzibar approximately 300 years ago and brought along their ancestral traditional art of pottery and other related skills It holds value for both academic researchers and general readers providing insights into one of the most successful processes of socio cultural economic and political integration of a translocal population within the Indian Ocean societies Through narratives and memories passed down from one generation to another the text describes how the Kumbhars quickly adapted to their new environment mastering local dialects and becoming deeply connected to their adopted homeland The book is very generous in supplying unbiased raw sociological material and historical facts including anecdotes beliefs cultural and traditional values that facilitate the intellectual exercise of reconstructing the country s past history and understanding of its present political socio cultural and economic quagmire Without any complex the author re examines concepts of history and memory against the backdrop of Zanzibar s political turmoil particularly the violent 1964 revolution Despite leading simple rural lives initially the Kumbhars displayed remarkable social sophistication The community demonstrated exceptional resilience following the revolution s devastation managing not only to survive but to prosper despite the significant human suffering experienced at both individual and collective levels The marvel of Zanzibar old town reminiscent of architecture in Kutch Goa Oman as well as the Mediterranean with labyrinthine narrow streets is given particular attention in the same manner as the other side of the creek Ng ambo Readers will find a very enlightening description of Zanzibar Town and its two main bridges Malindi Bridge and Darajani Bridge connecting the two sides before the reclamation of the creek putting to an end the separation of its two sides by sea water Mjini and Ng ambo The immediate area of Ng ambo i e Kisiwandui Vikokotoni Mwembetanga etc was also home to a substantial number of Kumbhars It was one of the major melting pot localities of Zanzibar with peaceful coexistence of various Zanzibari communities mingling intermarrying and in the process enriching and consolidating the Zanzibari cosmopolitan society Above all through this book the author Issak Esmail Issak provides a pioneering ethnographic account of his own Kumbhar community writing with the perspective of an outsider while maintaining historical accuracy His work is particularly valuable as it documents a community largely overlooked by professional historians and social anthropologists and in refusing to sanitize difficult episodes in their history The book serves as both an introspective

meditation on migration identity and translocal connections around the Indian Ocean and a tribute to a community that has risen from marginalization to prominence in Zanzibar's business intellectual and political spheres Mohamed Ahmed Saleh
